Welcome to Albuquerque and the Championship Course on the beautiful campus of the University of New Mexico for the 2017 NCAA Division I Women's Golf Albuquerque Regional. University of New Mexico Athletics is thrilled to be hosting this prestigious event on one of the top golf courses in the United States. We hope you and your team will find this information helpful in planning your trip to Albuquerque to compete.

Our goal is to provide a great environment for your student-athletes, coaches and fans. If you have any questions or issues before or during your stay, please contact our Tournament Director, Mike Haggerty at (505) 249-6119 or haggerty@unm.edu

Best of luck to you and enjoy your competition at The Championship Course at UNM and the University of New Mexico.

Sincerely,

Paul Krebs
Vice President, Athletics

SCHEDULE OF EVENTS (continued)

Coaches' Administrative/Rules Meeting
The games committee will conduct a pre-tournament meeting for coaches only to review tournament procedures, local rules and items of importance to intercollegiate golf. For the regional championships, it is mandatory and a $200 fine will be assessed to the university if the head coach is not present at this meeting. The pre-tournament administrative meeting will be held Sunday, May 7 at 4 p.m. at The Pavilion located at The Championship Golf Course at UNM.

Registration
Tournament registration will be located at the Sheraton Hotel Saturday, May 6 from 4 to 7 p.m., and Sunday, May 7 from 7 a.m. to noon at the Championship Golf Course. Championship packets will be distributed at that time.

Team folders with results, pairings and hole location sheets will be provided in the Pavilion.

Please email your Travel Party Information Form (APPENDIX B) to Michael Haggerty at haggerty@unm.edu by Noon - (Mountain Standard Time), Monday, May 1.

- Teams, players within teams and individual competitors will be re-paired based on their 36-hole cumulative scores.
CHAMPIONSHIPS FORMAT

Four, 54-hole regional competitions will be conducted to determine the participants at the national championships final site. Eighteen teams and six individuals, not on those teams, will compete at each regional site. The low six teams and the low three individuals, not on those teams, will advance to the finals at Rich Harvest Farms in Sugar Grove, Illinois (Northern Illinois University, host), May 19-24, 2017. Tiebreakers and playoffs will be used to determine advancement if needed to the finals (APPENDIX E).

CHAMPIONSHIPS OPERATIONS

Designated Coaches
The NCAA permits up to two designated coaches per institution per round to provide advice during NCAA championships competition. Institutions are required to designate their coaches on the designated coaching form in advance and coaches must be approved by the director of athletics on the form provided by the NCAA. Before the day's play, the designated coaches must be identified to the games committee by signing in at the first assigned tee and wearing the appropriate wristband (designated coach credential) at all times.

Designated coaches must be individuals designated by the institution, in accordance with Bylaw 11.7.1.1 (designation of coaching category), as a head coach or assistant coach under Bylaw 11.01.2 (coach, head or assistant), a student assistant coach under Bylaw 11.01.4 (student assistant coach) or volunteer coach under Bylaw 11.01.5(volunteer coach).

A current, eligible student-athlete not participating in the tournament (i.e., sixth person) cannot be designated as the second coach.

Furthermore, it is important to note that only an institutional coach who is credentialed may participate in coaching activities during a practice round or at the designated practice areas.

Golf Carts
Golf carts will be provided for members of the games committee and selected tournament officials. One cart may be used by each competing institution as long as the use of carts does not negatively impact the course or student-athlete experience. Only a credentialed institutional representative (a non-athlete) may drive or ride in the assigned golf cart for that institution during a tournament round. It is important to note that any institutional representatives who are credentialed and ride in the team's assigned cart, but are not a designated coach are not able to provide advice or participate in any coaching-related activities during a stipulated round of competition with competing players. Both designated coaches may ride in the institution's cart at the same time. Only two people may ride in the cart at one time.

Participants may not use caddies, golf carts or motorized pull carts during the championship rounds. The only exception to this policy would be if the participant is permanently disabled. A written request must be submitted to the appropriate games committee with the accompanying medical statements requesting the use of a cart. Please confirm with the NCAA national office as there may be exceptions on file for the duration of a student-athlete's career.
Pull Carts
The Championship Golf Course has a limited number of pull carts available on a first-come first-served basis for use during the regional. If you are shipping pull carts to the course, please use the address on Page No. 1 of this manual. Please have a label for your return shipments.

Equipment
The type of equipment (i.e., balls, clubs) to be used by teams and individuals must be acceptable under the Rules of Golf. The one-ball rule (brand) will not be in effect. Golf bags must have the name or logo of the school on them. Players and coaches will be required to use only soft-spike shoes during the regional and championships competition. This includes all practice rounds. The penalty for breach of this condition is disqualification (in case of a breach by a player) or considered misconduct (in case of a breach by a coach).

Electronic communication devices may be used by coaches in a private manner provided that such use does not breach Rule 8-1 (Advice) or disrupt practice or play. Violations will be considered misconduct. Ringers on electronic devices must be turned off.

