Note 1: The championship-11 dive point standard may be achieved in a nonchampionships meet that includes two, one-meter events (see Rule 6-1-2-a) if the diver’s total award for both one-meter events equals or exceeds the point standard.

Note 2: A complete swimming and diving team roster file, including team ID code and appropriate grade levels for each student-athlete, must be exported and emailed to ncaa@usaswimming.org using Hy-Tek Team Manager at the beginning of the season.

Note 3: A diver must have achieved the minimum point total within the qualifying period in bona fide competition (refer to page 104 of the 2015-16 and 2016-17 NCAA Men’s and Women’s Swimming and Diving Rules book for a definition of bona fide competition).

Please take the following steps when one of your divers achieves one of the qualifying scores listed above:
Each qualifying score must be submitted to Kerstin Hunter at the NCAA national office via the official diving results form along with dive sheets within 72 hours after conclusion of each diving competition. On review of the diving results form and corresponding dive sheets, Ms. Hunter will acknowledge receipt by return email.

Ms. Hunter’s contact information:
Email: khunter@ncaa.org
Phone: 317-917-6645

1. Submit all qualifying scores for every qualifying method that a diver achieves.

2. Check the list of national qualifiers which are updated each week by Wednesday afternoon. This list is available on the ncaa.org under the Links and Resources heading at:

Please contact Ms. Hunter immediately if you notice any discrepancies.

3. The www.divemeets.com diving management system must be used by the head diving coach to complete the entry process for divers for the pre-qualification and championships meets. Each qualifying diver must register online with www.divemeets.com by 11:59 p.m., Eastern time, Monday, Feb. 20. No telephone, fax or late entries will be accepted. See additional information regarding www.divemeets.com at the end of this document.

Diving Pre-Qualifying Meet

In order to advance to the national championships, a diver must participate in a qualifying meet, which will be conducted at the Birmingham CrossPlex in Birmingham, Alabama, Tuesday, March 7, the day before the start of the national championships.

1. Divers who achieve the national qualifying standard on one board may compete on both boards in the qualifying meet. Divers must be registered with www.divemeets.com and submit dive sheets for both boards. Dive sheets must meet the same minimum degree of difficulty requirements of the qualifying standards.

2. Six optional dives will be performed by each diver in the event(s) in which the student-athlete participates.

3. A maximum of 18 divers will be selected for the men’s championships and a maximum of 22 divers will be selected for the women’s championships (see a detailed example at the end of this document).
Step 1: The top nine male and top 11 female divers on each of the two boards will automatically qualify for the national meet.

Step 2: If there are divers who qualify on both boards, then additional divers will be added, one at a time, based on the prequalification meet place finish, alternating boards, beginning with 1-meter until a total of 18 male and 22 female positions are filled.

In the rare instance of a tie for the last entry to the championships, all individuals tied for the last entry will be allowed to participate in the championships.

Step 3: All of the diving qualifiers will compete on both boards at the national meet provided they successfully complete the pre-qualifying rounds on both boards. If a diver does not enter, scratches or is disqualified from one of the boards during the pre-qualifying round, he or she will advance only on the qualifying board.

4. The qualifying meet is not considered a part of the national championships; therefore, per diem and transportation will not be paid to participants who do not advance to the national championships. Institutions will be responsible for paying student-athletes’ transportation costs and per diem to the diving qualifying meet for those student-athletes who do not qualify for the championships.

5. The tentative pre-qualifying meet schedule for Tuesday, March 7, is as follows:

- 7 a.m. Boards open for general warm-up.
- 9 a.m. Boards restricted to men on 3-meter boards and women on 1-meter boards.
- 10 a.m. Competition begins with men’s 3-meter and women’s 1-meter running concurrently.
- Noon Boards open for general warm-up at conclusion of morning session.
- 2 p.m. Competition resumes with men’s 1-meter and women’s 3-meter running concurrently.

6. Diving practice times will be available the afternoon Sunday, March 5, and during the day and evening of Monday, March 6. Specific warm-up times will be listed in the participant manual, which will be posted in late February on www.ncaa.org.

Diving Coaches Meeting

All diving coaches are required to attend a meeting at 7 p.m. Central time, Monday, March 6. The meeting will take place at the Birmingham CrossPlex. Please reference the participant manual in late February for hotel location, directions and parking information. Any changes to pre-qualifying meet diving sheets are due by the end of this meeting. The agenda for this meeting is as follows:
• Sign diving sheets and determine final number of participants.
• Diving sheets, entries and meet format.
• Timeline of events – approximate times for the beginning and end of each event, and warm-ups between events, subject to change based on length of competition.
• General questions and rules discussion – any concerns before the coaches meeting should be submitted to Bret Beecher, NCAA Division II championships diving meet referee.
• Equipment and personnel.
• Judging assignments.
• Final call for adjustments to diving sheets.
• After the meeting, there will be open discussion regarding potential revisions to future qualification standards.

