Section No. 1: Getting Started

This section includes information regarding accessing the NCAA Compliance Forms Database. Access to the database is granted via the Single-Source Sign-On (SSO) system.

- a. Click the My Apps link on the homepage of www.ncaa.org.

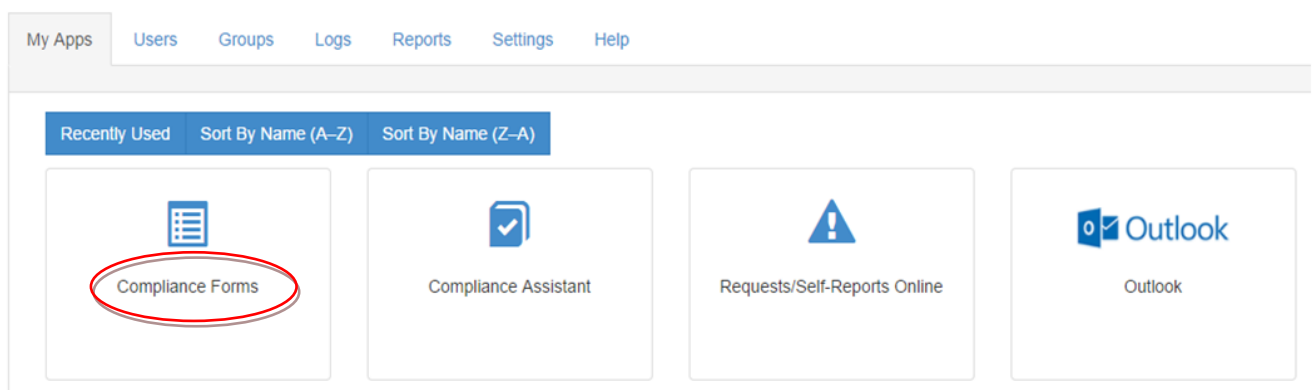

- b. Log into the system using your SSO email and password.

A screenshot of the 'NCAA Applications' login page. It shows the NCAA logo and the text 'NCAA Applications'. Below this is a section titled 'Log in to My Apps' containing two input fields: 'Email' (with placeholder text 'Email or Username') and 'Password'. There is a checkbox labeled 'Is this a public or shared computer?' with an information icon. At the bottom, there is a blue 'Sign in' button and a link for 'Forgot Password?'.

If you are a college-bound student-athlete or a high school administrator, you cannot log in on this page. Instead, go to the [NCAA Eligibility Center](#) website.

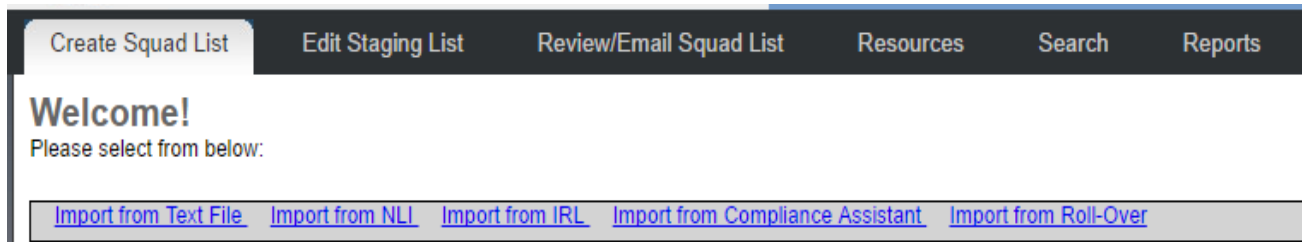

Questions or Assistance? Contact the [NCAA Web Help Desk](#).

- c. Click the Compliance Forms link on the My Applications page.

If Compliance Forms does not appear in the list on the My Applications page, contact your institution's SSO administrator to have the application added to your privileges.

- d. The following page will appear after logging into the database:

The screenshot shows a dark navigation bar with the following menu items: 'Create Squad List', 'Edit Staging List', 'Review/Email Squad List', 'Resources', 'Search', and 'Reports'. Below the navigation bar, the text 'Welcome!' is displayed, followed by 'Please select from below:'. A horizontal bar contains five blue hyperlinks: 'Import from Text File', 'Import from NLI', 'Import from IRL', 'Import from Compliance Assistant', and 'Import from Roll-Over'.