Distance-measuring devices are allowed by players and coaches under Rule 14.3 during practice and competition as long as they conform to USGA specifications.

Officials
Representatives of the NCAA Division I Women's Golf Committee present at the various championships along with specified rules officials will make all decisions pertaining to the conduct of the championships, such as pairings, setting up the course, etc. (The specified rules officials will make all decisions pertaining to the Rules of Golf.)

In addition to the Division I Women's Golf Committee members in attendance at each site, volunteer officials will serve as members of the rules committee.

The women's golf committee has also made arrangements for Golfstat to provide the computerized scoring system for the women's championships.

Lineups and Substitutes
The head coach (or designee) must submit their respective institution's lineup of their five contestants according to playing position by 6 p.m. (Mountain Standard Time) on the day prior to the first practice round (Appendix C). Lineups must be submitted to the regional tournament director Michael Haggerty via email at haggerty@unm.edu prior to the Saturday, May 6, 6 p.m. (Mountain Standard Time) deadline. Institutions failing to meet the submission deadline will be subject to a $200 fine for failure to adhere to championships policies and procedures. No lineup changes will be allowed after the 6 p.m. (Mountain Standard Time) deadline, without the approval of the games committee. The substitute will assume the position of the replaced player.
**Rules**

Per NCAA Bylaw 17, member institutions shall conduct all of their intercollegiate competition in accordance with the playing rules of the Association in all sports for which the NCAA develops playing rules. For those sports in which the Association follows rules that are developed by other governing bodies (i.e., USGA) and modified by the governing sports committee, the adopted playing rules shall be used. The governing sports committee will not consider any results for selection purposes that are not played in accordance with NCAA rules, or the rules adopted by an outside organization.

The Division I Women's Golf Championships shall be conducted according to the Rules of Golf and any local rules and conditions of competition implemented by the committee in charge of the competition as listed below. Decisions regarding the Rules of Golf shall be final.

The following rules apply to both regular-season and championship competition.

1. **Advice.** In addition to the provisions of Rule 8-1, the note under Rule 8 of the Rules of Golf will be in effect. (Electronic communication, notes, tees and/or any other items left behind by teammates and/or coaches for the purposes of giving advice are prohibited.)

   - Two designated coaches may be appointed to give advice to members of their team at any time. A designated coach is defined as a member of the institution's coaching staff or an employee of the institution.
   - Two designated coaches per institution may be appointed to give advice to qualifying individuals not on a participating team.
   - Before the day's play, the designated coaches must be identified to the games committee by signing in at the first assigned tee and wearing the appropriate wristband (designated coach credential) at all times.
   - Coaches are not caddies and are only granted the ability to give advice to players per the Rules of Golf definition of advice.
   - The advice is given in a private manner that does not disrupt play.
   - The coach does not give advice to or ask for advice from another team's player or coaches.

2. **Misconduct.** In addition to the following policies, coaches, administrators and student-athletes should understand the misconduct policies described in the 2016-17 Pre-Championship's Manual. Unsporting conduct—a player (coach—if coach violation) will be notified immediately on the golf course and provided a warning for unsporting conduct (e.g., willful acts of defacing the golf course, misuse of electronic devices including MP3 players, iPods and cellular phones etc., club throwing or breaking, abusive language, or violation of the tobacco policy).

   - Second occurrence in the same day—the player (coach—if coach violation) will be disqualified for that round.
   - Third occurrence in the championship—will result in disqualification from the championship.
   - The NCAA committee is responsible for assessing the penalty.

The Rules of Golf shall be followed along with any local rules the games committee deems necessary. Members of the respective NCAA golf committees and rules officials will be available for interpretations of the rules and other decisions governing the competition.
Pairings/Tee Times
Both 1st and 10th tees will be used for the entire competition. However, the committee reserves the right to use only the first tee or mini-waves if necessary. Tee times will not be altered to accommodate travel schedules.

After all of the teams and individuals have been selected, the Division I Women’s Golf Committee will assign pairings and tee times for the practice round and the first competition round based on seed for each regional site. For the second round of competition, teams and player's positions within their teams will be re-paired based on first-round scores. For the third round, teams and player's positions within their teams will be re-paired according to their 36-hole cumulative scores.

Individual players participating at the regional sites will be re-paired after each day of competition based on their cumulative scores after 18 holes and 36 holes respectively. Pairings and tee times will be announced after selections.

Practice Facilities
Coaches and student-athletes will not be allowed to walk the course before the first day of the official practice round. However, the driving range and practice greens may be used on the day before the first practice round. The driving range will be open for teams Saturday, May 6, 2017 from 3 to 8 p.m. The practice facilities will be open at 6:15 a.m. for all rounds of competition including the practice round and are scheduled to close at 6 p.m. Range balls will be provided at no cost.

