Section 4 – Admission to Arena/Credentials

Each team shall submit to the basketball committee at the pretournament meeting a team personnel list, which can be found under the “Gate Pass Lists” appendix.

Each institution will receive 20 bench credentials. In addition, each institution will receive up to a maximum of four VIP passes. All credentials will be distributed at the Monday pre-championship meeting. The four VIP passes will provide admittance to Sanford Pentagon.

Each day of practice and competition, only those 20 individuals with participant credentials will be admitted. The participant credential must be worn by non-student-athlete personnel for access to court-side, the media area and other secured locations.

Practice-Day Admittance. At the pass gate, each of the 20 persons must wear their participant credential for admission to the court-side and locker room areas. Please instruct all participants to display their credentials in a visible manner.

Game-Day Admittance. At the pass gate, each team will be met by a facility representative and escorted to its locker room. The participant credential must be worn by all players and administrative personnel.

Teams Participating in the First Game of a Session. For student-athletes, a credential must be worn to gain first-game court-side admittance. Coaches and other administrative personnel must also wear the participant credential. After the game, student-athletes among the 20 persons who wish to remain in the arena for the second game must wear the participant credential. The credential is required for admission to the non-participant seating area.

Teams Participating in the Second Game of a Session. Any of the 20 persons who wish to view the first game of a session must wear the participant credential for admission to the court-side area and non-participant seating area. For student-athletes, no credential is necessary for second-game court-side admittance; the game uniform or warm-up will suffice. In order to be admitted to the court-side area for the second game, coaches and other administrative personnel must wear the participant credential.

Teams That Have Been Eliminated. Representatives of teams that have been eliminated may be admitted to remaining sessions of the championship. They shall be admitted via the participant credential, which must be worn for admission to the non-participant seating area.

Additional Credential Access. The NCAA will print all credentials for the 2017 NCAA Division II Men’s Elite Eight. The NCAA media coordinator, in conjunction with the NCAA championship manager, are responsible for distribution of credentials at the tournament.
Section 5 – Awards

Additional awards may be ordered after the championship. An institution may only order the award(s) that their team/individual received at the championship. The additional award(s) order can be submitted at the following link: [http://www.mtmrecognition.com/ncaa/](http://www.mtmrecognition.com/ncaa/).

### Elite 90 Award

The Elite 90 award is presented to the student-athlete with the highest cumulative grade-point average competing at the finals site for each of the NCAA’s 90 championships. Each institution that has at least one student-athlete qualify for the finals round/site is eligible to nominate a student-athlete to win the award for that championship. All ties are broken by number of credits completed. For more information regarding this program, please contact Mark Bedics or Andrew Louthian or Quintin Wright at elite90@ncaa.org or 317/917-6222. All documents, including deadlines and nomination forms can be obtained at the following location – Elite 90 forms. You must be logged into the site to access the page. The submission deadline for nomination for Division II Men’s Basketball Friday, March 17 at Noon Eastern.

Section 6 – Bands/Cheerleaders/Mascots

Please also refer to “Cheerleaders, Mascots, Bands and Banners” in the championship handbook.

### Bands

**Number.** At all tournament sessions, bands in attendance shall be limited to 25 members including one band director. Please note that only 15 band members are allowed if the band uses electronic amplification. Each participating team's band will be located in opposite corners of the floor behind the basket.

Please note that the local organizing committee will have local high school bands assigned to adopt teams that might not bring their band to the championship. If your institution’s band does not travel to the championship, please forward the sheet music of your school’s fight song to the attention of Joe Millar, Tournament Manager ([jmillar@siouxfalls.com](mailto:jmillar@siouxfalls.com) or 605-941-5900).

**Admittance.** The band shall be admitted to the arena by a pass list submitted to the basketball committee at the pre-tournament meeting (the form is located under “Gate Pass Lists” appendix).