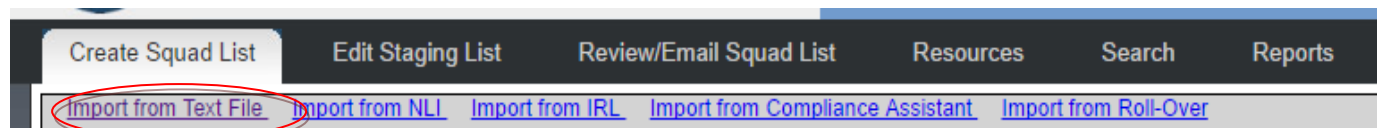

Section No. 2: Creating a Squad List

This section includes information regarding creating a squad list which can be accomplished using multiple sources.

You may choose to import data from the following sources to create a squad list:

- a. Text File (manual entry);
- b. National Letter of Intent (NLI) database;
- c. Institutional Request List (IRL)/NCAA Eligibility Center;
- d. Compliance Assistant (CA); and
- e. Compliance Forms Database Roll-Over.

Importing Data from a Text File

This screenshot is identical to the one above, but the 'Import from Text File' link in the horizontal bar is circled in red.

- a. The Import from Text File option allows the institution to enter its student-athlete data into the system through a text file.

b. Click the Import from Text File link.

c. The institution may create a text file using Microsoft Notepad or Microsoft Excel.

- If the institution elects to use the Microsoft Notepad program, click Start, All Programs, Accessories and then Notepad to access the program.

If the institution elects to create a text file using Microsoft Excel, the file must be saved as type Text (Tab delimited) (*.txt). Macintosh users should save the comparable Excel file as type Text (Macintosh) (*.txt).

- Column headings may be used in Microsoft Excel to facilitate data entry; however, column headings must be deleted prior to importing the text file.

d. Enter the data elements in the text file.

- Eleven data elements must be entered *in the order specified below* for each student-athlete:
 - NCAA ID (must be 10 digits in length)
 - Email
 - First Name
 - Last Name
 - Student Type
 - Enter **IF** if the student-athlete is an incoming freshman.
 - Enter **IT** if the student-athlete is an incoming transfer.
 - Enter **RS** if the student-athlete is a returning student.
 - Division (must be 1, 2 or 3)
 - Sport Code (must be three characters in length; refer to spreadsheet)
 - Date of Birth (MM/DD/YYYY format only)
 - City

- Country (must be two characters in length; refer to spreadsheet)
- State (must be two characters in length; refer to spreadsheet)
- Each data element (for each student-athlete) should be separated by one tab command.
 - **Failure to separate each data element by one tab command will result in an unsuccessful import.**
- Each student-athlete must appear on a new line.

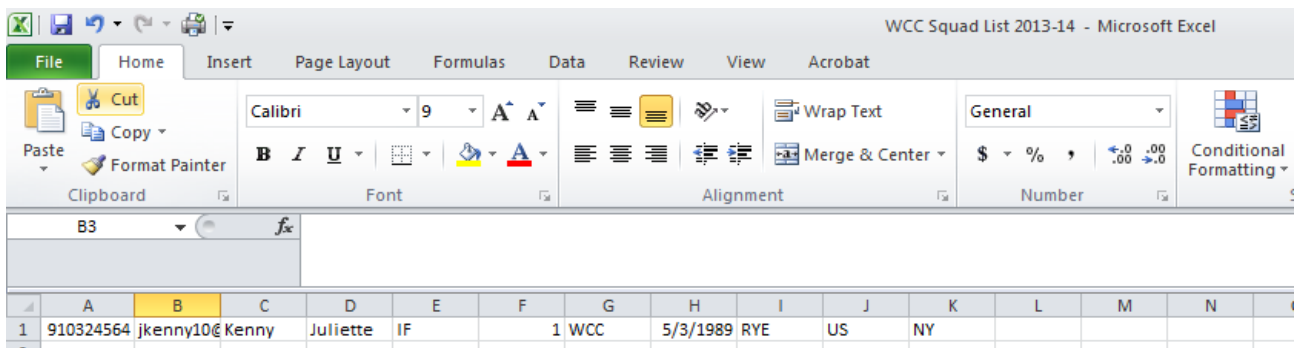

e. The data elements must appear as follows:

0910324564 jkenny10@ncaa.org Kenny Juliette IF 1 WCC 5/03/1989 RYE US NY

f. Below is a sample Microsoft Notepad text file.

g. Below is a sample Microsoft Excel text file.

- h. Save the text file and return to the Compliance Forms Database. As noted above, if the text file was created using Microsoft Excel, it must be saved as type Text (Tab delimited) (*.txt).
- i. Click the Browse button, select the appropriate text file and click the Import from Text File button.

