NOTE: IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE CHAMPIONSHIP BID SPECIFICATIONS THAT FOLLOW (SECTIONS I-XI) AND ANY SUCH SPECIFICATIONS IN THE SPORT-SPECIFIC BID SPECIFICATIONS DOCUMENT, THE SPORT-SPECIFIC BID SPECIFICATIONS SHALL PREVAIL AND GOVERN THE MATTER.
INTRODUCTION

The National Collegiate Athletic Association (“NCAA” and/or “Association”) invites all qualified member institutions/conferences and sports commissions/foundations to submit a proposal to host one or more of the NCAA championships set forth below in the “Championships Available for Bids” in Section III. The information in this Championships Bid Specifications document is being provided to ensure all prospective hosts for NCAA championships are aware of the established policies and procedures and recommendations to enable them to conduct a successful NCAA championship. It is understood that some of the recommendations may not be appropriate for all championships but are being provided for consideration by potential hosts.

These specifications and the accompanying attachments provide the minimum bid specifications for hosting any of these championships, as well as essential information that will provide assistance in the development of a creative, comprehensive and competitive bid proposal. The NCAA awards the privilege of hosting an NCAA championship to institutions years in advance so those communities may work collaboratively with the NCAA to create positive experiences for its student-athletes, participating institutions, fans and the community.

A member institution or member conference of the NCAA must be designated as the host institutionconference for each championship. The administration of each championship is under the authority of the respective sports committee subject to final authority of the appropriate divisional NCAA Championships Cabinet or Committee. All activities and events associated with the championship are to be approved by the sports committee.

NCAA CHAMPIONSHIP POLICY RELATED TO SPORTS WAGERING: No predetermined session of an NCAA championship may be conducted in a state with legal wagering that is based on single-game betting or the outcome of any event (i.e., high school, college or professional) in a sport in which the NCAA conducts a championship. This policy currently excludes the state of Nevada.

NCAA CHAMPIONSHIP POLICY RELATED TO SPORTSMANSHIP: For intercollegiate athletics to promote the character development of participants, enhance the integrity of higher education and promote civility in society, student-athletes, coaches, and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation, but also in the broad spectrum of activities affecting the athletics program.

NCAA CHAMPIONSHIP POLICY RELATED TO THE USE OF CONFEDERATE FLAGS: No predetermined session of an NCAA championship may be conducted in a state where the confederate flag is flown. This policy currently excludes the states of Mississippi and South Carolina.

NCAA CHAMPIONSHIP POLICY RELATED TO AUDITING OF CHAMPIONSHIP SITES: NCAA championship sites may be randomly selected for financial and box office audits following the championship. Audited sites will be notified after the financial reports have been submitted. Competition venue and honorarium settlements are subject to change until the audits are reviewed and accepted by the NCAA. If selected for audit, the following documentation will be requested: ticket reports; invoices, contracts or timesheets supporting all expenses; general ledger; bank statements; and the competition venue rental agreement. The documentation should support all information on the host financial report.
Additionally, the NCAA expects all hosts to have policies in place for crowd control, fan conduct, safety of all participants, and other appropriate guidelines that support the NCAA’s position on sportsmanship and its commitment to operating the finest athletics events in the world. **Each host will be required to submit a safety and security plan upon the awarding of an NCAA championship.**
Following is a schedule of anticipated activities/meetings which comprise the bid process. As needed, adjustments in schedule and logistics may be made, at the discretion of the NCAA.

A member institution or member conference of the NCAA must be designated as the host institution/conference for all NCAA championships. The administration of the championships is under the authority of the respective NCAA sport committee, subject to final authority of the respective NCAA Division I Championships/Sport Management Cabinet, Division II Championships Committee or the Division III Championships Committee.

To submit a bid, please visit [http://championships.ncaa.org](http://championships.ncaa.org).

Upon the announcement of sites, championship events will be awarded to hosts contingent upon the successful negotiation of contracts and submission of the below documents.

A. Host contract (includes cover agreement, bid response, confirmation documents from supporting athletics director and/or venue manager, if applicable, negotiated terms and budget).
B. Key contact information.
C. Marketing plan (at TBD date).
D. Emergency management plan (at TBD date).

The deadline for submitting a proposal to host a championship(s) is 11:59 p.m. Eastern August 21. The appropriate NCAA sport committee will review all proposals and will forward its recommendations to the NCAA Division I Championships/Competition Committee. NCAA sports committee decisions are not considered final until they are approved by the respective NCAA Championships Cabinet or Committee.