Practice Round
In an effort to maintain the condition of the course and speed of play at the practice round of the regional tournament, a player may hit multiple shots as long as each hole is completed in 15 minutes and only one ball lands on the green. No more than two tee shots will be allowed per player, per par-3 hole. Each hole must be completed within 15 minutes. Players may hit multiple chips and putts using two balls within 10 yards of the green as long as they stay within the 15-minute time limit. Violations of the policy may result in the player and/or team being moved into their appropriate position based on the pace-of-play model. Groups of five are permissible during the practice rounds. Groups of six are not allowed and coaches are not allowed to play during the practice round, which includes chipping and putting on the course. One 18-hole practice round will be scheduled before the regional tournament.

Head coaches or designated official institutional representatives will be required to be with their teams and individuals during the entire practice and tournament rounds. Coaches will be provided pace-of-play guidelines and be responsible for adherence to said guidelines and any misconduct. During the practice round, course administration and rules officials will monitor pace of play and if a team/individual is out of position they will need to pick up their ball and move to the appropriate position defined by pace-of-play procedures.

Practice facilities will be available to participating student-athletes only during the championships and those competing will be advised of the dates and times when the facilities will be available. Teams or individuals entered in the championships will not be allowed to play at the site of the regional tournaments 10 days prior to the first practice round. If individuals or teams do practice on the regional course within the noted 10-day window, they will be subject to disqualification by the games committee from participation in the championships. The host institution's team shall be exempt from this policy up to the day prior to the first practice round.
With respect to course access during the regular season specific to the finals site the following policy applies: Student-athletes and coaches are prohibited from playing or practicing at the championship finals course beginning August 1 of the championship academic year other than those student-athletes and coaches who are members of the course or who are competing in sanctioned events of the state's amateur or professional golf associations, the USGA, LPGA and PGA. Violations of this policy may result in sanctions listed under NCAA misconduct provisions or disqualification for a team or an individual(s), with no substitution permitted. The host institution will be prohibited from playing or practicing on the championship finals course beginning 10 days prior to the women's championship.

Furthermore, for competition venues that have multiple golf courses on site, no play is permitted by members of an institution's NCAA official travel party beginning the day prior to the first practice round.

Coaches and athletes will not be allowed to walk the course prior to the first day of the official practice round. However, the driving range and practice greens may be used by the competing institutions' designated participating student-athletes between 3 and 8 p.m. Saturday, May 6, 2017. Coaches may have access to the course throughout the day of the championships practice round. Additionally, coaches may walk the course prior to or following their team's rounds of competition during the championships.

The practice round will be conducted as follows:
2. The committee will assign the times. Teams may not start a practice round other than during its designated time or position. Teams are not required to play practice rounds.
3. For regional competition only, the driving range and putting green may be used before the official practice round only by the designated participating student-athletes if the host institution can have the facilities available.
4. Weather and outside circumstances could have an impact on facility availability.
5. Student-athletes are not allowed on the course prior to or after their practice round.

(Note 1: For both the regional and finals, when coaches and student-athletes return to the course after each competition round to watch play they become spectators at this point and shall follow all spectator rules, including no carts on the course. Additionally, coaches and/or student-athletes may not go onto the putting greens or within 20 feet of the putting greens. Coaches that are found to be in violation of this policy will not be permitted to coach the following day and the number of permissible coaches for that team the following day will be reduced by the number of offending coaches.)

NOTE 2 – Regional/Final sites: Per NCAA Bylaw 31.1.4.1, the Division I Women's Golf Committee will adjust accordingly the competition event schedule along with the pairings and tee times in order to accommodate a team/individual(s) representing a school that has a written policy against competition on a particular day for religious reasons.

Scoring
Scorecards for the women's championship shall be kept in strict accordance with Rule 6-6 of the USGA's 'Scoring the Stroke Play'. The scorecard has been returned when the player submits her card to an official and leaves the designated scoring area. Note: Student-athletes may consult with designated coaches without undue delay until they submit their scorecard. Coaches are not allowed in the scoring tent.

A daily team score is computed by totaling the lowest scores of four of the five team members. The final team score is determined by totaling each daily score.
Adjusted Place Standings
If a student-athlete is found to be ineligible, that individual's performance shall be stricken from the championships record, the score the student-athlete has contributed to the team's total shall be deleted, the team standings shall be adjusted accordingly and any awards involved shall be returned to the Association.

Squad Size
An institution may not compete with more than five contestants. Transportation expenses and per diem will be provided for a maximum of five participants per team and all individual qualifiers in the women's championships. Transportation and per diem may be claimed for three non-athletes (coaches, trainers, etc.) for each full team represented. Institutions represented by individuals will be reimbursed for one non-athlete. Transportation expenses and per diem shall be paid only for the finals competition and not for regional qualifying tournaments.

