**Championship Format**

**Determination of Home/Away Teams**
For finals competition, the home team will bat last, occupy the third-base dugout and take the infield warm-up first (eight-minute warm-up).

The home team shall have choice of uniform. The visiting team is expected to wear a contrasting color jersey. As a reminder, when teams play back-to-back games, they must be prepared to change uniforms, if necessary. Determination of uniform colors must be approved by the softball committee.

The home team will be determined as follows:
For the first four games of the championship, the home team will be the higher-seeded team.
For Games 5-10, home team is determined by the following formula:
1. The institution that has been home team the fewest times (regionals, super regionals and finals are considered separately).
2. If two teams have been the home team an equal number of times but the visiting team an unequal number of times, the team that has been the visitor most often shall be the home team.
3. If two teams have been both home team and visiting team an equal number of times, and if the two teams previously met, the visitor in the initial game shall be the home team in the second game.
4. If two teams have been both home team and visiting team an equal number of times, the team that was the visitor in its preceding game shall be the home team, unless both teams were the visitor in their preceding games.
5. If the preceding formula does not prevail, the home team shall be determined by a coin toss using the double flip procedure.

For Games 11 and 12, teams that are 2-0 in the tournament will be the home team.
For Games 13 and 14, the home team is opposite of Games 11 and 12.
For the championship series, the teams will flip using the double coin flip procedure for the first game, switch home/visitor for the second game and then flip again using the double coin flip procedure for the final game in the series (if necessary).

**Length and Schedule of Games**
All games shall be seven innings, except that a five-inning, eight-run rule will be used in all rounds of the championship. If play is stopped before a seven-inning game is completed and the eight-run rule is not in effect, the game shall resume from the point of interruption. Competition may be scheduled one additional day if: (1) weather or unforeseen circumstances prevent the completion of competition on the originally scheduled final day of competition; or (2) completing competition would require a team to play three games in one day. (Note: A team may be required to complete a halted game and play up to two additional games in the same day.)
Protest Procedure
Please refer to the 2016 and 2017 NCAA Softball Rules and Interpretations, Rule 7-2 on pages 69-73, that outlines protest procedures for NCAA championship play.

Rules
[Reference: Bylaw 31.1.6 in the NCAA Division III Manual.]

Per NCAA Bylaw 17.30, member institutions shall conduct all of their intercollegiate competition in accordance with the playing rules of the Association in all sports for which the NCAA develops playing rules. For those sports in which the Association follows rules that are developed by other governing bodies and modified by the governing sports committee, the adopted playing rules shall be used. The governing sports committee will not consider any results for selection purposes that are not played in accordance with NCAA rules, or those rules adopted by an outside organization.

The NCAA Softball Rules shall be followed, with the following changes or modifications:
1. The complex must be enclosed so that admission can be charged.
2. A skinned infield and natural grass outfield are preferred. Artificial surfaces may be considered.
3. There must be at least 25 feet (maximum 30 feet) from home plate to the backstop.
4. It is highly recommended that the playing field be enclosed completely by sideline fences and a permanent home-run fence in a smooth arc of not more than 235 feet from home plate. If constructed of wood, cement or brick, it is strongly recommended that it be padded beginning not higher than 1 foot off the ground and extending to the top of the wood, cement or brick or 6 feet from the ground, whichever is shorter.
5. Fields with a 6-foot or taller fence are highly recommended to be a minimum of 190 feet in left and right fields and 220 feet in center field. For all new construction after 2016, it is required that the fence be 6 feet or higher and be a minimum of 190 feet in left and right fields and 220 feet in center field.
6. In 2017, an institutional field with a 4-foot fence must be a minimum of 210 feet in left and right fields and 230 feet in center field, and it is highly recommended that a municipal field with a 4-foot fence used by the institution be those same distances.
7. If a temporary home-run fence is used, it must be secured so as not to collapse on and displace the foul pole and to prevent balls from rolling under.
8. The international tiebreaker will not be used in championship play.

