Title: AWARDS AND BENEFITS -- EXPENSES PROVIDED BY THE INSTITUTION FOR PRACTICE AND COMPETITION -- EXCEPTION -- PRACTICE PARTNER AT THE NCAA DIVISION II WRESTLING CHAMPIONSHIP

Convention Year: 2018

Effective Date: Immediate

Proposal Number: NC-2018-2

Source: NCAA Division II Management Council (Legislation Committee).

Category: Noncontroversial

Topical Area: Awards and Benefits

Status: Ready for Consideration by Management Council

Intent: In wrestling, to specify that an institution may provide actual and necessary expenses to an eligible student-athlete who was not selected for the NCAA Division II Wrestling Championship to serve as a practice partner for a student-athlete who was selected for championship participation.

Bylaws: Amend 16.8.1, as follows:

16.8.1 Permissible. An institution, conference or the NCAA may provide actual and necessary expenses to a student-athlete to represent the institution in practice and competition (including expenses for activities/travel that are incidental to practice or competition). In order to receive competition-related expenses, the student-athlete must be eligible for competition. [D]

16.8.1.1 Exception -- Practice Partner at the NCAA Division II Wrestling Championship. In wrestling, an institution may provide actual and necessary expenses to an eligible student-athlete not selected for the NCAA Division II Wrestling Championship, to serve as a practice partner for a student-athlete who was selected for championship participation.

[16.8.1.1 through 16.8.1.2 renumbered as 16.8.1.2 through 16.8.1.3, unchanged.]

Additional Information:

Current legislation permits an institution to provide actual and necessary expenses to a student-athlete for competition, provided the student-athlete is eligible for competition. If a wrestling student-athlete is not selected for participation in the championship, the institution cannot provide expenses for the student-athlete to attend the event and serve as a practice partner for a teammate who was selected. This change will enhance student-athlete well-being by allowing the selected student-athlete to continue practicing with a teammate with whom he has practiced throughout the academic year on-site in preparation for the championship.