Each prospective host will be notified directly and in advance by the NCAA staff prior to an official announcement of championship hosts being issued by the NCAA regarding the status of their bid.

Bids are awarded in principal pending the successful negotiation/resolution of any exceptions declared in bid documents as well as the negotiation and contracting of sufficient hotel and ancillary space as defined in the bid specifications.

Hotel properties will be contracted directly by the NCAA in most instances, as defined by the sport specific bid specifications, and host will be expected to execute the agreement document, which is outlined in the appendix.

Selected hosts and sites will also be required to submit a key contact form, marketing plan and emergency management plan at specified times prior to the execution of the championship and pursuant to the agreement.
ANNOUNCEMENT OF HOST

The NCAA, in conjunction with the selected host, will develop a communication plan for the announcement of the bid award. Each prospective host will be notified directly by the NCAA staff. By bidding on the championship, each prospective host agrees that it shall coordinate in advance with the NCAA regarding media and all other public discussions, including but not limited to press releases and any public comments or announcements.

Prospective hosts shall not announce to the media whether they have been awarded the bid without first consulting the NCAA. Prospective hosts not receiving bids will be notified in advance by the NCAA’s championship staff and shall not release this information publically until authorized to do so. Cities that are awarded a future championship shall not conduct a press conference, issue a press release or make any public comments or announcement until cleared by the NCAA.

A static IP is preferred. If only a dynamic IP is available, the minimum speeds must be 4mb upload and 6mb download. The connection should be no more than 150 feet from the broadcast location. The venue shall also provide basic IT support for the connectivity.

Official live statistics shall be provided by the host institution/conference. Host institutions/conferences may be required to purchase or upgrade necessary software in order to supply appropriate feeds. The costs to upgrade or purchase this software shall be the responsibility of the host institution/conference. Generally, the software version that will be required will be the latest version available by the manufacturer. Specific requirements will be shared with competition venues prior to the event and the host institution shall make the necessary upgrades or purchases prior to the start of competition.
1. The competition and/or practice venue(s) shall retain, operate and control all food and beverage concession rights subject to the provisions of this section unless otherwise prescribed by the NCAA.

   If permitted by private lease agreement, alcoholic beverages may be consumed inside the private suites. However, alcoholic beverages may not be delivered to private viewing suites on the dates of NCAA practice or competition. Additionally, it is not permissible for alcoholic beverages to be distributed or consumed in the competition venue outside the private viewing suites unless otherwise approved by the NCAA.

5. The NCAA shall determine in its sole discretion whether alcohol will be sold or distributed at the ancillary events. The venue, LOC/host and/or caterer shall be responsible for any permits unless otherwise directed by the NCAA.

6. Promotional items (e.g., cups, shakers, flags, signs, etc.) with commercial slogans or identification or other unauthorized markings are not permitted inside the practice, competition and/or ancillary event venue(s), inside surrounding areas/facilities that are to be used, or outside on practice, competition and/or ancillary event venue property unless expressly approved in advance by the NCAA. Demographic or other studies may not be conducted unless approved in advance by the NCAA.

In some cases, the NCAA will conduct an onsite study and will provide the data to the host once the study is completed. In other cases, the NCAA will support the hosts’ efforts to execute a study. This can be done using the hosts’ own approach/tools or the NCAA’s Economic Impact Study "In-a-Box" tool."
1. The NCAA retains the exclusive right to sell souvenir products at all rounds and sites of the 89 Championships; host institutions/conferences and sponsoring agencies for all NCAA championships are required to sell items provided by the official NCAA event souvenir merchandiser.

2. The official NCAA event souvenir merchandiser is Event 1, Inc., a subsidiary of GEAR FOR SPORTS, Inc.

3. Event 1, Inc. will enter into an agreement with the official vendor of the host institution/conference or sponsoring agency, and will supply merchandise and inventory reconciliation forms to the official vendor. The official vendor of the host institution/conference or sponsoring agency at the site of the championship(s) is responsible for complete retail vending accountability, including full responsibility for inventory. When the requirements listed below are met, the host institution/conference will receive a 20 percent commission fee for providing these services. The following is a list of the requirements that must be met to qualify for the 20 percent commission fee:
   a. Receive and count in all inventory upon arrival of merchandise from Event 1, Inc.