Championship Operations

Administrative Meeting
The NCAA Division III Softball Committee will conduct a mandatory administrative meeting before competition. This meeting will be held Wednesday, May 24 in the Kiamichi Room on the second floor of the Sheraton Oklahoma City Hotel immediately following the student-athlete banquet. The softball committee chair, tournament director and NCAA championship manager will conduct the meeting.

It is mandatory that the head coach of each participating institution attend the meeting, and it is strongly encouraged that the athletics director or senior woman administrator (or a designated administrator who is NOT a softball coaching staff member) attend the meeting. Sports information directors and athletic trainers also are encouraged to attend the meeting.
Championship policies and procedures and information regarding the provisions of Bylaw 31.1.8, which prescribes conditions under which a student-athlete or representative of an institution may be disqualified from further participation in the championship for reasons of misconduct, will be reviewed during the meeting.

Administrators are asked to bring the following documents to the meeting:

1. Awards recipient form.
2. List of band members (if applicable).

**Banquet**
The student-athlete banquet will be held Wednesday, May 24, at the Sheraton Oklahoma City Hotel on the Second Floor in the Century Ballroom. Doors will open at 6:30 p.m. and the banquet will begin at 7 p.m. The 23 members of each team’s official travel party will be admitted to the banquet via a pass list. **Practice**

The NCAA Division III Softball Committee is responsible for approving the practice schedule prior to the schedule being sent to the teams and will monitor all practices. Practice times will be determined by the softball committee based on game times (e.g., the two teams competing in the first game Thursday will have the first two practice times, etc.). Teams will have an opportunity to hit on the practice field, but no hitting will be permitted on the game field.

**Safety/Security Plan**

**If you are playing on the main stadium field:**

*Tornado Warning:* Take shelter in the team meeting/locker room assigned to you.

*Lightning Warning:* Take shelter in your dugout/team room. This is a **very** safe place. In a lightning storm, make sure you are completely inside the dugout. **Do not** touch any part of the dugout fencing.

**If you are watching a game at the main stadium field:**

If a tornado warning or lightning warning is given, take your team to your team meeting/locker room.

**If you are playing or practicing on fields 2, 3, or 4:**

If a tornado warning or lightning warning is given, take your team to the team/meeting rooms assigned to you.
If a lightning storm approaches suddenly and there is no time to get off of the field, do the following:

1. Get in a crouched position in the dugouts, with hands and feet away from the dugout fencing. Do not touch the sides of the dugout.

2. If there is no safe shelter in a reasonable distance, crouch in a thick grove of small trees surrounded by taller trees, or in a dry ditch. Assume a crouched position on the ground, with only the balls of the feet touching the ground. Wrap your arms around your knees and lower your head. Minimize contact with the ground.

3. Stay away from the tallest trees or objects (i.e., light poles or flag poles), metal objects (such as metal fences or metal bleachers), individual trees, standing pools of water and open fields. Avoid being the highest object in a field, and do not take shelter under a single, tall tree.

**Tournament personnel, school representatives, media:**
If there is a lightning warning, stay in the VIP lounge or the press box. If there is a tornado warning, move to the media area underneath the stadium.

**Umpires:**
If there is a tornado or lightning warning, stay in the umpires’ room.

**Fans and spectators:**
Depending on advance warning time, they will either be instructed to completely evacuate the stadium complex in a direction away from the storm, or they will be directed to shelter within the USA Softball Hall of Fame Stadium complex.

**Hospitality:**
Depending on advance warning time, patrons will either be instructed to completely evacuate the stadium complex in a direction away from the storm, or directed to shelter within the USA Softball Hall of Fame Stadium Complex.