Stoppage of Play
The games committee will do everything possible to complete 54 holes by Wednesday, May 10. The NCAA representatives along with the games committee will have the option of modifying pairings for the weather which may include making a cut to the field. In the event of unplayable weather or course conditions, the NCAA representatives shall determine whether a round will be cancelled or subsequently continued. Refer to USGA Rule 33-2-d.

If 54 holes cannot be completed, the committee will advance teams and individuals by the following:

1. 36-hole scores
2. 18-hole scores
3. Original seeding of teams used for selection to the championships

Play will not extend beyond Wednesday, May 10, 2017.

Uniforms and Logo Policy
Student-athletes must wear uniforms of the same color during practice and competition. In the best interest of intercollegiate golf and the championships, participants must wear appropriate golf attire at all times at the championships site. The inseam of the shorts must be at least four inches and denim is not considered appropriate attire.

A student-athlete may use athletics equipment or wear athletics apparel that bears the trademark or logo of an athletics equipment or apparel manufacturer or distributor in athletics competition, provided that in the case of:

a. Athletics equipment (e.g., shoes, golf gloves, towels, rain caps, rainsuits, backpacks, sling bags and umbrellas): The item bears only the manufacturer's normal label or trademark, as it is used on all such items for sale to the general public; and,
b. An institution's official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, belt buckles, and visors or hats) that are worn or used by student-athletes in competition shall bear a single manufacturer's or distributor's normal trademark, not to exceed 2¼ square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, parallelogram) including any additional material (e.g., patch) surrounding the normal trademark or logo.

In addition, an institution's official uniform cannot bear a design element similar to the manufacturer's that is in addition to another logo or that is contrary to the size restrictions.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2¼ square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity, other than the student-athlete's institution.

In Division I and National Collegiate Championships, these restrictions apply to all apparel worn by student-athletes and all personnel, including coaches, trainers, managers, team support personnel, cheerleaders, mascots and band and dance team members, during the conduct of the practice and competition, which includes any pre-competition or post-competition activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.

**Ties**
For the Division I women’s championships, playoffs (time and weather permitting) will be used for breaking ties for advancement to the finals. Warm-up time will be determined by the Head Regional Rules Official. If a playoff is not possible, the tie breaking procedures outlined in ([APPENDIX E](#)) will be used.
Since it was officially opened in 1967, The Championship Golf Course has been one of the finest facilities of its kind nationwide. In 1988 Golf Digest recognized it as one of the Top 25 public golf courses in the country and in 1991 Golfweek rated The Championship Course the #1 course to play in New Mexico. Holding strong in the rankings seven year later, in 1998 Golfweek tabbed The Championship Course as the #2 collegiate golf facility in the West, second only to the Stanford University Golf Course in Palo Alto, CA. The Championship Course has a rich history of hosting major collegiate golf tournaments including the Men's Division I NCAA Golf Championships in 1976, 1992 and 1998. It was also the site of the Division I Women's NCAA Golf Championships in 1987 and 2008 and most recently the site for the 2016 Men's NCAA West Regional.

In 1979, The Championship Course and UNM hosted the inaugural Dick McGuire Intercollegiate. Held annually for the past 37 years, the Dick McGuire is a premier women's collegiate golf tournament hosting many of the top ranked teams in the country from year to year.
Like most elite layouts, The Championship Course flashes a personality all its own. The extensive 7,562 yard, par 72, layout features well-manicured bent and poa annua greens with plush blue grass and rye fairways that cut through the desert layout of rolling hills and valleys. Trouble waits just off of the fairways and greens with stray shots often landing in tall rough, loose desert sand, water or sagebrush. At 5,300 feet above sea level, The Championship Course enjoys a paradise-like climate native to Albuquerque making it the perfect oasis for golf year around.

Come visit the University of New Mexico and experience The Championship Golf Course.

### WHITE LINES

Prior to practice rounds, a white line will be placed on each teeing ground that the Committee intends to use during the Championship. The Championship tee markers will not ever be placed behind this line.

Generally, the Committee will place tee markers two – 10 yards in front of the white line, in an area of good turf and clean of divots; however, if/when weather conditions, and/or a challenging hole location warrants a shorter club off the tee, and the angle of the shot is not changed, the Committee may place tee markers even further forward.

If the Committee plans to play, or wishes to have the flexibility to play, from an alternate tee – and the angle to the landing area or green is different from that tee – an additional white line will be placed on that alternate tee. A practice tee shot may be played from that tee, as well.

SUSPENSION OF PLAY PROCEDURES
NCAA DIVISION I WOMEN’S GOLF CHAMPIONSHIPS

In the event of a dangerous weather situation or other conditions which dictate a suspension of play and/or the closing of practice areas at the championship site, the following procedures will be in effect.

