**General Guidelines.** The host institution/conference/sponsoring agency is responsible for securing hotel accommodations for all participating teams; NCAA staff; committee members and other special guests and officials. Please note that it would be permissible for the NCAA to be assigned to the same property as the officials. (Officials and teams may not stay in the same hotel). All hotels shall be in close proximity to the course. The team hotel(s) must be of comparable quality and distance from the course. Attempt to secure a special rate and the NCAA accepts standard complimentary policy of at least 1/50.

Bids will be awarded contingent upon the successful negotiation of housing needs at reasonable rates. Failure to secure such reasonable rates and properties may result in rescinding of the bid award.

The host institution/conference or sponsoring agency must guarantee sufficient housing is available to meet the room block needs identified in the sport specific bid specification. Properties must meet the required service levels and be in reasonable proximity to the event venues. Rooms should not be secured or contracted nor should rates be discussed with specific properties, unless requested to do so by the NCAA.

Bid responses may highlight any recommended properties Anthony Travel should consider when contracting. Specifications should also disclose any special relationships, agreements and/or financial arrangements you may have in place with the recommended properties. Anthony Travel will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

All hotels contracted must have experience with and understand the needs of large groups. For certain championship events, additional room blocks may be required for fan travel.

The NCAA or its designees shall have the exclusive right to sell products licensed by the Association for merchandising at the selected hotels (inside and outside the premises controlled by the hotels). The hotel will provide adequate space in its lobby for such sales.

Contracted properties will be responsible for complying with all requirements in the contract terms as presented in the sample contract.
Specific Guidelines:

The host is responsible for designating a headquarters hotel and reserving an adequate number of rooms for participants (4 rooms with a minimum of 3 double/doubles for each team) and NCAA representatives.

The host institution will advise institutions that it is their responsibility to confirm the hotel reservations and provide rooming lists. Please advise the hotel that participating institutions may not contact the hotel before the selection date.

Rooms should be reserved for the night prior to the first practice round. It is possible that a team/individual may not arrive until the day of the practice round or arrive two days prior to the first practice round and the hotel should be informed of this situation.