*All of the shelter areas are extremely safe!*
*Please adhere to instructions of tournament personnel and go to your assigned shelter as soon as you are told.*
*You will be informed as to when it is safe to return to the field of play.*

**Team Hosts and Bat Girls**
Each team will be assigned a team host family from the area who can provide information to the team regarding the locale, restaurants, etc. Team hosts will reach out to you upon your arrival. Your team host family will also provide a bat girl for your team during your games.

**Team Photos**
Team photos will be taken two hours before each team’s initial game in the championship. The home team will take its team photo first. Photographer Richard Clifton will be taking your team photo. Richard will meet the teams on the **plaza in front of INTEGRIS Field**. Please come dressed in your team uniform. If you are having issues locating Richard, his cell phone number is 405-659-6062.
Videotaping
Institutions are permitted to videotape championship competition by their teams or their individual student-athletes for archival, coaching or instructional purposes. The videotapes may not be used for any commercial purposes. Each institution is permitted to use one camera and may videotape only that portion of the competition in which it participates. All videotaping must be done from the designated videotaping area in centerfield. There is NO power outlet available and teams must use batteries. Videotaping from any other area, including the dugout area, is not permitted.

Warm-up Music
Teams may submit their eight-minute warm-up music to Brandon Baker, BBaker13@uco.edu. Please email a Dropbox link with the mp3s of your warmup music so it can be downloaded to his computer. Lyrics for all songs must be printed from the Internet (i.e., not typed separately) and provided to the softball committee member assigned as the team liaison during the team’s practice on Wednesday. The committee member will review the lyrics and listen to the playlist to determine whether the content is appropriate for all audiences. If any content is deemed inappropriate, the team will have one opportunity to provide a revised playlist with appropriate content. If the content of the revised playlist is still deemed inappropriate, the head coach may choose either generic music provided by the venue or no music for the team’s warm-up.

Competition Site

Banners and Artificial Noisemakers
No banners may be displayed at the venue other than the NCAA and approved media banners. Artificial noisemakers, air horns, and electronic amplifiers are not permitted and shall be removed upon discovery.

See the marked map below.

Courtesy cars and other VIPs with vehicles should park in the main parking lot. Parking will be free for this event in the main parking lot.
Drug Testing

The NCAA is dedicated to fair and equitable competition throughout each round of the championship and strongly supports the drug-testing program in order to safeguard the health and safety of the participating student-athletes.

**Student-Athlete Notification.**
Immediately after any established NCAA cool-down period, a member of the drug-testing crew will notify student-athletes selected for drug testing. Each student-athlete will be instructed to read and sign the Team Championship Student-Athlete Notification Form. The notification form will instruct the student-athlete to report to the testing room within 60 minutes, unless otherwise directed by the crew member. An institutional representative must be present in the drug testing venue.

**Media Obligations.**
Each team is provided a postgame cool-down period. At the conclusion of the cool-down period, a member of the drug-testing crew will notify the student-athletes who have been selected for testing. Notification may take place in the locker room (if applicable) or on the court. If a selected student-athlete is scheduled to participate in any postgame news conference, she is required to attend the news conference first. The student-athlete will be escorted to the drug-testing area after all of her media obligations have been fulfilled.
Next Day Testing.
If competition begins at 10 p.m. or later (local time), both teams will be given the option to defer testing until the next morning. If a team decides to test the next morning, that determination must be confirmed by the institution no later than immediately following the contest. Once testing has begun, testing must be completed and cannot be deferred until the next morning. If deferred until the following day, the testing must begin no later than 10 a.m. (local time) at the original test site.

Participating Institution’s Notification.
The institutional representative will be notified of drug testing no sooner than two (2) hours prior to the start of the game by the drug-testing crew chief. After the game, a member of the drug-testing crew will provide the institutional representative with the names of the selected student-athletes.

Prolonged Test.
If the student-athlete’s team must depart the championship venue prior to a student-athlete completing drug testing, an institutional representative must remain with the student-athlete. If the student-athlete and/or institution incur additional expenses because of the delay (e.g., hotel, transportation back to campus, etc.), the institution may request reimbursement from the NCAA.