**Distractions.** Artificial noisemakers, air horns, vuvuzelas, etc., are not permissible. The band director shall prohibit the band or any component thereof (including drums) from playing while the game is in progress. Please note that inasmuch as a band playing while the game is in progress is a violation of basketball rules, the game officials shall handle such incidents if they occur.

**National Anthem.** The national anthem will be played once prior to each session.

**Storage.** A secured storage area is not available at Sanford Pentagon for band instruments. Band directors will have to make other accommodations.

**Uniforms.** Band uniforms or matching shirts shall not bear any commercial identification, and no songs shall be performed that are affiliated with any professional sports team or commercial product.
Cheerleaders/Mascots

**Number.** A maximum of 12 uniformed cheerleaders and/or dance team members (not to exceed 12), one costumed mascot and one coach from each participating team shall be allowed on the floor when the game clock is stopped. (At all other times when play is in progress, cheerleaders and mascots are restricted to the end of the court. During pregame player introductions, spirit squads are restricted to the area between the baseline and the free throw line extended.) No cheerleaders, dance team members and mascots shall be allowed on the floor after the final media timeout of the second half or at any time during any overtime period.

**Admittance.** Each cheerleader, spirit squad member, mascot or coach shall be admitted to the arena by a pass list submitted to the basketball committee at the pretournament meeting (see Appendix B - “Gate Pass Lists”).

**Warm-up.** Cheerleader warm-up space will be provided on courts 3 & 4 of Sanford Pentagon.

**Distractions.** Cheerleaders may not use megaphones as a distraction by pounding them on the floor, hitting them with their hand(s) or other objects or waving them in any way.

**Flags.** An institution’s flag of any size may be displayed or waved on the court only during pregame activities and halftime. The flag will not be permitted on the court during timeouts.

**Uniforms and Performances.** Uniforms shall not bear any commercial identification and no routines shall be performed that are affiliated with any professional sports team or commercial product.

**Stunts.** All cheerleading squads must conform to the guidelines set by the American Association of Cheerleader Coaches and Advisors.

---

**Section 7 – Banquet**

A reception will be held from 6 to 7:30 p.m., Monday, March 20, at the Sanford Pentagon. **Teams should wear team-issued apparel (i.e. warm-ups, etc).** Those individuals listed on your team personnel list (a maximum of 20 individuals) will be admitted free of charge. Those persons not on the personnel list may purchase tickets for $50 per ticket. Each institution must submit an order form via email to jmillar@siouxfalls.com for the additional attendees above the 20 on the team personnel list by March 16 (see Banquet Ticket Form in Appendix C of this manual). Payment for the additional tickets will be due at the time of the banquet and must be submitted to Joe Millar or assigned staff upon check in at Sanford Pentagon. Cash or institution checks ONLY will be accepted as methods of payment. No personal checks will be accepted. Institution checks will need to be made out to Sioux Falls Sports Authority.

---

**Section 8 – Drug Testing**

Drug testing may occur at any session of the championship. If it occurs at the Men’s Elite Eight, escorts will make contact with the student-athletes who are to be tested and will escort them to the drug-testing area after the 10-minute cooling-off period. Student-athletes that are selected for drug testing and scheduled to participate in postgame news conferences shall attend the news conference first, and then shall immediately report to the testing site.

**NOTE:** Please be aware that NCAA drug testing can be time consuming and team travel plans should be flexible to accommodate possible changes that may occur. Participants who are selected for testing may not leave the drug-testing area until excused by the National Center for Drug Free Sport and/or the NCAA, regardless of team travel schedules.

The coach must proceed directly to the locker room after a game unless requested to remain for a short interview (not to exceed four minutes) by the network that has purchased rights to televise the game. The locker room shall be open to the media for one hour after the 10-minute cooling-off period ends providing media is continually present in the locker room.

It is mandatory that the head coach and requested players (a minimum of two) shall report to the interview area immediately after the locker room opens, and the names of these individuals shall be announced by the interview room moderator before the beginning of the news conference. The media coordinator also may require the head coach to include a non-designated student-athlete to join the announced group in the interview room should the player’s performance merit it.

