Qualification Statement:
I believe that I am fully qualified to be a representative of the NCAA Division II Women’s Field Hockey committee. I work very closely with our current collegiate field hockey coaching staff during their regular season, and have had the opportunity of hosting the 2015 NCAA Division II National Championships here at Bloomsburg University, as well as the highest-seed host of the 2011 National Championship. During this time I have had hands-on experience conducting the Final Four Championships in all facets including, hosting teams, practice accommodations, tournament play, banquet/entertainment, and additional on-site preparation. Having had this opportunity and working with the NCAA committee I have enjoyed the camaraderie, commitment, and dedication that has represented the sport of field hockey. On a personal note, as the father of a young field hockey up-and-comer my involvement is a commitment to see the sport prosper and continue to grow.

Qualification Statement:
I believe that I have a wide variety of experience with college athletics and specifically championships that makes me qualified for this committee. I have had the privilege to serve at various NCAA National, Regional, and Conference level championships. These events along with what I have been a part of hosting on campus have created a desire to be a continued part of an excellent student athlete championship experience in Lacrosse. The sport has established itself in the south region and continues to grow. The privilege to provide oversight in these sports has allowed me to learn about lacrosse and enjoy it more and more. I would love the opportunity to dive deeper into this sport and bring my energy and passion to the committee.

Qualification Statement:
As the Associate Athletic Director at West Chester University, I am self-nominating for the Women's Lacrosse Sport Committee. In my 11 years at WCU, I have been involved in hosting numerous NCAA championships, including women's lacrosse. For the past 2 years, I have been a member of the women's lacrosse Regional Advisory Committee as well. I am very familiar with NCAA selections and rankings process and feel strongly that my involvement with RAC and being in the PSAC qualifies me for this committee. PSAC women's lacrosse and WCU have been consistent qualifiers for the NCAA tournament, so my familiarity with the South Region competition is an advantage. I feel my administrative experiences along with my knowledge of NCAA women's lacrosse, makes me an excellent candidate for this role.