Testing Process.
Student-athletes are drug tested through urinalysis and must provide a specimen in view of a drug-testing collector of the same gender. The length of the collection process depends on the student-athlete’s ability to provide an adequate specimen. If a student-athlete provides an adequate specimen immediately upon arriving in the drug-testing area, the entire process can be completed within 20 minutes. If the student-athlete is unable to provide an adequate specimen, she must remain in the drug-testing area until one is provided. There is no maximum allotted time for a student-athlete to provide an adequate specimen.

Elite 90 Award

The NCAA Elite 90 award was created to recognize the true essence of the student-athlete by honoring the individual who has reached the pinnacle of competition at the national championship level in his or her sport, while also achieving the highest academic standard among his or her peers. The Elite 90 award is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA’s championships. Award winners must meet certain criteria, including being a sophomore or above, participating in their sport for at least two years at their school, being an active and traveling member of their team, and being a designated member of the squad size at their championship.

Each participating institution is responsible for submitting the name of its student-athlete that has the highest GPA and meets all of the other requirements. Mark Bedics and the NCAA academic and membership affairs staff will determine the winner of this award for each championship and provide the student-athlete’s name to the NCAA championship manager as well as the host shortly before the championship begins. The winner’s name should not be released to the public until after he or she is publicly recognized. If appropriate, the NCAA championship manager can share the information with the coach of the winning student-athlete to make sure of that person’s attendance. However, the coach should not inform the student-athlete. Mark Bedics or another member of the media coordination staff will typically send a template of a release and the logo to the sports information director of the winner’s institution on the morning of the announcement to allow him or her time to prepare.
Each championship should provide an appropriate forum to appropriately recognize and celebrate this award winner among their peers and fans of the championship. In addition, information about this award winner may be included in local press releases about the championship and in public address and/or videoboard announcements during the championship.

Additional information regarding eligibility, deadlines and nomination forms, are available at Elite 90 forms.

The submission deadline for nomination for the Division III Softball Championship is 10 a.m. Eastern time Tuesday, May 23.

### Equipment

**Ball**
The Rawling NC12L is the official softball for the 2017 NCAA Division III Softball Championship.

**Bat Testing**
Mandatory postseason barrel compression testing (BCT) is mandatory and will be conducted each day of competition on all bats for all teams at the finals site. In addition to BCT, the NCAA will continue to conduct postseason, post-competition bat compliance testing. Bats will be collected from the preliminary rounds and finals for all three divisions as teams are eliminated. The collected bats will be sent to Washington State University’s lab for testing.

### Expense Reimbursement

**Per Diem**
Per diem will be paid for the official travel party of 23 individuals. The per diem rate and allowable days can be found in the NCAA travel policies.

**Reimbursement**
Team expense reports should be filed online through the Travel Expense System (TES). The login information for the system is the same as that used for the Short’s Travel portal. The system can be accessed at:

https://web1.ncaa.org/TES/exec/login?js=true

All institutions must complete the online reimbursement process in order to receive the appropriate reimbursement.

### Media Services

**Credentials**

Credentials will be distributed as outlined below at the administrative meeting on Wednesday evening.

Each participating institution will receive a maximum of 23 participant credentials for the official travel party. These will be provided based on the credential list submitted by the institution. A maximum of 20 student-athletes may be in uniform for each game. If requested, up to seven additional bench passes will be provided to each institution. Two of the seven bench passes may be utilized only by medical personnel (e.g., if a team has only one athletic trainer, the team may receive a maximum of six bench passes). Each participating institution also will receive a sports information credential for the sports information director. This individual is not included in the 23 credentials for the official travel party.

Each team’s administrator will receive three VIP credentials to distribute at his or her discretion (excluding members of the media). This credential will allow the holder access to the hospitality area, to the field at the conclusion of the game and into postgame press conferences. VIP credentials do NOT provide free admission to the competition facility. If the holder is not one of the 23 official travel party members or does not receive a bench pass, he or she must purchase a ticket to the venue.

