1. Go to <http://championships.ncaa.org/>.
2. Enter your login credentials for the portal. If you have not yet created an account for this system previously, please click on the Request Account link and create your username and password.
3. Once logged on, click on the tab entitled "AQ Forms." This will direct you to your conference's automatic qualification home page.

Please complete the necessary information for all your sports, then fill out the final confirmation and contact section. Submission of this final section will complete the process for all sports. You are not required to complete the form at one time; you may save at any point and continue later. A progress bar, as well as checkmarks next to completed sports, will assist you in keeping track of where you are in the process. You may access and, if necessary, edit the form at any time before the due date.

All automatic-qualification data is retained at the national office. Therefore, for previously submitted applications, most questions will populate with last year's responses. Please confirm information copied from a previous year, and make adjustments as necessary.

**Additional information for single-sport conferences.** Per NCAA Bylaw 31.3.3.1.2, a waiver form for eligible Division III single-sport conferences is also available on the NCAA website. This form is separate from the standard declaration form. Please note that **waiver forms need to be submitted only once** for the purpose of granting initial automatic qualification, unless the makeup of the conference changes or other issues change the status of the waiver approval. In these instances, the conference must reapply for the waiver exception. Single-sport conferences **that already have been granted automatic-qualification privileges via the waiver in a previous year should complete the standard automatic-qualification declaration form on an annual basis as outlined above.**

Also attached for planning purposes is a summary of selection dates and automatic qualifier notification due dates for 2018-19. Conference offices, or their designees, should notify the NCAA of their automatic qualifier by sport via the following link: <https://www.planningpoint.net/Events/CHAMPSAQ>. Specific information regarding each championship's reporting timeline can be found within the respective pre-championships manual for that sport.

Please contact Kerstin Hunter, assistant coordinator for championships and alliances, at 317-917-6222 or [khunter@ncaa.org](mailto:khunter@ncaa.org) if you have any questions regarding this process.