   c. Total management, control, and accountability of the merchandise. If goods are lost, stolen or damaged, those goods are the responsibility of the host institution/conference or vendor.
   d. At the conclusion of the event, everything sent must be returned to Event 1 within two days of the conclusion of the event.
   e. An appropriate number of selling locations and sellers throughout the facility in order to meet the demands of the projected crowds.

h. A complete inventory accounting of all merchandise sold with a final inventory count and merchandising report supplied to Event 1, Inc., no later than 24 hours after the conclusion of the event.

j. The remaining inventory forwarded to Event 1, Inc., or the next event site as determined by Event 1, Inc., within two days of the conclusion of the event.

k. Having met each of the above requirements, Event 1, Inc. will pay to the host institution/conference, sponsoring agency or its assigned vendor, a commission equal to 20% of sales net of taxes and credit card service fees. The host institutions will keep commissions earned and the remaining money owed to Event 1 must be sent within 7 days of the conclusion of the event.

5. A buy-out option can be made with Event 1/NCAA when the host institution/conference wants to sell merchandise that features the host mark or logo at the NCAA competition. This can only be done when the host institution/conference agrees to purchase the entire product that Event 1 provides. The host institution/conference will receive a 20 percent commission fee of net sales, gross sales minus credit card fees and taxes, on product supplied by Event 1. The host institution or official vendor will provide the NCAA 15 percent of sales (or another percentage to be exclusively determined by the NCAA) (net of taxes and credit card service fees) of all non-NCAA championship merchandise. The quantity of NCAA merchandise available for sale shall not be less than a comparable shipment to a comparable site of the previous year's championship [NCAA Bylaw 31.6.2-(a)].

FAN FESTIVAL AND ANCILLARY EVENTS

1. **Facility Space.** During the championship, the NCAA may request venue(s) or space(s) for use as a fan festival area or to host various ancillary events. The host city shall provide, free of charge, venue(s) or space(s) that will ideally be adjacent to the competition venue, but must not be outside of a ½ mile radius of the competition venue. In certain instances, the NCAA may desire venue(s) or space(s) outside of the ½ mile radius of the competition venue (e.g., to conduct an event in a high traffic urban center or if the venue is further than a ½ mile radius from a high traffic urban traffic center). In these instances, shall provide the venue(s) or space(s) at no cost to the NCAA.

   Furniture, fixtures and equipment, if available (e.g., tables, chairs, bike rack, trash cans, etc), shall be provided to the ancillary events at no cost to the NCAA. The LOC/host shall be responsible for providing adequate restroom facilities for the ancillary events.

2. **Indoor or Outdoor Space.** Both indoor and outdoor space will be considered for ancillary events. For hosts in cold-weather cities without access to indoor facilities, a large climate-controlled and well-lit tent which is in compliance with all applicable city, state or Federal laws and regulations, including those concerning access for the disabled also will be considered.

3. **Supervision and Management.** The LOC/host shall assign one person to produce, coordinate and manage all aspects of the fan festival/ancillary events, unless the NCAA chooses to engage a third-party vendor to manage the fan festival/ancillary events. Responsibilities of the LOC/host may include, but are not limited to: procurement of appropriate space; communication with NCAA staff and partners about space needs; space allocation; management of advance shipping, set-up and tear-down; on-site oversight of the fan festival; as well as production, coordination and management of the on-stage ancillary events including procuring and managing the selected audio-visual vendor. The NCAA will provide guidance, oversight and approvals for all of these areas, but may ask the LOC/host representative to be the lead organizer and day-to-day contact for these events if the NCAA does not choose a third-party vendor.

4. **Exclusivity.** Confirmation that no agreement or understanding will be made that would entitle any corporation or third party to contract space within the chosen venue(s) or in the same outdoor space(s) as the NCAA fan festival/ancillary event without the approval of the NCAA.

5. **Office Space.** Office space for the NCAA and any affiliated production companies, preferably overlooking the fan festival/ancillary event space, will be provided whenever possible.

6. **Tractor-Trailer and Box Truck Space.** Space for several tractor-trailers and box trucks to load-in, load-out, and, if necessary, parking shall be provided at the venue used for the fan festival/ancillary event. Since certain tractor-trailers and box trucks may be used as part of a permanent fan festival/ancillary event display at the fan festival/ancillary event, an adequately sized entry to the venue for these vehicles should also be provided. This space shall be a secured area within a mile of the chosen venue or space; the LOC/host is responsible for ensuring sufficient lighting is available in this area.

