DRUG TESTING
Please see the 2016 NCAA Division I Cross Country Pre-Championship Manual for information.

ENTRY PROCEDURES
In order to be eligible for participation in the regional and national meets, institutions must submit an NCAA official online entry roster form through DirectAthletics prior to the regional cross country meet. Coaches will be allowed to submit a maximum of 15 student-athletes on the entry form, of which no more than seven must be declared to participate prior to competition. Only the 15 student-athletes listed on the entry form may compete in the regional and/or national championship meets. Coaches will not be able to change the 15 student-athletes on the entry form should the team qualify for the national championship meet.

The entry form will be available beginning at 8 a.m. Eastern time, Monday, October 31. Coaches must submit the forms ONLINE by 5 p.m. Eastern, Thursday, November 3. The late deadline, with fine, for regional entries is 5 p.m. Eastern on Friday, November 4. A late fine will be assessed in the amount of $400 per team/per gender. No entries will be received after this deadline. Any exceptions to the roster policy will only be considered in extraordinary circumstances and should be addressed in writing to the committee and NCAA championship manager. Each institution should print a copy of its entry forms to take to the regional and national sites.

The online entry roster form can be accessed through DirectAthletics at www.directathletics.com. If you experience technical difficulty using the online entry system, please contact DirectAthletics (support@directathletics.com; phone: 347-674-3002).

Entries will be posted at www.VirginiaSports.com by 5 p.m. local time on Monday, November 7.

The qualifying finish of teams and individuals at the regional meets will constitute entry into the national meet. No further entry is required for the national meet.

Please follow instructions below to complete your entries for the regional/national championship.
Please note: If you already have a DirectAthletics account for your team, you should login at www.directathletics.com and use your existing account to submit your entries. The NCAA entry process is no different than submitting entries to other DirectAthletics meets. If you know you have an account but have forgotten your username/password, you can click the “I forgot my password” link in the login box.

STEP 1—Creating a DirectAthletics Account
If you are new to DirectAthletics, you will be able to create an account for your team by following the instructions below:

2. On the right side (in the New Account Creation box), select your division.

3. Select your team, choosing only the genders for which you are submitting entries. Enter your contact information—this information will be used only by the NCAA and the meet hosts. Last, enter the username and password you would like for your account. Please choose a username that is unique—common usernames like “bears” or “adam” or “track” are likely to be taken.

4. Click Continue and you will be brought to the default Team Roster page. You can see what team you are controlling by looking at the Team dropdown on the navigation bar across the top of your account [i.e., Texas (Men)]. If you have a men’s and women’s account, it will usually default to men first.

5. Follow Step 2 below to enter your roster.

STEP 2—Setting Up Your Online Roster
Before submitting your entries for the championships, you must first add all attending student-athletes to your DirectAthletics roster:

1. On the default Team Roster page, click the green “Add Athletes” link above “Welcome to your DirectAthletics account!”

2. Select the number of student-athletes you wish to enter. You can always add more later.

3. Enter your student-athletes’ first names, last names and school years and click “Submit”. Please be aware of what gender you are entering—you will complete the roster and entry process for one gender first, and then repeat the process for the other gender (see the Important Notice after Step 3 below)

4. The system will display the student-athletes you have added to your roster. You are now ready for the final step of Submitting Your Roster/Entries.
**STEP 3—Submitting Your Roster/Entries**

*Once your student-athletes are added to your roster, you must submit your roster to the NCAA Division I Championships.*

1. Click the HOME tab in the upper left of the site. Under Upcoming Meets, click the green Register button next to the NCAA Division I Championships.

2. Check off the box for each student-athlete you wish to enter. You can check the top box to select (or un-select) your entire roster. If you have left anyone off your roster accidentally, you can add them using the “Add New Entry” box.

3. When you have completed your entries, click “Submit”. You MUST click “Submit” to submit your entries.

4. You will see your current, submitted entries on the “View Entries” page. For entry confirmation, click the link for a printable receipt or click the Email Confirmation link at the top of the “View Entries” page. An Email Confirmation will be sent to the email address in your account.

5. At any time before the entry deadline, you may edit your entries by clicking the “Edit Entries” link next to the meet in the HOME tab.

*Please note if you are entering Men AND Women, you will now repeat Steps 2 and 3 with the other gender. Select the opposite gender from the Team dropdown on the navigation bar across the top of your account. Repeat Steps 2 and 3. You must request separate email confirmations for Men and Women.*

**REMINDER:** It is the coach’s responsibility to inform the cross country/track and field committee immediately if for some reason a student-athlete entered and selected to compete in any national competition cannot compete.

**DECLARATION:** The check-in and clerking location will be set up at the entrance to the team area, adjacent to the starting area. Initial declarations need to be made on Thursday, November 10 during packet pick-up at Bryant Hall.

If an institution declares more than seven student-athletes (i.e. takes an eighth or ninth, etc. set of chips and bibs), those chips and bibs must be returned to meet management, in the clerking area, no later than 20 minutes prior to the start of the race.

**FINAL DECLARATION AND CHECK-IN:** Student-athletes must check-in with the clerks at the assigned clerking location up to 80 minutes prior to the start of their race. Teams are encouraged to check-in as soon as possible, and not later than 20 minutes prior to their race. Check-in will NOT be allowed at the start line and all teams must report and check-in at the assigned clerking location. When teams check-in at the clerking location, they will be required
to show that they have their hip numbers, chips on their spikes/bib, bibs on their jersey, and
that their uniforms meet the NCAA logo requirements.

