UK Athletics
UK Outdoor Track & Field Complex

The University of Kentucky Outdoor Track and Field Complex opened in the fall of 2012. The thirteen (13) million dollar facility provides our program with a state-of-the-art training and competition venue.

The complex is equipped with grandstand seating for nearly 3,000 spectators, along with standing room around the entire track. Concessions and restrooms are located behind the main grandstand. Along with the large video board in the north-east corner, there is a stats board on the west-end of the track to assist with following performances throughout the meet. The full complement of LED lighting around the competition venue makes our facility one of the more beautiful places to be in Lexington, on a Saturday evening.

The facility is outfitted with a world class, nine-lane, 400 meters, Beynon BSS 2000 blue polyurethane track. The width of each lane is approximately 48”. The primary finish line is located in the south-east corner of the facility. The horizontal jumps and pole vault areas feature double runways with a maximum of 170’ for the long jump, 143’ for the triple jump and 150’ for the pole vault. For throwing events, the Outdoor Complex offers seven (7) shot put rings, three (3) discus rings, two (2) javelin runways and one (1) hammer cage. For warm-ups, there is an eight (8) lane, 60 meter track surface in the north-west corner of the facility.

The Outdoor Track & Field Complex most recently hosted the SEC Outdoor Track & Field Championships in 2014.

Athlete Check-In: Eight (8) lane, sixty (60) meter track for final preparations.

Nutter Field House: 291 meter indoor track available roughly a quarter-mile away from Tent City.

Due to safety concerns, no individuals under the age of 18 (unless they are competing student-athletes) will be allowed in any competition, practice or warm-up area, inclusive of the team camp area.

Weight Room: Weight room hours will be available throughout the week. Please see Appendix-I for more information.

MERCHANDISE AND CONCESSIONS

Merchandise and concessions will be available throughout competition. NCAA merchandise will be located on the main concourse. The main concessions stand is located behind the grandstand. Additional vendors will be located on the main concourse.

PROTESTS

See Rule 4-1.15, Page 60, of the 2017-2018 NCAA Track and Field Rules Book. The protest table will be located at the main storage building, in the northeast corner of the complex. There is a $50 protest fee (cash or check made out to University of Kentucky Athletics Department) due at the time of the protest. The $50 will be reimbursed should the ruling be overturned. Please note all protests must be filed within 15 minutes of the posting of final results.

RESULTS / HEAT SHEETS

Heat sheets and results will be posted next to the protest table, behind the grandstand, available upon request at the press box, and will also be available online at www.ncaa.com. Copies of heat sheets and results will be available for coaches to pick-up at the press box each morning.

RULES

The NCAA Division I Men’s and Women’s Outdoor Track and Field Preliminary Championships will be conducted according to 2017-2018 NCAA Outdoor Track and Field Rules.

SPIKES

A maximum of 7mm spike length may be used for all events (pyramids and Christmas tree spikes are acceptable for running events) with the exception of the high jump and javelin. Participants in the high jump and javelin may use spikes up to 9mm in length.

TENTS / TEAM AREAS

The team camp/tent area will be located on the practice football fields next to Cliff Hagan baseball stadium. We ask that all setups are confined within this area. Any team interested in renting a tent should contact Nate Niespodziany (Bryant’s Rent All) at 859-252-0408 (more information regarding the rental is available on page 29, Appendix H).

Due to safety concerns, no individuals under the age of 18 (unless they are competing student-athletes) will be allowed in any competition, practice or warm-up area, inclusive of the team camp area.
Tickets
All-Session tickets for the East Preliminary Round will go on sale beginning Monday, April 10th at 9am ET. Tickets may be purchased online at UKathletics.com/ncaatickets or by contacting the UK Ticket Office at 859-257-1818 (office hours are Monday – Friday, 9am-4pm). Single-session tickets will go on sale beginning Monday, May 15th at 9am ET. All seating at the UK Outdoor Track & Field Complex is general admission.

On meet days, single-session tickets will be available for purchase at the main entrance to the UK Outdoor Track & Field Complex beginning 1 hour prior to the first event each day. The ticket sales and will call windows will be located to the left of the main entrance.

All seating at the UK Outdoor Track & Field Complex is general admission.

The following methods of payment are accepted: CASH or CREDIT CARD (Visa, MasterCard, American Express & Discover).

Team Pass Lists
In order to better accommodate institutions with larger pass lists, a process was implemented in 2016 for teams that request 25 or more tickets on any one day. Those teams that request 25 or more tickets on any one day will be required to staff an institutional ticketing table (much like team sports) for a 2-hour period each day of competition. For example, if an institution requests 18 tickets on Day One, 22 tickets on Day Two and 28 tickets on Day Three, they will be required to provide staffing at the ticketing table for all three days during the outlined 2-hour window noted below. This will provide a contact from the institution to answer any questions immediately and will reduce the amount of time all individuals on the pass lists will need to wait in line. These teams will be set up adjacent to ticket windows at the entrance to the UK Outdoor Track & Field Complex at the Team Will Call location. The idea is that this will provide a more fluid and efficient process for those larger schools that have heavy pass list requests, thus allowing fans to more quickly enter the venue. The block of time that each of these institutions will be required to provide staffing at a ticketing table is as follows:

- Thursday, May 25 from 4:00 pm – 6:00 pm ET
- Friday, May 26 from 4:00 pm – 6:00 pm ET
- Saturday, May 27 from 5:00 pm – 7:00 pm ET

Teams with less than 25 ticket requests on all days will NOT need to provide any staffing for pass list ticket pickup. Those teams will still be able to send their pass list holders to the Team Will Call location adjacent to the ticket windows at the entrance to the UK Outdoor Track & Field Complex.

To receive the 2017 NCAA Track & Field East Preliminary Round Pass List to fill out for your institution, please contact Emily Dent at emily.dent@uky.edu or 859-257-8694. This will be the only format that will be accepted for this meet. The UK Ticket Office must also receive a financial responsibility form with proper credit card or payment information prior to the meet. This form will be sent when the pass list form is requested.

TIE-BREAKING PROCEDURES
Refer to the NCAA Division I Men’s and Women’s Outdoor Track and Field Technical Manual.

INCLEMENT WEATHER PROCEDURES
In the event of inclement weather or a disaster of any kind, as it is determined by NCAA Championship Officials, Host Meet Management Officials and/or University Police Department personnel, the following plan has been established to evacuate the venue:

- All student-athletes/coaches/trainers from the competing institutions will be evacuated to the Shively Sports Center and Nutter Training Center facilities. Potential overflow will be designated to the Boone Tennis Center and Nutter Field House.
- All meet and championship officials will be directed to take shelter in the nearest buildings around the track facility (press box, equipment building, throws building and baseball hitting pavilion).
- All spectators, guests and media will be directed back to their vehicles or the Johnson Center (campus rec building) adjacent to the outdoor track.

Following NCAA protocol, we will be using an online lightning detection and weather monitoring system. Once lightning enters the 30-mile radius of competition, we will begin preparations to protect the student-athletes and spectators. At this point, we’ll operate on a 15-10-8 notification scale:
- At 15 miles, we’ll notify meet management, officials and coaches of the impending weather.
• At 10 miles, we’ll notify all guests and spectators of the impending weather and reiterate the ticket policy.
• At 8 miles, we’ll evacuate the entire complex and keep in touch with the entire group via PA system and phone/text/email.