7. **Parking Spaces.** A minimum of 20 complimentary parking spaces for NCAA staff and designated fan festival/ancillary event participants shall be available and must be in close proximity to the chosen venue or space.
8. **Financial Arrangements.** Space shall be provided to the NCAA at no charge including all basic associated charges such as security, power, water, phone/internet, cleaning, heating/air-conditioning, lighting, set-up and tear down (for temporary structures).

9. **Products.** The NCAA and its designated representatives shall have the right to provide complimentary sampling of food and beverages of its choice in sizes no smaller than four ounces in the fan festival/ancillary event area. Promotional giveaway items also should be permitted, but will be shared with the venue for mutual agreement. The requirements in this section apply if there is a concession agreement in place that specifically limits sampling sizes. Otherwise, sampling shall be at the discretion of the NCAA.

10. **Merchandising.** The NCAA, or its designee, shall have the exclusive right to market and sell products licensed by the NCAA and will administer all souvenir merchandising within the fan festival/ancillary event space. The NCAA, or its designee, shall not be charged a royalty exceeding 10% for any such sale.

11. **Electrical.** At no expense to the NCAA or its designee, the venue shall provide sufficient electrical power and a sufficient number of power outlets for the fan festival/ancillary event space.

12. **Advertising.** Other than permanent advertising signs outside the venue proper, no promotional, public relations, political or advertising activity may take place in the venue during the time it is used for the NCAA fan festival/ancillary event without approval from the NCAA. No advertising banners, signs or displays of any kind may be hung, posted or displayed anywhere within the venue space during the dates of the NCAA fan festival/ancillary event without the approval of the NCAA. Any permanently affixed advertising, banners, signs or displays within the NCAA fan festival/ancillary event area shall be covered by the venue at its expense.

13. **Staffing.** The venue or LOC/host shall provide and pay for all services deemed necessary for the fan festival and ancillary events by the NCAA or its designee, including but not limited to: security; janitorial services; a first-aid room staffed by paramedics or other certified emergency medical personnel; maintenance and clean up for all areas used by the NCAA or its affiliates; recycling resources, volunteers and any necessary police support. All such personnel are to be under the sole direction and control of the venue or LOC/host and are not to be considered employees or agents of the NCAA or its designee. All staffing plans must be approved by the NCAA.

14. **Food and Beverage Vendors.** The NCAA or its designee shall control all food and beverage rights and retain all food and beverage net revenue for the ancillary events unless other arrangements are authorized by the NCAA. Also, the NCAA may restrict the sale of certain food and beverage products within the ancillary events if they conflict with NCAA corporate champions or partners. For clarity, there shall be no food and beverage buyout required in the ancillary events, and the NCAA shall have the ability to (a) allow its quick-service restaurant or casual dining sponsor to serve food within the ancillary events with no buyout, and (b) bring into the ancillary events outside food and beverage for staff, crew and volunteer meals if desired. Additionally, the NCAA shall determine in its sole discretion whether alcohol will be sold or distributed at the ancillary events. The venue, LOC/host and/or caterer shall be responsible for any permits unless otherwise directed by the NCAA.

15. **Control of Ticket Sales.** The NCAA will control all ticket sales for fan festivals/ancillary events, assigning specific duties to the LOC/host and venue(s) as needed. The LOC/host and venue(s) shall cooperate fully with the NCAA’s official ticketing vendors and/or ticketing partners (e.g., primary ticket sales system
provider, official ticket and hospitality package provider, official fan-to-fan ticket exchange). The NCAA will not be responsible for securing an exemption to any exclusive contracts the LOC/host, venue(s) or surrounding areas/facilities might have, nor will the NCAA be responsible for any buyout or other means necessary to secure such an exemption. Every individual, regardless of age, must have a ticket for admission, unless the NCAA makes an exception to the contrary. The LOC/host or venue shall not require or impose a venue ticket fee or surcharge on the sale of tickets.

Currently, the NCAA produces fan fest events for the following championships: Division I Women’s Volleyball, Division I Football Championship Subdivision, Division I Wrestling, Division I Men’s Basketball, Division I Women’s Basketball, Division I Men’s Ice Hockey, Division I Men’s Lacrosse, Division I Women’s Softball and Division I Baseball.

Further, additional fan activation occurs at the following championships: Division I Women’s Soccer, Division I Men’s Soccer, Women’s Gymnastics National Championships, Division I Women’s Lacrosse, and Division I Outdoor Track and Field.
Although the championship is played at the competition venue, the increasing number of guests, activities and hotel facilities make the championship an event of region-wide impact. As such, a number of government guarantees are requested, in part to protect the rights of the NCAA.