NOTE: The 2017 Men’s and Women’s Swimming and Diving Championships will be part of the 2017 NCAA Division II National Championships Festival. Institutions that would like to have their non-advancing diving prequalification participants attend the festival opening and closing ceremonies may do so by confirming their student-athletes attendance by the end of the diving coaches meeting Monday, March 6.

National Championships Diving Entries

1. Each competitor is required to submit online at www.divemeets.com their official dive sheets for the pre-qualification meet, and the championships prelims and finals by the scratch deadline on the day before each diving event. Dive sheets for the Wednesday diving event must be submitted within one hour after the completion of the pre-qualifying competition.

2. This list of dives must be signed by the competitor and the coach, and shall include the international dive numbers and position letters, a written description of the dives, the positions, and the degrees of difficulty. Each competitor shall be responsible for the accuracy of these areas, although an error in degree of difficulty will not be the basis for a failed dive.

3. Additional information on diving may be found in Rules 6-2 and 6-3 in the 2015-16 and 2016-17 NCAA Men’s and Women’s Swimming and Diving Rules book.

National Championships Diving Trials

1. One-meter (men and women): Six optional dives, including one from each of the five groups, in any order, without limit on degree of difficulty, followed by five voluntary dives, including one from each of five groups, in any order, with total degree of difficulty not to exceed 9.0.

2. Three-meter (men and women): Six optional dives, including one from each of the five groups, in any order, without limit on degree of difficulty, followed by five voluntary dives,
including one from each of five groups, in any order, with total degree of difficulty not to exceed 9.5.

3. Prelims Schedule:  
   Wednesday, March 9 – Men’s 3M, 2 p.m.  
   Thursday, March 10 – Women’s 1M, 2 p.m.  
   Friday, March 11 – Men’s 1M, 2 p.m.  
   Saturday, March 12 – Women’s 3M, 2 p.m.

Note: All times are Central.

National Championships Diving Finals

1. Scores on all dives performed by each diver in the trials shall be used to determine placing at the conclusion of the trials, with the top eight divers advancing to the evening finals.

2. The eight finalists will start with their voluntary score from the trials and then perform their optional dives during the evening finals session which begins with swimming at 6 p.m. Central time each evening.

Follow these easy steps to register for 2017 NCAA Division II
Men’s and Women’s Swimming and Diving Championships:

1. Before giving this information to your team members, every coach participating in this
competition must register at www.divemeets.com. You will receive an email with your
ID and password. For “organization” choose NCAA. If you do not find your organization
listed, please send an email to support@meetcontrol.com with the following information:
Team Website, Team Name, Team Address, Team City, Team State, Team Zip / Postal,
Team Email, Team Phone, Team Code / Abbreviation, Team Point of Contact, Team
Fax, and Team Affiliation and they will update the database. You will not be able to
register if you do not follow this process. **If a coach has already registered in the
past, he/she does not have to register again.**

2. After you register, you can tell your divers to go to www.divemeets.com to sign up and
then register for the **2017 NCAA Division II Men’s and Women’s Swimming and
Diving Championships**. They also will receive an email with their ID and password. **If a
diver has already registered in the past they don’t have to register again, but they
must update their account to reflect they belong to the NCAA and choose their
respective team. If they forgot the ID and Password, they can click on Login, and
Forgot your password or DiveMeets ID.**

3. Divers will be prompted to the meet information where they will be able to click on the
events they are registering for and fill out dive sheets for each event. The program will
make sure each dive sheet will be sent correctly. Coaches or divers can make changes to a
dive sheet any time after registered and up to the meet registration closes online. Just log
in and click on **View/Edit Dive Sheets** under the meet title.

**Note:** If coaches decide to register their divers for the meet, they will be able to do so after
the divers have signed-up with www.divemeets.com and have a divemeets ID. Then, a coach
logs in and can click on the **2017 NCAA Division II Men’s and Women’s Swimming and
Diving Championships** link. On that page coaches will find a drop-down box with the divers of
their team. You will choose the diver you want to register for the meet, fill out the dive sheet and
follow the prompts. You will have to do this process for every diver.

The next page is a good guide explaining the process of how to register for the meet. If you
need any help please email support@meetcontrol.com.
