

**REPORT OF THE  
NCAA DIVISION II MEN’S AND WOMEN’S SWIMMING AND DIVING  
COMMITTEE  
MAY 25, 2016, TELECONFERENCE**

**ACTION ITEMS.**

- None.

**INFORMATIONAL ITEMS.**

- **Review of selection models.** The committee continued its review of alternative models to ensure that the best swimmers are selected to participate in the championships meet. The committee presented options for membership feedback at the coaches convention; however, there were a limited number of coaches in attendance. Therefore, the committee agreed to survey the membership about modifying the swimming selection model. The committee also agreed to seek feedback about developing diving degree of difficulty standards for both the prequalification and championship meets.