1. **Ambush Marketing.**

   a. **Commercial-Free Zone.** If requested by the NCAA, the LOC/host and the appropriate governmental agencies, in cooperation with the NCAA, shall also establish an area(s) (designated on a case-by-case basis, but typically encompassing the NCAA hotels, team hotels, major ancillary event venues and the competition venue) which shall be free from temporary advertising, marketing, promotional and commercial activities not expressly authorized by the NCAA. Restrictions shall apply to publicly- and privately-owned exterior spaces or spaces temporarily enclosed.

   At a minimum, the temporary sale or complimentary distribution of food, beverage, literature merchandise, or temporary entertainment, not expressly authorized by the NCAA, shall be prohibited within the commercial-free zone on public property and on private property subleased for temporary business specific to the timing of the NCAA event.

   Also, the LOC/host shall work with the NCAA and governmental agencies to otherwise protect against false association, commercial and non-commercial, with the NCAA and the championship.

   b. **Merchandising/Trademark Enforcement.** Appropriate city, county or other governmental entities shall (1) provide full cooperation to the NCAA in preventing unauthorized use of the NCAA’s trademarks, championship tickets, or other intellectual property and the sale or distribution of unlicensed NCAA merchandise, and (2) cooperate with the NCAA by permitting the NCAA the right to pursue (at NCAA expense) legal enforcement measures against any seller or distributor of unlicensed merchandise. The governmental entities shall help to identify and communicate information regarding sales or distribution of unlicensed merchandise to the NCAA. The decision to pursue civil legal action or settle claims against a seller or distributor of unlicensed merchandise shall be at the sole discretion of the NCAA.

2. **Public Safety/Security.**

   a. **Event Safety Commitment.** The LOC/host and agencies responsible for public safety shall be financially responsible for any charge for public security/safety services provided outside the competition, practice and/or ancillary event venue(s) and with regard to all other venues used for any NCAA official events as described in these specifications.

   b. **Security Personnel.** The competition, practice and/or ancillary event venues are required to provide experienced qualified security personnel in all positions for the championship. A comprehensive staffing plan with identification of key personnel and their experience shall be provided to the NCAA as part of the security plan that accompanies the bid. In the event that appropriate personnel cannot be provided (as reasonably determined by the NCAA) and after 30 days notice to the competition, practice and/or ancillary event venue(s) and the LOC/host, the NCAA, at its sole discretion may contract with a security organization of its choice, at the LOC's/host's expense.
3. **Safety/Medical/Emergency Preparedness.** Upon the awarding of the bid, the LOC/host, in conjunction with appropriate federal, state and local agencies and officials, shall submit to the NCAA a coordinated plan for security, law enforcement, and emergency preparedness and response, including all aspects of public safety. The LOC/host will be required to integrate the activities of law enforcement agencies, public health, public safety, emergency medical service (EMS), emergency management organizations and health care organizations. This safety/security plan shall be consistent with industry best practices, takeaways from similar events and observation/evaluation of prior championships. The development and implementation of this plan shall be provided at no cost to the NCAA.

4. **Fire and Medical Emergency Agencies.** The NCAA requires support be obtained from fire and medical emergency agencies during the championship and during other events related to the championship. Local fire and EMS services shall be provided to the NCAA during the championship and during other events related to the championship at no cost to the NCAA.

5. **Tax Exemptions.** The NCAA is a 501c(3) tax exempt organization and the bid respondents shall specify any state or local tax exemption that will be granted to the NCAA. If tax exemption is not applicable, then all applicable taxes and rates shall be disclosed (disclose in the sport-specific facility questionnaire) and any increases in the tax rates from the time the bid submission shall be absorbed by the bid respondent or rebated back to the NCAA if bid respondent is approved for a NCAA championship.

6. **Open Records / Public Information Laws.** The NCAA requires the disclosure of all state and/or Local Open Records/Public Information Acts laws which could apply to any agreements or documents entered into or supplied to the Bid and/or Local Organizing Committee.

7. **Insurance Requirements.**
   
   **On Campus**

The NCAA has partnered with Anthony Travel, Inc. to manage the NCAA Championship Housing Program and all championship housing needs. Anthony Travel serves as the housing partner for hundreds of events annually and, through strong relationships with various hotel brands, is able to deliver the appropriate mix of amenities, location and price for hundreds of thousands of room nights each year. Utilizing their expertise, Anthony Travel will be responsible for managing the selection and contracting process for all championship housing accommodations.