- These procedures are in effect each day of the championship, including the practice round.
- Only the NCAA Committee (or its representatives) can declare a suspension of play and/or the closing of practice areas.
- The suspension of play will be communicated by radio to key NCAA, host club and other interested parties. Players and coaches will be notified of such suspension of play and/or the closing of practice facilities by air horn signals.
• A non-dangerous situation (e.g., darkness, golf course unplayable, etc.) will be signaled by three consecutive air horn notes, repeated. If players are between the play of two holes, they must not resume play until the Committee has ordered a resumption of play. If they have started play of a hole, they may discontinue play immediately or continue play of the hole, provided they do so without delay. If the players chose to continue play of a hole, they are permitted to discontinue play before completing it. In any case, play must be discontinued after the hole is completed.

• A dangerous situation (e.g., lightning) will be signaled by one prolonged air horn note. **Play must be discontinued immediately.**

• In case of a dangerous situation, all practice areas are closed. Players who practice on closed practice areas will be asked to cease doing so; failure to comply may result in sanctions under NCAA misconduct guidelines.

• After suspension of play has been declared and the air horns have been sounded, players must proceed to the course evacuation site designated on the Course Evacuation Map, based on their location on the course.

• Coaches and referees may transport players to evacuation sites when play is suspended. However, it is imperative that players go to the correct designated sites, so that the Committee can ensure that all players are properly evacuated. This further helps ensure a smooth restart of play.

• Only players, coaches, referees and volunteers are allowed in the carts. Spectators should proceed on foot to the clubhouse or nearest shelter.

• Players will stay at the evacuation site until notified by the Committee. Referees will be stationed at each evacuation site and will provide regular updates to the players on the status of the suspension.

• Coaches will receive regular updates on the status of the suspension in the clubhouse or in other areas designated by the Committee. If feasible, status updates may be transmitted via text message.

• Evacuation van drivers will be given instructions to return to the clubhouse by the referee on site. This is the only channel of communication for van drivers during a suspension.

• The Committee will use its best judgment in deciding whether to hold players at evacuation sites or have them return to the clubhouse.

• Once the suspension has been lifted and the Committee elects to resume play, all interested parties (players, coaches, referees, van drivers, etc.) will be notified.

• For resumption of play after prolonged suspensions of play, the Committee may (but is not required to) permit the players to have a short warm-up period using the designated practice areas.

• Referees will, if necessary, help the Committee in a roll-call to ensure all players are in position for a restart, and assist with any Rules of Golf situations related to resumption of play.

• The resumption of play will be indicated by two short air horn notes, repeated.
**Hospitality and Meals**
A breakfast buffet will be available from 5:30 to 8:30 a.m. on the practice and competition days at the Sheraton Albuquerque Airport Hotel. The cost of the breakfast is included in your room rate.

For lunch, teams will be able to pre-order boxed lunches for pick-up during their rounds including practice. Menus will be provided and teams will pre-order their lunches and pre-pay during tournament registration and/or packet pickup at the hotel on Saturday and at the course Sunday morning.

There will be four hospitality stations around the course: 1st tee, 6th green/7th tee, 10th tee and 15th green/16th tee. Water and Powerade will be provided at these stations all four days. For the competition rounds, fruit, granola bars and assorted snacks will be provided at the stations.

**Merchandise**
Teams selected to participate in NCAA championships will be given the opportunity to preorder first-round event merchandise online through the official NCAA souvenir merchandiser, Event 1, Inc. Upon selection, teams will be given the information to place orders. These team orders will be shipped directly to the institution the week after competition.

**Championships Programs**
Many NCAA championships, including the 2017 Division I Women's Golf Championships, will provide digital game programs that can be viewed online or downloaded to a consumer's mobile device free of charge. IMG College will be responsible for all digital program production including layout and design, advertising, and digital distribution channels prior to and during the championships. Digital programs will be available free of charge for downloading prior to the start of the Division I Women’s Golf Championships regionals and finals at [www.NCAA.com](http://www.NCAA.com)

**Parking**
Teams (2) and individuals (1) will have assigned parking spaces that will be designated by institution specific signage in the Championship Golf Course parking lot. Additionally, each competing institution will be assigned a golf cart that will be staged in (one of) the assigned parking spaces, an attendant will be watching this area, parking passes will be located in your packet. Officials, media, staff and course personnel will be able to park in the Championship Golf Course parking lot as well. Spectator parking is available in the Championship Golf Course parking lot.

**Restrooms**
Restrooms are available in the clubhouse. There are two restrooms located on the course: at the #5 green/#6 tee and also at the #16 green/#17 tee. Portable toilets will be located near #8 tee and #12 green.

**Spectators**
Spectators must remain on cart paths or in the rough and approximately 15 yards from the players at all times (including all designated practice areas). Carts will not be provided for spectators. There may be NO communication between players and spectators that could be deemed as advice of any nature for the duration of the 18 holes. Ringers on electronic devices must be turned off. All institutional representatives, with the exception of the designated coach(es), are considered spectators.
Spectators should adhere to all rules governing their attendance specific to use of cameras and videotaping during each day of competition.