**Interview Area**

The interview area will be in the Press Room of USA Softball Hall of Fame Stadium. Room access is found at the stairwell leading down in front of the main stadium. Only credentialed media, team personnel and the NCAA softball committee and staff will be allowed access to the interview area. Parents will not be allowed in this area.

**Interview Policies**

In accordance with the NCAA regulations, each team will be provided a 10-minute “cooling off” period after each game. The head coach of the winning team, with requested student-athletes, will be interviewed first. The non-winning coach and student-athletes will follow the winning coach. This procedure will be followed except for the championship game, after which the non-winning coach and requested student-athletes will be interviewed first followed by the winning coach and student-athletes.

All coaches and student-athletes must be made available for post-competition interviews following the “cooling off” period. This not only applies to formal press conferences, but also to any interview requests made to coaches and/or student-athletes not involved in the press conference. Failure to do so may result in possible misconduct, as determined by the softball committee.
Please vacate the field as soon as possible after competition. Parents, fans and spectators will be
NOT allowed on the field only during awards ceremonies. They can meet the student athletes near
their team buses or in the stands

The video of each postgame interview will be posted online after each game at
www.okcallssports.org/d3sbchamp.

**Sports Information and Media**
Sports information and media credentials for the championship will be handled by media coordinator
Mike Kirk (email: mkirk@uco.edu; cell: 405-615-2233) and Chris Brannick, University of
Central Oklahoma (email: cbrannick@uco.edu; cell: 405-301-0187) through the NCAA online
credential system.

**Concussion Management**
The NCAA has adopted legislation that requires all active member institutions to have a concussion
management plan for their student-athletes. Participating institutions shall follow their concussion
management plan while participating in NCAA championships. If a participating team lacks
appropriate medical staff to activate its concussion management plan, the host championship
concussion management plan will be activated.

The legislation notes, in part, that a student-athlete who exhibits signs, symptoms or behaviors
consistent with a concussion shall be removed from athletics activities (e.g., competition, practice,
conditioning sessions) and evaluated by a medical staff member (e.g., sports medicine staff, team
physician) with experience in the evaluation and management of concussions. A student-athlete
diagnosed with a concussion is precluded from returning to athletics activity for at least the
remainder of that calendar day. Medical clearance for return to athletics activity shall be determined
by the team physician or the physician's designee from the student-athlete’s institution. In the
absence of a team physician or their designee, the NCAA tournament physician will examine the
student-athlete and will determine medical clearance.
A concussion is a brain injury that may be caused by a blow to the head, face, neck or elsewhere on the body with an “impulsive” force transmitted to the head. **Concussions can occur without loss of consciousness or other obvious signs.** A repeat concussion that occurs before the brain recovers from the previous one (hours, days or weeks) can slow recovery or increase the likelihood of having long-term problems. In rare cases, repeat concussions can result in brain swelling, permanent brain damage and even death.

For additional information, please refer to the “NCAA Sports Medicine Handbook Guideline on Concussions” online at [www.ncaa.org/health-safety](http://www.ncaa.org/health-safety).

### Medical Exams

As the event sponsor, the NCAA seeks to ensure that all student-athletes are physically fit to participate in its championships and have valid medical clearance to participate in the competition. The NCAA tournament physician, as designated by the host school, has the unchallengeable authority to determine whether a student-athlete with an injury, illness or other medical condition (e.g., skin infection) may expose others to a significantly enhanced risk of harm and, if so, to disqualify the student-athlete from continued participation. For all other instances, the student-athlete’s on-site team physician can determine whether a student-athlete with an injury or illness should continue to participate or is disqualified. In the absence of a team physician, the NCAA tournament physician will examine the student-athlete and has valid medical authority to disqualify him or her if the student-athlete’s injury, illness or medical condition poses a potentially life threatening risk to himself or herself. The chair of the governing sports committee (or a designated representative) shall be responsible for administrative enforcement of the medical judgment, if it involves disqualification.