Housing will be required for all participating teams, NCAA staff, committee members, media, game officials, and other special guests as designated by the NCAA. Separate hotels are needed for the NCAA, media, officials and participating teams unless specified otherwise by the NCAA. It may be permissible for the media or game officials to be assigned to the same property as the NCAA headquarters hotel. (Game officials and teams may not stay in the same hotel.) Efforts will be made to provide some deference to the official corporate champion/partner in the hotel category (should one exist at the time of contracting) of the NCAA. While hotels are the primary housing offerings that will be contracted, alternative options may be considered in certain situations.

Bids will be awarded contingent upon the successful negotiation of housing needs at reasonable rates. Failure to secure such reasonable rates and properties may result in rescinding of the bid award.

Host Institution/Conference/Sponsoring Agency Obligations
The host institution/conference or sponsoring agency must guarantee sufficient housing is available to meet the room block needs identified in the Sport Specific Bid Specification. Rooms should not be secured or contracted nor should rates be discussed with specific properties, unless requested to do so by the NCAA.

Bid responses may highlight any recommended properties Anthony Travel should consider when contracting. Properties considered by Anthony Travel and the NCAA must meet the required service levels, room type needs, amenities, and proximity to venues required by the specific championship. Bid responses should disclose any special relationships, agreements and/or financial arrangements you may have in place with the recommended properties. Anthony Travel will take into consideration all recommendations when selecting hotels; however, guarantees cannot be made that contracts will be secured with these properties.

The Contracting Process
During the bid evaluation process, the host institution/conference or sponsoring agency may be contacted by Anthony Travel to obtain additional information on their housing recommendations. Once the bid is awarded, Anthony Travel will manage a request for proposal (RFP) process to evaluate, secure and contract all hotels for the necessary room blocks and sports specific housing needs. Housing recommendations provided in the bid specifications will be taken into consideration; however there is no guarantee that these properties will be contracted. Prior to
being finalized, housing recommendations will be presented to the NCAA to obtain feedback/input. All hotel contracts will be drafted using a standard contract template and signed by the NCAA. Information related to the room blocks and housing will be communicated on a timely basis to the host institution/conference or sponsoring agency and the participating teams. Each team will be responsible for making their housing reservations and providing final rooming lists. In making housing arrangements, NCAA rules state once the teams/qualifiers have been determined and assigned to their hotel, the reservations should be reconfirmed in the names of the institutions; and thereafter, the institutions shall be responsible for the reservations. Participating institutions are ultimately responsible for the rooms reserved by the NCAA / Anthony Travel.

Please refer to sport-specific bid documentation for additional specific championship housing needs and expectations. A sample housing contract has been included in this document.

The NCAA is a 501c(3) tax exempt organization and the bid respondents shall specify any state or local tax exemption that will be granted to the NCAA. If a tax exemption is not applicable, then all applicable taxes and rates shall be disclosed (disclose in the sport-specific facility questionnaire) and any increases in the tax rates from the time the bid submission shall be absorbed by the bid respondent or rebated back to the NCAA if bid respondent is approved for a NCAA championship.

b. The NCAA will provide tickets, as necessary to the LOC/host and/or competition venue for those suite holders displaced to fulfill the NCAA suite seat requirements.

c. Subject to NCAA approval, suites not made available to the NCAA or its designees shall remain under the control of the competition venue, but the face value ticket revenue for such suite seats will belong to the NCAA.

d. Suite holders will have the opportunity to purchase tickets for the suite to which they have purchased tenant rights. The venue’s box office staff if assigned by the NCAA, shall solicit and confirm suite purchases by suite holders. At that time, suites not purchased by suite holders will be made available to the NCAA for additional use/sales opportunities in accordance with the agreed upon financial parameters.

d. **General Public Assignments.** Subject to NCAA approval, the assignment of general public seats is the competition venue box office’s responsibility, unless directed otherwise by the NCAA. The seat locations shall be designated by the NCAA. The competition venue must be in compliance with all applicable city, state or federal laws and regulations including those concerning access and seating for the disabled and assist with inquiries from ticket holders in need of disabled tickets. Additionally, the box office shall assist with all lost, stolen, or misdirected ticket issues. The competition venue shall be responsible for the labor necessary, as well as costs incurred, to process and distribute lost, stolen, or misdirected tickets.