Import from Text File

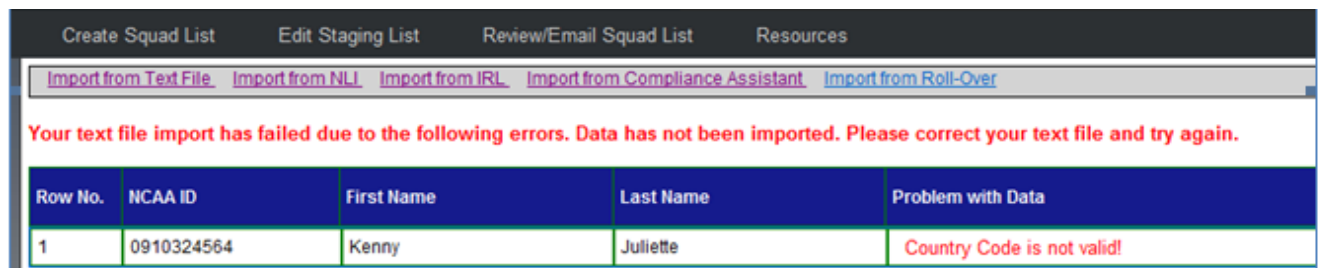

Text File: No file chosen
(This will import student-athlete data from a "tab delimited" text file)

- j. After successfully importing the text file, the text box will populate with “Data from text file has successfully imported”.

Data from text file has successfully imported.

- k. If the data has not been imported successfully, an error message will appear.

Importing from the National Letter of Intent (NLI) Database

- a. The import from NLI option allows the institution to import student-athlete data contained in the NLI database.

- b. Click the Import from NLI link. The following page will appear:

- c. Select a signing/academic year from which to import student-athlete data by clicking the Signing/Academic Year drop-down box.
- d. Click the Import from NLI button to import student-athlete data for the selected signing/academic year.

A message will appear indicating that the system is processing the user's request. The user should refrain from clicking the Import from NLI button multiple times.

- e. A message will appear indicating that the student-athlete data for the selected signing/academic year has been successfully imported via the NLI database.

Importing Data from the Institutional Request List (IRL)/NCAA Eligibility Center

- a. The Import from IRL option allows the institution to import student-athlete data contained in the NCAA Eligibility Center database.

- b. Click the Import from IRL link. The following page will appear:

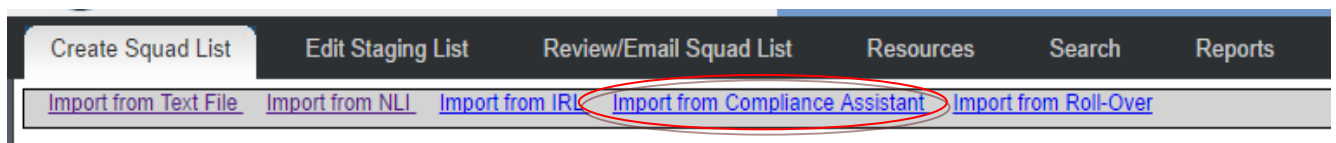

- c. Select an academic year from which to import student-athlete data by clicking the Recruitment Cycle drop-down box.

- d. Please note that the institution must select an academic year from the Recruitment Cycle drop-down box. This field may not be left blank.
- e. Click the Import from IRL button to import student-athlete data from the selected Recruitment Cycle.

Importing Data from Compliance Assistant (CA)

- a. The Import from Compliance Assistant option allows the institution to import student-athlete data contained in CA.

- b. Click the Import from CA link. The following page will appear:

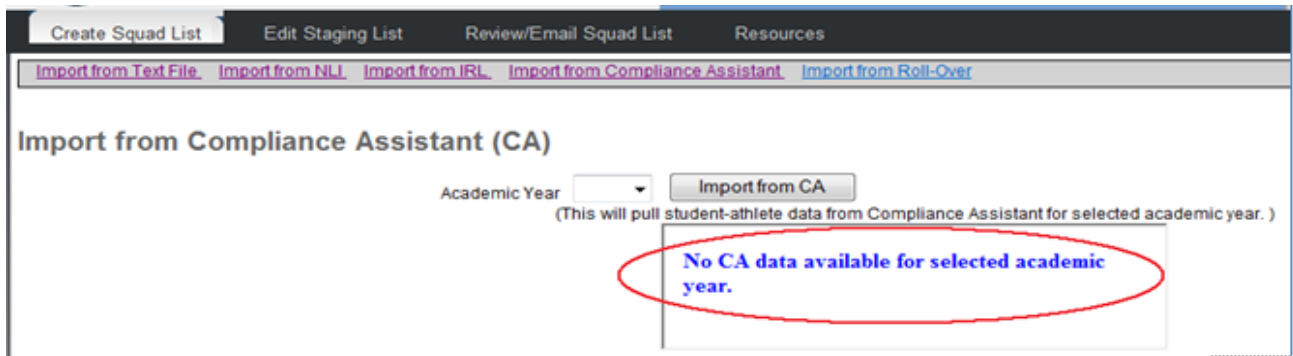

Import from Compliance Assistant (CA)