### Official Travel Party

**Permissible Number**

Each team is limited to 20 eligible players in uniform and an official travel party of 23. In addition, each team may request a maximum of seven bench passes (two of which may only be utilized by medical personnel). Bench passes provide free admission to the competition venue and access to the dugout. Each team will receive a maximum of 23 participant credentials and a maximum of seven bench passes. Any individuals not listed on the credential list (maximum of 30 total) must purchase a ticket for admission to the venue.

After competition at the finals site has begun, no changes may be made to a team roster for any reason. The number of people allowed in the dugout shall not exceed 30 (31 if a bat girl is used). A bat girl must be at least 13 years of age. An institution that is advised it is in violation of this regulation and does not promptly conform to it automatically shall forfeit the competition. There shall be no inordinate delay of the contest to allow a competing institution to conform to the rule.

There will be no exceptions regarding this section.
**Bands/Mascots**

Bands shall be limited to 25 members, including one director, who are in uniform and performing at the competition sites. The band shall be admitted via the gate list furnished to the host by the participating institution’s administrative representative. The host institution must designate seating in the venue to accommodate the bands with prior approval of the games committee. Bands shall be assigned seating that will not interfere with spectators, photographers or dugouts.

At all tournament sessions, seating will be provided for the bands during games in which their team is not participating. Bands, or any component thereof, shall not play while the ball is live. Bands may play immediately prior to the team’s offensive half-inning (concluding with the fifth warm-up pitch), during their team’s eight-minute warm-up period and for 10 seconds after a run is scored. Before the respective eight-minute warm-up periods, bands and the public-address announcer will alternate playing music.

Mascots are allowed in the outfield area, but not on the infield, before the eight minute warm-ups begin for each team. Once the game begins, the mascot must not obstruct the view of spectators.

**Participant Expectations and Guidelines**

**Ethical Behavior by Coaches**

Members of the coaching profession have certain inherent obligations and responsibilities to the profession, to the student-athletes and to all those with whom they come into contact in the field. Coaches are expected to be role models who conduct themselves with integrity and high ethical standards at all times.

The words and actions of a coach carry tremendous influence, particularly on the young people under his or her direction. It is imperative that he or she demonstrate and demand high principles of sportsmanship and ethical behavior.

**Misconduct**

Misconduct means any act of dishonesty, unsportsmanlike conduct in practice or competition, or breach of law that discredits the championship.

Public criticism of officials may subject the individual, institution or conference to the misconduct provisions.

The committee or games committee is authorized to (1) reprimand publicly or privately, (2) disqualify from future participation and/or (3) ban from subsequent competition a student-athlete or representative of the institution who is guilty of misconduct at any time during the championship.

**Sportsmanship**

The primary goal of the rules is to maximize the safety and enjoyment of the student-athlete. Sportsmanship is a key part of that goal. Sportsmanship should be a core value in the behavior of players and bench personnel, in crowd control by game management and in the officials’ proper enforcement of the rules governing related actions.

**Sports Wagering**

The NCAA defines sports wagering as putting something at risk – such as an entry fee or a wager – with the opportunity to win something in return. The NCAA opposes all forms of legal and illegal
sports wagering on college sports. Student-athletes and athletics administrators cannot place a sports wager for any NCAA-sanctioned sport. This includes wagering on the intercollegiate, amateur or professional level.

A student-athlete involved in sports wagering on the student-athlete's institution permanently loses all remaining regular-season and postseason eligibility in all sports. A student-athlete who is involved in any sports wagering activity that involves college sports or professional athletics through Internet gambling, a bookmaker, a parlay card or any other method employed by organized gambling, will be ineligible for all regular-season and postseason competition for at least one year.

