Foundational – Presenter will share entry-level content. These sessions may include a basic overview of legislation, basic case studies, straightforward application of legislation and associated interpretations, and/or an introduction to navigating the academic and membership affairs processes.

Advanced – Presenter will share advanced-level content. These sessions may include a narrow review of specific legislation and associated interpretations (e.g., existence of uncertainty, confusion and high volume of questions and/or misapplication), complex case studies, best practices for interpreting and applying the legislation, and associated interpretations and/or a specific review of navigating the academic and membership affairs processes.
