Additional Reminders:

☑ Male students or male student-athletes may not be provided with financial assistance, such as room and board, tuition and fees, and books, in return for practicing with the women’s team.

☑ Male students or male student-athletes may not receive room and board on campus during a vacation period to participate in practice sessions with a women’s team.

☑ If a male student-athlete is a nonqualifier serving a year in residence, he is not permitted to participate in practice sessions with a women’s team.
Male students or male student-athletes may be provided with practice apparel for the purpose of practicing with a women’s team.

The daily and weekly limitations for a male student-athlete participating as a male practice player with an institution’s women’s team are determined by the institution’s declared playing and practice seasons calendar in the male student-athlete’s sport.

What to do with this form (compliance coordinators or certification officers):

1. Sign completed form and keep a copy on file in the office of the director of athletics. This form is NOT REQUIRED, but may be used to assist with certifying the eligibility of a male student or male student-athlete participating in practice sessions with an institution's women's team(s).

2. All other regulations regarding male students or male student-athletes participating in practice sessions with an institution's women's team (e.g., financial aid, awards and benefits) are set forth in Bylaw 14.1.10.