In championships in which a bracket format is used, student-athletes, coaches and administrators may not participate in bracket competitions where there is both a required entry fee and an opportunity to win a prize. Student-athletes and administrators may participate under current NCAA rules in bracket contests where there is no entry fee but a possibility of winning a prize. Some NCAA member schools, however, have chosen to ban student-athletes from participating in these types of bracket contests.

**Tobacco Ban**
The use of tobacco products is prohibited by all game personnel (e.g., coaches, athletic trainers, managers and umpires) in all sports during practice and competition. Uniform penalties (as determined by the applicable rules-making committees and sports committees with rules-making responsibilities) shall be established for such use.

The use of tobacco products by a student-athlete is prohibited during practice and competition. A student-athlete who uses tobacco products during a practice or competition shall be disqualified for the remainder of that practice or competition.

---

**Team Travel**

**Transportation**
Participating institutions shall be responsible for making their own travel reservations in accordance with the established [NCAA travel policies](#).

The NCAA’s official travel agency for the championship is Short’s Travel Management, which can be reached at **866-655-9215**. Institutions can also enter travel manifest and other travel party information through the travel portal at [www.shortsstravel.com/ncaachamps](http://www.shortsstravel.com/ncaachamps).

The NCAA has adopted the policies below with respect to the travel and expenses incurred by the competing institution.

**Ground Transportation**: Teams located within the designated mileage limit of the competition site are required to travel via ground transportation. Mileage reimbursement is calculated using the mileage calculator available through the online reimbursement system.

Local transportation is not reimbursable by the NCAA and must be paid by the institution. Transportation between the team’s hotel and the competition or practice site is considered local transportation. Please see the [NCAA travel policies](#) for the applicable mileage limits.
When teams are required to travel by ground transportation to the site of competition or are eligible for reimbursement at the site, bus transportation will be provided through the NCAA charter bus transportation program.

**CHARTER BUS TRANSPORTATION PROGRAM**

Participating institutions shall be required to make all ground transportation arrangements with the official NCAA provider, GO Ground Options. The NCAA will pay for the services directly. Institutions will not have to seek reimbursement for the ground transportation costs that are reimbursable under the NCAA travel policy. For the charter bus costs that are not covered by the NCAA travel policy, an institution will have the option, at its own expense, to use the charter bus services contracted by GO Ground. Institutions will be required to pay for those services at the time the reservations are made with GO Ground.

The NCAA will pay the actual costs for charter buses. The number of buses paid for is determined by the official travel party size for each sport. Per the transportation policies, the NCAA will reimburse the following:

**Teams that are required to drive to the site of competition:**
The NCAA will pay the actual costs of the bus for the round trip from campus to the site of competition, including all days at the site.

**Teams that fly to the site of competition:**
If campus is 25 miles or more from the departure airport, the NCAA will pay the cost of the airport transfers, both on departure and on return.

If the arrival airport is 25 miles or more from the site of competition, the NCAA will pay the cost of the bus for the day the team arrives and the day the team departs. Any days in between are considered local transportation and are at the expense of the institution.

If either of the legs described above are less than 25 miles, no costs will be paid by the NCAA since local transportation is at the cost of the institution.

Institutions can contact GO Ground at 866-386-4951. Their online ground transportation portal can be accessed at [www.gochampionships.com](http://www.gochampionships.com). The username and password is the same as that used for the Short’s Travel portal.

**Per Diem:** Per diem will be paid for the official travel party. The per diem rate and allowable days can be found in the [NCAA travel policies](#).

**Expense Reimbursement:** Team expense reports should be filed online through the Travel Expense System (TES). The login information for the system is the same as that used for the Short’s Travel portal. The system can be accessed at [https://web1.ncaa.org/TES/exec/login?js=true](https://web1.ncaa.org/TES/exec/login?js=true). All institutions must complete the online reimbursement process in order to receive the appropriate reimbursement.