Since all NCAA championships are considered smoke-free, spectators will be asked to refrain from smoking except in designated areas. Failure to adhere to these policies could result in removal from the course.

Violation/Penalties:

First – Warning
Second – Spectator(s) will be removed from the course for the remainder of the day
Third – Spectator(s) will be removed from course for the remainder of the competition

Accommodations for Physically Disabled Spectators
For spectators with accessibility issues, the head coach should request in writing special assistance from the tournament director, (Mike Haggerty), which should include appropriate medical documentation (e.g., physician's slip, ADA handicap card, etc.). Requests which fall under the ADA statute should be made by the head coaches no later than Monday, May 1. All requests will be reviewed with the golf committee.
An ADA shuttle will be available during all rounds of the competition providing shuttle service from the clubhouse to designated spots on the golf course.

Disabled Parents of Participating Student-Athletes
The following protocol has been established with respect to the use of golf carts for disabled spectators:

1. Requests must be made in writing no later than Monday, May 1 by contacting the tournament director, Mike Haggerty by email haggerty@unm.edu
2. Each written request along with the required supporting medical documentation (e.g., physician's slip, ADA handicap card, etc.) will be forwarded to the Division I Women's Golf Committee for approval.
3. If the committee approves the use of a cart, only a volunteer will be authorized to drive and the spectator will be charged a daily fee of $30 for use of the cart.

Tobacco Ban
The use of tobacco products by any individual on the golf course, as well as, during other championships activities such as the press conferences, socials, and post-competition interviews is prohibited. The appropriate sports committee in accordance with the misconduct provision of Bylaw 31.1.10 shall deal with the violations to this policy.
**DRUG TESTING**

Drug testing may occur at any session of the championships. Student-athletes who compete in these championships may be subjected to drug testing in accordance with Bylaws 18.4.1.5 and 31.2.3, and may be determined to be ineligible as a result thereof. Only student-athletes who have consented in writing to such testing are initially eligible for these championships; thereafter, student-athletes who are tested shall remain eligible only if they test negative.

---

**Drug – Testing Announcement**

*(to be read at all NCAA pre-championships meetings)*

NCAA championships committees, following a recommendation from the NCAA drug-testing subcommittee, have discontinued the practice of announcing whether drug testing will be conducted at NCAA championship events.

Although knowing prior to competition whether NCAA drug testing was to occur had value for reasons of convenience, it left open the possibility that student-athletes might be tempted to use banned substances if they knew that NCAA testing was not being conducted at the site of competition.

Therefore, all coaches and student-athletes should presume that NCAA drug testing will occur at this championship event. Please inform your student-athletes that in the event they are notified of their selection for drug testing, the student-athlete must inform an official representative of your institution (e.g. coach, athletic trainer) before proceeding to the drug-testing site. At individual championships, drug-testing couriers will be instructed to remind selected student-athletes of such.

---

**LODGING INFORMATION**

Each competing institution is obligated to stay at the assigned hotel and must confirm accommodations. If an institution does not wish to stay at the assigned hotel, it must (1) obtain a written release of the reserved rooms from the hotel management; or (2) use the rooms for persons accompanying the official party. Institutions should contact the assigned hotel (see contact information below) by 5 p.m. (Mountain Standard Time) Monday, May 1, 2017. If an institution fails to make satisfactory arrangements for use of the rooms with the hotels, full charges for the rooms will be billed to the institution.

Post-competition Interviews
Post-competition interviews will be conducted immediately after the 10-minute cooling off period and interviews will be open to all certified members of the news media. The interview area is located in The Championship Golf Course at UNM Clubhouse. Any coach and student-athlete requested by the media will be available for interviews. If a team or individual is participating in an awards ceremony, the cooling off period will begin immediately after the presentation. Representatives of the media should direct interview requests to Frank Mercogliano.
**Videotapes, Film, and Still Photographs**
Institutions are permitted to videotape championships competitions by their teams or their individual student-athletes for archival, coaching or instructional purposes. Each institution is permitted to use one camera and may videotape only that portion of the competition in which it participates. The videotapes may not be used for commercial purposes. An institutional representative shall contact Frank Mercogliano, fmercog@unm.edu, to arrange for camera space.

**MEDICAL SERVICES**
Athletic trainers will be available in the athletic training room beginning one hour prior to competition as well as during competition. A physician will be on call during the competition. The athletic training room will be located in The Championship Golf Course at UNM Clubhouse and will be available for use as needed. **Please arrange with Andrea Quintana (aquint14@unm.edu) regarding any needs you may have for treatments prior to or following competition.**

In the event of a diagnosed or suspected concussion, a player may not return to practice, play or training that day. A player will be evaluated by a team physician and the further disposition of the athlete will be at the discretion of the attending physician.

