SPORTS INFORMATION

Teams qualifying for championship competition are required to supply the information listed below. The information will be used for the event’s media guide, opening ceremony video, video board and other promotional items.

NCAA FTP Site – The NCAA has developed a website to download advancing team information. Please log on to www.ncaachampionship.info (username: ncaaschools; password: ncaaftp) to download information. The process of downloading your materials is quite simple. Please make sure to enter the information into the correct sport folder. To add content, click on the desired folder and then select “upload files” on the top toolbar, and repeat as necessary. (It works best with Chrome and Firefox, so please try and use either of these if at all possible).

If teams participate in the awards ceremony, the cooling off period will begin immediately following the presentation.

These procedures may be adjusted.

AWARDS CEREMONY

Regional champion mini trophies will be presented immediately after each game in which a team is eliminated. These will go to the 27-person travel party. After the championship game, the All-Tournament team, including a Most Outstanding Player, will be announced. All members in attendance will be recognized at home plate.

The announcement of the All-Tournament team will be made followed by the presentation of mini trophies (27) to the second-place team. The ceremony concludes with awards, both individual (27) and team (1), presented to the national champion. A team photo of the national champion will be taken in front of the scoreboard.

ELITE 90 AWARD

The Elite 90 award is presented to the student-athlete with the highest cumulative grade-point average competing at the finals site for each of the NCAA’s 90 championships.

Each institution that has at least one student-athlete qualify for the finals round/site is eligible to nominate a student-athlete to win the award for that championship. All ties are broken by number of credits completed.

For more information regarding this program, please contact Mark Bedics at elite90@ncaa.org, or 317-917-6222. All documents, including eligibility, deadlines and nomination forms can be obtained at the following location – Elite 90 forms. You must be logged into the site to access the page.