**Travel Exceptions:** Be advised that if extraordinary circumstances warrant an exception to the travel policies, you must contact the NCAA travel department for approval **BEFORE** making any travel arrangements. Requests for additional per diem can be made through the online reimbursement system. Questions regarding travel policies or requests for assistance can be directed to the travel group at 317-917-6757 or [travel@ncaa.org](mailto:travel@ncaa.org).
Please email the Travel Information Sheet (Appendix D) to Jan Gentry (jgentry@ncaa.org) and Jordan Satarawala (jordan@okcallsports.org) by 5 p.m. Eastern time, Monday, May 22.

**Trophies and Awards**

**All-Tournament Team**

The all-tournament team at the finals site will be selected by the NCAA Division III Softball Committee. The all-tournament team shall consist of 12 players and one Most Outstanding Player (total of 13 individuals on the all-tournament team).
**Awards**

Championship awards will be presented immediately following each game in which a team is eliminated. The first two teams eliminated from the championship will tie for seventh place and each will receive 23 individual seventh-place bronze mini-trophies. The third and fourth teams eliminated will tie for fifth place and each will receive 23 individual fifth-place bronze mini-trophies. The fifth and sixth team eliminated will tie for third place and each will receive 23 individual third-place bronze mini-trophies. Following the best-of-three championship series with the final two teams, the runner-up will receive 23 individual second-place silver mini-trophies. The national champion team will receive 20 watches, 23 individual first-place gold mini-trophies and a national champion team trophy. (Three additional watches will be ordered following the championship.)

**Student-Athlete Participation Award**

A participation award (a jacket and compression socks) will be provided to members of the official travel party (23) of institutions that advance to the championship finals site. The NCAA championships and alliances group will be responsible for selection of the participation awards that will be provided. Samples of jackets in multiple styles and colors in men’s and women’s sizes will be available at the championship for the student-athletes and team personnel to try on. Each team must come to a consensus on the jacket style and color ordered for the entire team. Team members may select men’s or women’s sizes.

MainGate, Inc., will communicate directly with participating institutions’ head coaches regarding the ordering and delivery process of these participation awards. Within 10 business days of the conclusion of competition, MainGate will email each head coach and provide details regarding the ordering process, along with a unique certificate code that can be redeemed only at NCAA-Awards.com. The code is valid for one participation award per member of your official travel party. In order to ensure that each participant receives his or her award, a member of your administration must place your team’s order, including size information, at NCAA-Awards.com using your certificate code. If you would like to purchase additional awards, you will have the opportunity to do so online with your personal credit card. If you do not receive information for ordering awards within two weeks of the conclusion of the championship, please contact Erin Hannoy (ehannoy@maingateinc.com or 317-260-2538) or Barb Hallam (bhallam@ncaa.org).

Participation awards will be sent to your institution for distribution to your student-athletes three to four weeks after your order is placed.

**Uniforms**

Each competing team selected for the NCAA championship must bring two sets of uniforms of different colors. The visiting team must wear a contrasting color jersey from the home team. Determination of uniform jersey colors must be approved by the softball committee. As a reminder, when teams play back-to-back games, they must be prepared to change uniforms, if necessary. Noncompliance with this policy may result in misconduct. On the field, including the practice areas and the bench and dugout, each team is limited only to eligible players in uniform and coaches, athletic trainers and managers, all of whom shall be in appropriate team colors.

**Logo Policy**

Per Bylaw 12.5.3, an institution’s official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer’s or distributor’s normal trademark, not to exceed 2
1/4-square inches in area, including any additional material (e.g., patch) surrounding the normal trademark or logo.

In addition, an institution’s official uniform cannot bear a design element similar to the manufacturer’s that is in addition to another logo or that is contrary to the size restrictions.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2 1/4-square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity, other than the student-athlete’s institution.

These restrictions apply to all apparel worn by student-athletes during the conduct of competition, which includes any practices and pregame or postgame activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.