The postgame news conference format shall specify that the winning coach and student-athletes will be interviewed first, followed by the eliminated coach and student-athletes, except following the championship game when the eliminated coach and student-athletes will appear first. The interview with the winning coach and players should not exceed 20 minutes and the interview with the eliminated coach and players should not exceed 10 minutes.

Section 21 – Tickets

Each institution will be allotted a minimum of 150 reserved tickets for its quarterfinal session, and at least 150 of these tickets must be located directly behind the team benches. Each institution must complete the ticket order form (see Appendix E) and scan it to Eric Larsen, at the Sanford Pentagon (605-312-7901) by 5 p.m. Eastern time, March 17. Please note the number of tickets desired (out of the allotment of 150) and if any additional tickets are desired (above 150). Every effort should be made by the participating institution to accurately project the number of tickets that it will use. Seats in the reserved sections will be available on a first come-first served basis.

The institution will be obligated to purchase any tickets not released to Sanford Pentagon before the deadline. If there are any tickets released prior to the aforementioned deadline, the tournament director shall make these tickets available to the participating institutions still desiring to purchase additional tickets. Tickets not used by the visiting institutions shall be returned to Eric Larsen at the mandatory administrative meeting Monday, March 20. Tickets not returned by this time shall be accounted for at face value by the visiting institutions.

There will be a change-out section of 150 seats behind each bench. Each director of athletics will receive 150 change-out passes at the administrative meeting. DO NOT GIVE YOUR CHANGE-OUT PASSES TO FANS FROM ANOTHER INSTITUTION.

Participating institutions are not entitled to complimentary tickets. The participating institutions must first purchase tickets, which then may be treated as complimentary tickets for the student-athletes per NCAA bylaws. A "pass gate" system will be administered by each participating institution's representative.

Non-playing Participant Seating. Seating in these areas shall be restricted to the 20 individuals who receive the participant credential.

Refer to the “Ticket Order Form” (Appendix C) for a breakdown of ticket prices for each session.

ALL PHONE ORDERS MUST GO THROUGH TICKETMASTER (800-745-3000) OR Ticketmaster.com. For all other ticket questions, please contact Toni Miele (605-312-7900).

Section 22 – Transportation

The Sanford Pentagon is located at 2210 West Pentagon Place, Sioux Falls, SD 57107. Travel arrangements should conform to NCAA policy. Any deviation from the travel policies contained in the handbook must be pre-approved by someone in the NCAA travel department (317/917-6757); email: travel@ncaa.org).

Travel Arrangements and Transportation to the Men’s Elite Eight. Division II teams located within 600 miles from Sioux Falls, South Dakota are required to use ground transportation. Teams located outside 600 miles for Division II may use air transportation. All air transportation must be arranged through Short’s Travel Management (866/655-9215).
As part of the NCAA ground transportation program, all ground transportation payable by the NCAA must be arranged through GO Ground Options (866/386-4951). The costs will be paid to the operator directly, eliminating the need for you to claim reimbursement.

Local transportation is not reimbursable by the NCAA. Participating institutions are responsible for arranging their own local transportation and may do so using the NCAA provider, GO Ground Options, or a provider of their choice.

See “Travel Policies” at the website listed below for further details on ground transportation reimbursement and the GO Ground program. All questions regarding travel again should be directed to the NCAA travel department (317/917-6757).

Please submit a travel party list online at www.shortstravel.com/ncaachamps/ (all institutions have been assigned a username and password for the system). Team administrators who do not have access to email, or who prefer to speak with someone about their arrangements may contact Short’s Travel Management at 866/655-9215.

Information and a tutorial on the online reimbursement system are located on the NCAA website at: http://www.ncaa.org/championships/travel/championships-travel-information.

If you encounter extraordinary circumstances that may necessitate an exception to NCAA travel policies, or if you have any questions about them, please contact the NCAA travel department at the phone number listed above or via email at travel@ncaa.org, before making any travel arrangements.