**TICKETS**
Admission is free to the three-day event.
APPENDIX A

DESIGNATION OF COACHES FORM

The 2012 United States Golf Association (USGA) publication "How to Conduct a Competition" contains the following concerning Advice in Team Competitions Among Educational Institutions:

"In a team competition among educational institutions in which the conditions of competition do not permit the use of caddies, the Committee may adopt a modification of the Note to Rule 8 providing that each team may appoint up to two persons who may give advice to members of that team, notwithstanding that the Note contemplates only one such person."

The NCAA Division I Men's and Women's Golf Committees have adopted this modification and will permit two coaches to provide advice during regionals and finals competition of the NCAA Division I Men's and Women's Golf Championships. Both Committees have worked extensively with the USGA to offer this opportunity for a second coach to provide advice.

Additionally, specific to the NCAA Division I Women's Golf Championships, two designated coaches per institution may be appointed to give advice to qualifying individuals not on a participating team. Institutions are required to designate their two coaches in advance and names must be approved by their respective Athletics Directors.

The designated coaches must meet the following criteria:

1. Designated coaches must be individuals designated by the institution, in accordance with Bylaw 11.7.1.1 (Designation of Coaching Category), as a head or assistant coach under Bylaw 11.01.2 (Coach, Head or Assistant), a student assistant coach under Bylaw 11.01.4 (Student Assistant Coach) or the volunteer coach under Bylaw 11.01.5 (Volunteer Coach).

2. A current, eligible student-athlete not participating in the tournament (i.e., sixth man) cannot be designated as the second coach

APPENDIX D

LOCAL RULES AND CONDITIONS OF COMPETITION FOR NCAA TOURNAMENTS

Unless otherwise noted, the penalty for breach of a Local Rule or Condition is:
- Match play – Loss of hole; Stroke play – Two strokes.

LOCAL RULES

ACCIDENTAL MOVEMENT OF BALL ON PUTTING GREEN – Local Rule as prescribed by USGA announcement dated December 8, 2016 is in effect.

OUT OF BOUNDS – Defined by inside points, at ground level, of white stakes and fence posts. Rule 27-1b.

WATER AND LATERAL WATER HAZARD STAKES AND LINES – When a water hazard or a lateral water hazard is defined on only one side, it is deemed to extend to infinity. When a water hazard or lateral water hazard is bounded by out of bounds, the hazard margin extends to and coincides with the out of bounds line.

GROUND UNDER REPAIR – Defined by white lines. Fire ant hills, sod-covered trenches for temporary cables and French drains are deemed to be ground under repair. Rule 25-1. (Note: For a player whose ball is in a water hazard and is affected by a fire ant hill – see Decision 1-4/10.)

Ground under repair may include areas of unusual damage, including areas where spectators or other traffic has combined with wet conditions to affect materially the ground surface, but only when so declared by an authorized member of the Committee. When immediately adjacent to an obstruction, such an area is part of the obstruction.

SEAMS OF CUT TURF (SOD SEAMS) – The Local Rule as prescribed in Appendix I is in effect.

TURF PLUGS ON THE PUTTING GREEN – May be repaired even if they are not 4 ¼ inches.

IMMOVABLE OBSTRUCTIONS – Include plastic bumpers on roads and paths and mats secured to the ground with spikes when the bumpers or mats cover cables.

WHITE-LINED AREAS TYING INTO ARTIFICIALLY SURFACED ROADS AND PATHS – Have the same status as the roads and paths, that of obstructions.

WOOD CHIPS AND MULCH – Are loose impediments, unless otherwise provided for in the Notice to Players.

EMBEDDED BALL THROUGH THE GREEN – Local Rule as prescribed in Appendix I is in effect.

INTEGRAL PARTS OF THE COURSE – Include cables, rods, wires or wrappings when closely attached to trees; and artificial walls and pilings when located in hazards, unless otherwise provided for in the Notice to Players.

TEMPORARY POWER LINES AND CABLES – Local Rule as prescribed in Appendix I is in effect.

TEMPORARY IMMOVABLE OBSTRUCTIONS – Local Rule as prescribed in Appendix I is in effect.

DISTANCE-MEASURING DEVICES – Local Rule as prescribed in Appendix I is in effect.

CONDITIONS

LIST OF CONFORMING DRIVER HEADS – Optional Condition as prescribed in Appendix I is in effect.

LIST OF CONFORMING GOLF BALLS – Optional Condition as prescribed in Appendix I is in effect.

GROOVES – Optional Condition as prescribed in Appendix II is in effect.

PACE OF PLAY – See separate memorandum to players for pace of play guidelines.

DISCONTINUANCE OF PLAY – Optional Condition as prescribed in Appendix I is in effect. All practice areas are closed during suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to cease doing so; failure to comply may result in sanctions under NCAA misconduct guidelines.

Note: A suspension for a dangerous situation will be signaled by one prolonged air horn note. All other types of suspension will be signaled by three consecutive air horn notes, repeated. Resumption of play will be signaled by two short air horn notes, repeated.