**SQUAD SIZE:** Teams are limited to a maximum of seven competitors. A team running more than
seven will be disqualified and the action will be considered misconduct. Institutions entering **five**
**to seven** runners in the meet must compete as a team. If fewer than five competitors run, they will
compete as individuals.

**EVACUATION/SEVERE WEATHER PLAN**

**Lightning Policy.** Following NCAA protocol, we will be using WeatherSentry online lightning
detection and weather monitoring system. Once lightning enters the 30-mile radius of
competition, we will begin preparations to protect the student-athletes and spectators. Once
lightning enters within an eight-mile radius of our site, competition must stop and student-
athletes and spectators will be moved to safe areas. We will not begin any activity until 30
minutes have passed since the last lightning strike inside the warning ring.

**Shelter Locations.** Teams will need to return to their vehicles in the event of severe weather. In
the case of an extended delay, teams can transport to University Hall, or their hotel, and will be
kept up to date via email and text message regarding weather information.

**Severe Weather Policy for NCAA Cross Country Regional Championships**

For the safety of all spectators, student-athletes, officials and coaches the following will be used
in case of severe weather (e.g., cold temperatures and/or heavy snow):

1. The meet director and NCAA cross country/track and field committee will monitor the
weather during the week and morning of the championships.

2. A central information location and/or phone number to call for information on delays
and/or postponement to has been established. The host will leave a message at that
number alerting coaches of different start times or a delay in course inspection times due to
inclement weather. This number 434-982-2605 will be placed in the information with the
coaches’ packets and on the meet website.

3. The games committee will determine whether the start of the meet should be delayed or if
the meet should be postponed until the following day. The games committee at the
regional will make their recommendation to the NCAA with the NCAA approving the final
plan.

4. If the race has already begun and would have to be suspended in the middle of the
competition, the cross country/track and field committee would recommend the following:

**Men’s 10,000 meter** - If competition is suspended before the 3,000 meters mark you may
run the same day with a two-hour delay. If competition is suspended after 3,000 meters we
would recommend postponement until the next day.
Women’s 6,000 meter - If competition is suspended before the 2,000 meters mark you may run the same day with a two-hour delay. If competition is suspended after 2,000 meters we would recommend postponement until the next day.

5. If necessary, competition may be postponed until Saturday, per NCAA policy, with similar if not the same start times. This information must be communicated with all involved institutions.

** Appropriate provisions will be made to the facility to ensure the safety of competitors and spectators. The games committee reserves the right to make changes to the above policies and schedules as they see fit.

**FINISH LINE PROCEDURES**

We will be using IPICO chip timing (with primary and backup mats) in conjunction with FinishLynx Full Color Cameras to verify close finishes. The IdentiLynx Pro will be used for head-on full-frame video to capture bib numbers of those runners who may have lost their chips on the course. Runners will be given two IPICO chips to wear on their shoes (secured by bread ties) and the chips will be collected by volunteers in a "holding pen" beyond the finish line. Runners will not need to stay in finish order.

There will be two split mats placed along the course and split data will be available for viewing after the races are completed.

Any chips found on the course or not collected in the holding pen should be turned back in to the timing tent.

The order of finish will be verified with Finish lynx system. Two Lynx cameras will be on each of the finish line mats. A secondary video system will be used as a backup. Timing mats will be used on the course at select marks.

Runners should continue racing past both sets of mats at the finish line. Once they have crossed the mats, runners should continue to move through the finish chute as quickly as possible. Runners need not maintain their order of finish in the chute. Water and trainers will be available at the end of the finish area. Volunteers will be there to help remove all timing chips from competitor shoes. All timing chips MUST be returned prior to exiting the finish area. Coaches and fans can wait for runners outside of the finish chute.

**PACKET PICK UP**

Packets will be available Thursday, November 10, from 5 – 6 p.m. at Bryant Hall at Scott Stadium (directions to packet pick up in appendix).

Course maps and descriptions will also be available and host representatives will be there to answer any questions on the course.

There will be two 15-minute protest periods, one following each of the races (women and men). Each of the protest windows will begin when the results of the race have been posted at the protest tent. There is a $50 protest fee (cash only) for each protest. The $50 fee is refundable only if the protest is overturned.

**UNIFORMS**

In all events and award ceremonies, competitors must wear the proper uniform (warm-ups included) of the institution they represent in the championships. Uniforms for all cross country team members must meet the following criteria: (1) school-issued; if they are singlets, they must be identical; (2) pants may be of any length, but must have identical color; and (3) visible
undergarments must be of an identical solid color. Uniforms must be clean and of a material and design so as not to be objectionable. Bare midriff tops are not acceptable. (Note: The uniform top must meet or hang below the waist band when the competitor is standing.) Uniforms must allow for competitors’ numbers to be placed above the waist (front and back) and for hip numbers to be placed on the hip, not on the leg or thigh. Uniform tops must not obscure hip numbers.

**Logos.** An institution’s official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, arm sleeves, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer’s or distributor’s normal trademark, not to exceed 2.25 square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, parallelogram). In addition, an institution’s official uniform cannot bear a design element similar to the manufacturer’s that is in addition to another logo or that is contrary to the size restriction. A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2.25 square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity, other than the student-athlete’s institution. These restrictions apply to all apparel worn by student-athletes during the conduct of competition, which includes prerace or post race activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.