APPENDIX J
CODE OF GOOD MANAGEMENT

The National Collegiate Athletic Association is vitally concerned with assisting member institutions that have been selected to host sessions of its 2017 basketball tournaments in the administration and management of the tournament sessions. Listed below are suggestions designed to prompt host institutions to encourage good sportsmanship among the competing teams and spectators and to ensure safe playing conditions for the participating student-athletes.

1. Good Sportsmanship.
   a. Spectators should not be allowed to assemble around the edges of the court prior to or at the conclusion of any game.
   b. The tournament director, or his designated representative, should go to the public address system at the first sign of unsportsmanlike crowd behavior and request cooperation in maintaining proper playing conditions.
   c. The tournament director and the basketball committee representative(s) shall stress at the pregame conference with game officials procedures to be followed in the event of a disturbance. They also shall review crowd-control and team-control measures established by the host institution. Through the respective conferences, the officials should have been instructed to enforce strictly all of the playing rules. Both the officials and representatives should be reminded of the significance of these rules.
   d. The same procedures and measures shall be reviewed with representatives of the participating institutions at their pregame meeting.
   e. Literature not related to the game shall not be distributed at any time.
   f. Posted signs, excluding the NCAA and approved television and radio banners, must be removed at the facility’s expense, except in Divisions II and III, the official participating institutional banner is permitted.
   g. The tournament director should meet with and encourage cheerleaders to refrain from using derogatory chants directed toward the opposition. If a disturbance is imminent, the cheerleaders should raise arms and request silence, sing the alma mater, or use any other method to defuse any potential disturbance. At least one band should be prepared to play the national anthem if trouble occurs.
   h. Coordinate with the public address announcer a procedure for team introductions, which will project to the crowd that the opposing players and coaches are friendly competitors. Please read the crowd control statement prior to the start of each game.
   i. The conduct of the respective coaches is the single most important factor in crowd control. They must control themselves during the game in order to set the proper example for the teams, students and spectators. The coaches must assume a leadership role in initiating positive crowd attitudes. Tournament directors should stress this point to coaches and officials.
2. **Safe Playing Conditions.**

   a. Security guards shall be available and shall be located in the vicinity of the team benches and official scorers’ table. A good force of officers and ushers should be visible to give an impression of firm control.

   b. The tournament director should give directions to all security personnel, outlining their specific areas of responsibility.

   c. Do not resort to uniformed police officers to control disturbances until necessary. Use non-uniformed security personnel whenever possible.

   d. Adequate exits should be provided.

   e. Use ropes to guide and control the crowd. Please prevent access to the floor level and restrict those seated at courtside from access to the playing floor. The crowd should be informed that persons are not allowed on the floor following any game. The hosts should have sufficient barriers and security in place to keep the floor clear.

   f. The public address announcer is responsible for whatever is said over the public address system. He/she should be enthusiastic, but calm, and always impartial. The tournament director should provide him/her with the NCAA crowd control statement asking the crowd to show respect for all participants. He/she should know the rules of play, particularly concerning conduct of players and partisan fans. He/she should be aware of the procedures established to deal with emergencies.

   g. The public address announcer should not hesitate to advise the crowd that throwing debris is unsportsmanlike and seriously endangers the safety of the competing student-athletes.

   h. Neither cheerleaders nor any non-tournament administrative personnel shall be permitted to use any public address system.

   i. Artificial noisemakers and air horns are not permitted in the venue. They need to be collected at the gate, for return following the conclusion of the session. The use of electronic musical instruments is not permitted during play.

   j. In the event of a disturbance or other unusual conditions, the game officials have authority to suspend play. Immediately thereafter, they should confer with the tournament director and basketball committee representative(s) regarding the desirability of resuming play. After conferring with the tournament director and the basketball committee representative(s), the referee shall determine when play will resume.

The administration, organization and general supervision of each tournament game shall be the responsibility of the tournament director. Your Code of Good Management will help provide safe playing conditions and ensure good sportsmanship towards the competing institutions and the spectators.