Academic Year
(This will pull student-athlete data from Compliance Assistant for selected academic year.)

- c. Select an academic year from which to import student-athlete data by clicking the Academic Year drop-down box.

- d. Click the Import from CA button to import student-athlete data for the selected academic year.
- e. If no student-athlete data has been entered for the selected academic year, a message will appear in the text box located to the right of the Import from CA button.

Importing Data from Roll-Over

- a. The Import from Roll-Over function allows the user to roll over the information from the previous year's squad lists.

- b. Begin by selecting the Import from Roll-Over link.
- c. Once the text below the links appears then you can begin to edit the squad list.

Section No. 3: Editing a Squad List

This section includes information on reviewing and editing the squad list prior to emailing the form access information to the student-athletes.

Edit Staging List Overview

- The Edit Staging List area is where imported student-athlete data is pooled and displayed. It can be considered the squad list working area. Institutions must check the Edit Staging List area after importing data to identify duplicate student-athlete records, identify any incorrect information, and to move student-athletes to the final squad list. Duplicate student-athlete records appearing in the same sport may not be moved from the staging area to a squad list.

Viewing Imported Data

- a. To view and edit imported student-athlete data, click the Edit Staging List tab.

- b. Select the appropriate sport from the drop-down box and click the Filter button to display the imported student-athlete records.

Understanding the Imported Data

- Imported data will be displayed in the format below:

Show/Hide Filter Refresh Data Add Student Delete Entire Data from Staging									
Sport		Women's Cross Country	First Name:	Last Name:	Potential Duplicates?	Filter			
Action	Duplicate	NCAA ID	Name	Div	Sport	Email	Type	Details	Action
Move		0910324564 *	Juliette, Kenny	1	Women's Cross Country	jkenny10@naaa.org	Frosh	05/03/1989, RYE, NY, US	Delete

(1) Action

The Action column located on the left-hand side of the main screen provides the institution with the option to move a particular student-athlete to the squad list. After the student-athlete record has been reviewed and verified, click the Move link in the Action column to the left of the student-athlete's name to move the student-athlete to the squad list.

(2) Duplicate

The Duplicate column indicates whether a student-athlete has the same NCAA ID as another student-athlete entered into the system. **Note:** The duplicate record could reside in the same sport, different sport or even a different institution's account.

(3) NCAA ID

The NCAA ID column displays the NCAA ID of the student-athlete. If there is a red asterisk (*) next to the student-athlete's NCAA ID, the displayed NCAA ID cannot be found in the NCAA Eligibility Center database. Student-athletes with an unrecognizable NCAA ID cannot be moved to the squad list.

(4) Name

The Name column displays the student-athlete's first and last name. The name display contains a hyperlink which, when clicked, creates a pop-up window. The institution may update a student-athlete's demographic information via the pop-up window. Click Save to save changes to the student-athlete's record in the database and Close to refresh the main data page.

Update Student-Athlete in Staging Area

Student-Athlete Information

Fields marked with "*" are required fields.

If you want to view or update a student-athlete's record, enter the NCAA ID and click anywhere on this page. The student-athlete's first name, last name and date of birth will be populated for you.

If you think the NCAA ID of student-athlete is incorrect, click on the "Lookup NCAA ID" to find the student-athlete. If you don't find the student-athlete, you can create a student-athlete record and NCAA ID.

Please search for the student-athlete thoroughly before creating new student-athlete record and NCAA ID.

The updating of NCAA ID, Student Type, Division, and Sport Code will update the selected student-athlete record on the main screen of the staging area. The updating of other fields will update all identical records of the student-athlete in the database.

