

## MEMORANDUM

Aug. 25, 2017

TO: NCAA Division II Conference Commissioners, Directors of Athletics, Senior Woman Administrators and Head Coaches of Conferences and Institutions that Sponsor Men's and Women's Swimming and Diving.

FROM: Marie Scovron  
Assistant Director, Championships and Alliances.

SUBJECT: Diving Results Reporting Process and Championships Entries for the 2017-18 Season.

**Swimming coaches, please pass this information on to your diving coaches.**

The NCAA Division II Men's and Women's Swimming and Diving Committee is providing this memorandum to outline for diving coaches information specific to submission of regular-season qualifying diving results and championships entries for the 2017-18 season.

The results reporting process for diving during the 2017-18 season will be as follows: Each diving coach will be required to complete and email the official qualifying diving results form along with dive sheets within 72 hours after conclusion of each diving competition to Kerstin Hunter, NCAA assistant coordinator, at [khunter@ncaa.org](mailto:khunter@ncaa.org). The official diving results form may be accessed on the Division II swimming and diving page of the [NCAA website](#). **All qualifying scores must be submitted throughout the season. Additionally, coaches must verify all calculations on handwritten dive sheets before submitting them to the NCAA. Dive sheets containing calculation errors will not be included in the top diving report used for championship selections.** On review of the diving results form and corresponding dive sheets, Ms. Hunter will acknowledge receipt by return email.

To participate in the qualifying meet and the national championships on one-meter and/or three-meter boards, a diver must have achieved the minimum point total along with the established minimum degrees of difficulty in the prescribed format within the qualifying period in bona fide competition, per the 2017-18 qualifying standards. The acceptable methods for qualifying are limited to the 11-dive and 6-optional-dive formats for both boards. In addition, there is a minimum degree of difficulty on the 6 optional dives for each board and each gender. This requirement applies to both 11- and 6-optional-dive formats.

Fines/Penalties. Failure to follow the roster and/or the meet results reporting procedures could jeopardize a team's or individual's eligibility for championships selection. Institutions that do not adhere to the procedures outlined above for the submission of an institution's roster information and/or regular-season results may be assessed a financial penalty of \$200 per team/individual, up to a maximum penalty of \$600. An institution assessed such a financial penalty must make payment to the NCAA national office before the institution's team or individual(s) will be allowed to compete in the national championships.

Diving Qualifying Meet. To advance to the national championships, a diver must participate in the qualifying meet, which will be conducted Tuesday, March 13, 2018, at the Greensboro Aquatic Center in Greensboro, North Carolina, the day before the start of the national championships.

The [www.divemeets.com](http://www.divemeets.com) diving management system will again be used for the prequalification and championships meets. Each qualifying diver must register online with divemeets.com by the entry deadline which is 11:59 pm, Eastern time, Monday, Feb. 26, 2018. More information will be posted on the [NCAA Division II swimming and diving web page](#) in January regarding the DiveMeets registration process.

Please contact a member of the Division II swimming and diving committee or Marie Scovron, NCAA Division II swimming and diving championships manager, if you have any questions.