APPENDIX M
NCAA DIVISION II CHAMPIONSHIPS CODE OF CONDUCT

Conduct Policy Statement

The NCAA expects each championship to exhibit an experience that represents the highest level of fair play and good sportsmanship. The NCAA and the NCAA Division II Championships Committee expect that student-athletes, coaches and administrators do their best to ensure participation in intercollegiate athletics promotes character development for all participants, enhances the integrity of higher education, and promotes civility; therefore championship events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifest not only in athletic participation, but also in the broad spectrum of activities associated with the championship event. Accordingly, the championships committee will take strong action in response to any form of misconduct by student-athletes, coaches and/or administrators during the entire championship. This includes criticism of officials and misconduct incident to the competition.

Misconduct

The championship handbook and NCAA Division II Manual Bylaw 31.02.3 defines misconduct as: “...is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship that discredits the event or intercollegiate athletics.”

Expectations

Each games committee shall hold a pretournament meeting with the coaches of participating institutions to review and explain the policies related to misconduct (as defined in Bylaw 31.02.3). The Division II Championships Code of Conduct is to be part of the championship packet, and delivered to all institutional representatives attending the championship events.

If the act of misconduct occurs during the competition, under normal circumstances, the individual shall be allowed to complete the competition in which he or she is participating at the time of the incident. An administrative hearing shall be held at the conclusion of the day’s competition, during a break in the continuity of the championship (i.e., between rounds of a basketball tournament) when no competition is being conducted or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition and conduct the hearing after this action. Other actions of misconduct shall be dealt with in a timely manner by the governing sports committee.
Expectations for Student-Athletes, Coaches and Administrators

- Cooperate and participate in game ceremonies, team meetings, community engagement and championship ceremonies.
- Discuss misconduct and possible consequences with all members of the travel party.
- Have an administrator or designee present at all competitions.
- Communicate issues and concerns in an honest and timely manner with NCAA staff.
- Follow team, university and NCAA guidelines throughout all championship-related activities.
- Be respectful of other participants, spectators, coaches, administrators and other individuals at the championship site.
- Abide by state and federal laws, and facility requirements throughout the championship event.
- Display acceptable behavior on and off the playing field to ensure a positive experience for all participants.

Possible Penalties for Misconduct

In accordance with Bylaw 31.1.8.3, the governing sports committee (or the games committee authorized to act for it) may impose any one, or a combination of the following penalties on an institution or any student-athlete or representative of an institution guilty of misconduct that occurs incident to, en route to, from or at the locale of the championship event. The penalties include, but are not limited to:

- Public or private reprimand of the individual;
- Financial penalty;
- Disqualification of the individual from further participation in the NCAA championship involved and/or banishment of the individual from participating in one or more subsequent championships of the sport involved;
- Cancellation of payment of the Association’s travel guarantee to the institution for the individuals involved;
- Withholding of all or a portion of the institution’s share of revenue distribution;
- Banishment of the institution from participation in one or more subsequent championships in which its team in that sport otherwise would be eligible to participate;
- Disqualification of an institution for a period of time from serving as host institution for one or more NCAA championships; and/or
- Cancellation of all or a portion of the honorarium for hosting an NCAA championship.

All correspondence regarding violation of the Code of Conduct will be sent to the President/Chancellor of the institution, with a copy to the Director of Athletics and person(s) involved.

Participation in an NCAA championship is an accomplishment and it is expected that individuals and teams are committed to ensuring that the championship is a positive experience for all participants, fans and volunteers. Participation in these championship events is a privilege for the student-athletes, coaches and administrators and should be treated as such. Again, congratulations to you and your team. We hope this year’s championships experience is one that you will cherish for years to come.
APPENDIX N

As a representative (i.e. student-athlete, administrator, coach, manager and/or other institutional personnel) of the institution below, I certify that all NCAA rules pertaining to the Division II Championships Code of Conduct have been read. I agree to abide by the expectations set forth and understand the possible penalties for misconduct.