PRACTICE – Prior to and after her round in stroke play, a player may practice on the designated practice areas. Rule 7-1b applies to other practice in stroke play, and Rule 7-1a covers practice before the round in match play.

TRANSPORTATION – Optional Condition as prescribed in Appendix I is in effect. Exception: A player may ride in designated shuttles, and may accept transportation from a Rules Official or a coach when she is required or elects to proceed under the stroke and distance option of any Rule.

ADVICE IN TEAM COMPETITION – In accordance with the Note to Rule 8 of the Rules of Golf, each team may designate two coaches to give advice to members of that team. The coaches must be identified to the Committee before giving advice. A player may accept verbal and hand-signal advice from her institution’s designated coaches only. Electronic communication, notes and any other items left behind by teammates and/or coaches for the purpose of giving advice are prohibited.

Players must avoid communication between other players and spectators that could be deemed advice of any nature during the stipulated round. All institutional personnel, with the exception of the designated coaches, are considered spectators.

COACHES – A coach who is authorized to give advice is an outside agency under the Rules of Golf. However, certain actions by coaches may result in a penalty to the player if the action was taken on instructions from, or with the sanction (tacitly or otherwise) of, the player. Responsibilities of a competitor in this regard are supported by Decisions 13-2/4, 13-2/33 and 13-2/36. Coaches may also be subject to sanctions under NCAA misconduct guidelines.

ELECTRONIC COMMUNICATION DEVICES – May be used by coaches in a private manner provided that such use does not breach Rule 8-1 (Advice) or disrupt practice or play. Violations will be considered a breach of NCAA misconduct provisions contained in the NCAA Golf Pre-Championships Manual.

CADDIES – Are prohibited. Optional Condition as prescribed in Appendix I is in effect.

DISQUALIFICATION PENALTIES – If a player breaches a Rule that results in her being disqualified, the effect shall be to disqualify her for that round only, unless otherwise determined by the Committee.

SCORING IN STROKE PLAY – A daily team score is computed by totaling the lowest four scores of the five team members. The final team score is determined by totaling each daily score.

See Championship Notice to Players for procedures covering returning of scorecards to the Committee.

CLOSE OF COMPETITION – The competition is deemed to have closed when the trophy has been presented to the winner or, in absence of a prize ceremony, when all scores have been approved by the Committee.

The result of a match is considered to have been “officially announced” when the Committee has approved the result as posted on the public scoreboard.

MISCONDUCT – See NCAA Golf Pre-Championships Manual.

LOGOS, UNIFORMS, EQUIPMENT – See NCAA Golf Pre-Championships Manual.

Tie-Break Procedures

Individual and Team Tie-breaking Procedures

Teams. Ties shall be broken during a sudden-death playoff counting the low four scores (relative to par). If there are three or more teams involved in a playoff, the shotgun format listed below should be used. The games committee will determine the sequence of holes. Time limitations may also dictate a shotgun start as determined by the games committee. The team playoff will be conducted first if any players involved would also be in a playoff in case of a tie for individuals.

Sudden-Death Playoff Procedures

Teams will draw for positions. For a two-team playoff, the winner of the draw shall have the option of the A or B positions set forth below. For a playoff involving more than two teams, the teams shall assume the drawn letter position (A, B, C, etc.) set forth below.

Players will play the numbered position they held at the start of the tournament.

The format in pairings for a playoff of six teams or more shall be consistent with the foregoing format as determined by the games committee.
Non Sudden-Death Tie-Breaking Procedure

For pairings purposes and for situations in which a sudden-death playoff cannot be completed, the following system shall be used to break ties, except as provided elsewhere when ties need not be broken at the championships:

Teams
1. Cumulative total of the non-counting scores.
2. Player with the highest cumulative total.
3. Player with the second-highest cumulative total.
4. Player with the third-highest cumulative total.
5. Player with the fourth-highest cumulative total.
6. Player with the lowest cumulative total.
7. Revert to original seeding of teams.

Individuals (within a team)
When a tie exists within a team, the individual with the lowest team position will be given the later tee time.

Individuals (not within a team)
1. Low score of the most recent round.
2. Low score next previous round.
3. Revert to original seeding of individuals.

The foregoing procedure will also be used if a cut becomes necessary at any time after the completion of the second round of play at the championships.

Finals Site: Determining Cut to the Top Nine Individuals after 54 Holes
In determining the cut to the top nine individuals the first tiebreaker is the most recent round's score, which means those recorded with the third-day hole locations.

Finals Site: Advancing Regional Teams
The advancing teams and individuals will be placed into their initial team pairings at the national championship through the use of a revised Golfstat rankings which will be run after all regional competition has completed.

Finals Site: Advancing Regional Individuals (not on an advancing team)
If after completion of regional play and prior to the day before the first practice round at the finals site, an individual is unable to compete at the finals due to extenuating circumstances the committee will use the current regional tournament tie-breaking procedures for individuals in the order listed, minus the use of the playoff option to fill the field.