- (5) Div
The Div column displays the division of the student-athlete's sport.
- (6) Sport
The Sport column displays the student-athlete's sport.
- (7) Email
The Email column displays the student-athlete's email address.
- (8) Type
The Type column displays the student-athlete's status as an incoming freshman (IF), incoming transfer (IT) or returning student (RS).
- (9) Details
The Details column displays the student-athlete's date of birth (mm/dd/yyyy) and the student-athlete's home city, state and country. This data may be modified by clicking the student-athlete's name.
- (10) Action
The Action column on the right-hand side of the main screen provides the institution with the option to delete a student-athlete record from the staging area.

Edit Squad List Functions

- In addition to the Filter function, the institution should make note of the Refresh Data, Add Student and Delete Entire Data from Staging functions that appear in the Edit Staging List area.

- Refresh Data**
Click Refresh Data to refresh the data in the screen per the filter defined earlier (e.g., sport).
- Add Student**
Click Add Student to add a student-athlete to the staging area.
Once clicked, the following pop-up window will appear:

Add Student-Athlete to Staging Area

b. NCAA ID

The NCAA ID column displays the NCAA ID of the student-athlete. If there is a red asterisk (*) next to the student-athlete’s NCAA ID, the displayed NCAA ID cannot be found in the NCAA Eligibility Center database.

c. Name

The Name column displays the first and last name of the student-athlete. The name display contains a hyperlink which, when clicked, creates a pop-up window. An institution may make changes to a student-athlete’s demographic information via this window. Click Save to save changes to the student-athlete’s record in the database. Click Close to refresh the main data page.

The updating of NCAA ID, Student Type, Division, and Sport Code will update the selected student-athlete’s record on the main screen of the staging area. The updating of other fields will update all identical records of the student-athlete in the database.

If a student-athlete is under the age of 18, the student-athlete will be identified as a minor in the pop-up window. Once the institution has received the student-athlete’s minor consent form, the institution may check the box to the right of MINOR Consent Form Received?

If a student-athlete has completed and submitted the compliance forms, the student-athlete cannot make revisions to previous answers. The institution may unlock the student-athlete’s record by clicking Unlock Student if the institution deems it appropriate to do so.

d. Div

The Div column displays the division of the student-athlete’s sport.

e. Sport

The Sport column displays the student-athlete’s sport.

f. Email

The Email column displays the student-athlete’s email address. Upon clicking the Send Email link, the following screen will appear:

Status	NCAA ID	Name	Div	Sport	Email	Type	Details
<input type="checkbox"/>	0708212001	Clayton John	I	Baseball	Email Sent	Frosh	11/30/1993, INDIANAPOLIS, IN, US

If an email has already been sent to a student-athlete, upon refreshing the screen data, a check mark will appear next to the student-athlete’s email address.

NOTE: The initial email will include the student-athlete’s username, password, URL link to the forms and a notation that the student-athlete’s password will expire in thirty days. Subsequent emails will only include the student-athlete’s username, password and the URL link to the forms.

- g. **Type**
The Type column displays the student-athlete’s status as an incoming freshman (IF), incoming transfer (IT) or returning student (RS).
- h. **Details**
The Details column displays the student-athlete’s date of birth (mm/dd/yyyy) and the student-athlete’s home city, state and country. This data may be modified by clicking the student-athlete’s name.
- i. **Action**
The Action column on the right-hand side of the main screen provides the institution with the option to delete a student-athlete’s record from the staging area.

Section No. 6: Resources and Reports/Search

This sections provides information regarding links to frequently used resources and reports available to the administrators of the compliance forms system.

Resources

The Resources tab is broken down into the following categories:

- Division I
- Division II
- Division III
- General
- Reports

All resources are designed to assist the administrator while performing the tasks associated with the completion of the compliance form process. Further, the Reports section provides the administrator the ability to review a particular grouping of student-athletes based on how particular questions are answered or the current status of the forms in the process of being completed.

Reports/Search

The Reports/Search screen provides the user the ability to search for current and previous forms by year, sport or a particular student-athlete.

- a. Enter the search criteria.
- b. Click the Report button.
- c. Search results are displayed in the window.

The screenshot shows a web interface with a dark navigation bar at the top containing the following menu items: Create Squad List, Edit Staging List, Review/Email Squad List, Resources, Search (highlighted), and Reports. Below the navigation bar is a search form with the following fields: Academic Year (dropdown menu), Sport (dropdown menu), First Name (text input), Last Name (text input), and a Search button. Below the search form is a table header with the following columns: NCAA ID, AcadYr, First Name, Last Name, Sport Desc, E-mail, and E-mail Sent.

Section No. 7: Submitting Comments and Questions

Please direct comments and questions regarding the NCAA Compliance Forms Database to ncaatechnology@ncaa.org.
