Selections

Selections for the 2015 NCAA Division III Men’s Volleyball Championship will be announced at 10 a.m. Eastern time, Monday, April 13 via web stream on NCAA.com.

Preliminary-Round Schedule

First Round: Saturday, April 18: 4 and 6:30 p.m. Eastern time

Bid Checklist

The following materials must be submitted by institutions that wish to be considered as hosts for preliminary-round competition. All materials are due by 5 p.m. Eastern time, Friday, March 27.

Aside from the submission of your institution’s certificate of insurance, each of the online forms listed below may be accessed and submitted through the championships host portal, located at the following link: https://championships.ncaa.org.

______ Proposed Budget(s). An online proposed budget must be completed for each round of competition you wish to host. For those institutions submitting bids for multiple rounds, a ‘copy’ function is available via the Budget System tab and will allow you to copy the budget for another round. The appropriate round and date of competition must be indicated on each budget. Please be sure to include projected ticket sales in the Receipts section.

Please carefully review Section 2.5 of the 2015 NCAA Division III Men’s Volleyball Pre-Championship Manual, prior to submitting a proposed budget, and make note of the following for all preliminary-round games:

• Effective with the 2014-15 academic year, institutions will not receive an honorarium for hosting non-predetermined competition. In addition, hosts will not receive per diem; consult the 2014-15 travel policies for further detail.

• All lodging expenses for officials and site representatives (if needed) must be included in your budget. Officials’ fees, per diem and travel expenses do not need to be included, nor do per diem and travel expenses for site representatives – the NCAA will pay those expenses directly.
Facility Profile. An online facility profile form must be completed by each institution interested in hosting preliminary-round competition. Information regarding video board, LED board and/or ribbon boards should be entered via the “Boards/Control Room” tab of the applicable venue profile.

A facility profile can be maintained and updated on a regular basis. If a facility can host multiple sports, check the appropriate box(es) under the Sports tab of the facility profile to provide the information for that facility. Refer to Section 2.5 and Appendix C of the Pre-Championship Manual for minimum court dimensions, alternate sites and site selection procedures.

Lodging. Bids must include hotel contracts or confirmation of the number of rooms reserved at each hotel and the nightly rate. The selection of a competition site may be dependent on the availability and quality of rooms for participating institutions.

Key Contacts. The key contacts for your institution should be entered and/or maintained as necessary within your profile. Please enter the information for the key personnel associated with running a championship at your site.

If you previously submitted key contacts for this championship, a key contact form will automatically be created by the system. Please review the information by clicking on the PDF icon next to the Contacts link to ensure accuracy. This step is imperative to prevent incorrect or duplicate information. If edits need to be made, please click on the Contacts link and make the necessary updates.

Personnel who will administer the competition should be listed within the key contacts section of the Championships Bid and Host portal. Information must be entered on both the General tab and the Role/Titles by Sport or Facility tab. Please include the proper mailing address for overnight deliveries. P.O. Box addresses are not acceptable.

Safety and Security Plan. Based on a review of current and future championships competition venues, discussions with safety and security experts, and their own expertise and knowledge, the NCAA has established a Safety and Security Advisory Group (SSAG) to develop a compilation of Best Practices for NCAA Championships, which can be found here. We urge each competition venue to take these Best Practices into account when developing its safety and security program.

As part of your bid, please submit a safety and security plan for your venue. You must also submit the NCAA Championships Safety and Security Team contact information form, located in Appendix A of the Best Practices document. These documents should be submitted using the document upload in the championships bid and host portal.

Liability Insurance. NCAA regulations require that host institutions and sponsoring agencies of NCAA championships shall have in place primary comprehensive general public liability insurance coverage, with combined single limits of at least $1 million per occurrence for bodily injury and property damage.
Self-insurance programs meet the provisions of this regulation, as long as they meet the specifications (i.e., primary comprehensive general public liability insurance coverage, with combined single limits of at least $1 million per occurrence for bodily injury and property damage).

Therefore, it will be necessary for host institutions to provide the national office with the appropriate certificates of insurance or documentation of self-insurance. This can be sent to travel@ncaa.org.

The NCAA no longer requires that it be listed as an additional insured. Accordingly, the NCAA will not reimburse institutions for the cost of insurance. Please note that the NCAA must be listed as the certificate holder.

Note: If host institutions must purchase a special events insurance policy, the institution should submit confirmation in writing. However, the certificate of insurance must be submitted to the NCAA national office 48 hours before the championship. In addition, if your institution has previously submitted to the NCAA an active, non-sport specific certificate of insurance for the current academic year, you do not need to resubmit an additional certificate at this time.
