The banquet will be held in the Huntington Club at Ohio Stadium. The banquet will open up with several ‘interactive features’ for athletes to mix and mingle: Columbus Zoo animals, COSI museum demonstrations, tours of the field at Ohio Stadium, and a photo booth. During this opening hour, several chef-attended interactive food stations will serve up a wide selection of foods that guests can visit.

Credentials

The following credentials will be distributed at registration on Wednesday, March 9:

- Each participating student-athlete will receive a student-athlete credential.
- Each participating coach will receive a coach credential.

Drug Testing

Student-athletes who compete may be subjected to drug tests in accordance with Bylaws 18.4.1.5 and 31.2.3 and may be determined to be ineligible as a result thereof. Only student-athletes who have consented in writing to such testing are initially eligible for these championships; and thereafter, student-athletes who are tested shall remain eligible only if they test negative.

"NCAA drug-testing is a possibility at any and all NCAA championship rounds and sites. However, as a best practice, the NCAA will not announce whether or not drug testing will occur at any specific venue.

Although knowing prior to competition whether NCAA drug testing was to occur had value for reasons of convenience, it left open the possibility that student-athletes might be tempted to use banned substances if they knew that NCAA testing was not being conducted at the site of competition.

Therefore, all coaches and student-athletes should presume that NCAA drug testing will occur at this championship event. Please inform your student-athletes that in the event they are notified of their selection for drug testing, the student-athlete must inform an official representative from your institution (e.g., coach, athletic trainer) before proceeding to the drug testing site."

Elite 90 Award - NCAA Academic Recognition Program

The NCAA's academic recognition program, the Elite 90 Award, will be presented to the student-athlete with the highest cumulative grade-point average competing at the finals site for each of the NCAA's 90 championships.

All documents and nomination forms may be obtained at the following location: online by clicking HERE.

The submission deadline for nomination for Men's and Women's Rifle is Wednesday, March 1, at 5 p.m. Eastern time.

Logos. An institution’s official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer’s or distributor’s normal trademark, not to exceed 2¼ square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo.

The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square or parallelogram). In addition, an institution’s official uniform cannot bear a design element similar to the manufacturer’s that is in addition to another logo or that is contrary to the size restriction.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2¼ square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies another entity other than the student-athlete’s institution. These restrictions apply to all apparel worn by student-athletes during the conduct of competition, which includes any pregame or postgame activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.
