ABOUT YELLOWJACKET ATHLETICS

Home of the Yellowjackets, the Montana State University Billings department of intercollegiate athletics supports 15 men’s and women’s varsity sports which compete in the NCAA at the Division II level. MSUB is one of 11 full-time members of the Great Northwest Athletic Conference, which features 11 championships throughout each academic year.

More than 240 student-athletes compete on MSUB’s teams, and members of Yellowjacket teams posted a collective 3.21 grade point average during the 2016-17 academic year.

MSUB-sponsored varsity sports include men’s and women’s teams in basketball, cheer/stunt, cross-country, golf, soccer, indoor and outdoor track & field, as well as baseball, softball, and women’s volleyball.

In 2016-17, MSUB’s women’s golf team and baseball team each won the GNAC Academic All-Sport titles for their given sports. The ‘Jacket golfers’ collective 3.74 team GPA tied the conference’s mark for highest-ever by a team in any sport during a given academic year, and it was the team’s fourth title in the last five years. For baseball, it marked the fourth consecutive year claiming the award.

On the track, junior sprinter Sam Zook made headlines by breaking three school records and becoming the first male outdoor All-American in school history. MSUB’s baseball and men’s basketball teams earned berths into the GNAC Championships, and the men’s soccer squad posted its best record since the 2012 season with a mark of 9-6-3 overall.

The NCAA Division II West Region Cross Country Championships returned to Billings for the second time in the last three years, with another successful event occurring at Amend Park. MSUB also inducted three new members to its Hall of Fame, including Samantha and Tom Milroy, and Tanya (Petersen) Hauptman.

Highlights from the 2015-16 season included a second NCAA West Region Championships berth for MSUB’s women’s basketball team in the last three years, as the Yellowjackets played their way to the title game of the GNAC tournament before advancing. Junior Alisha Breen led the GNAC in scoring with 17.4 points per game, and senior Janiel Olson broke the school’s career rebounding record.

Senior Della Lyle stole the show on the track for the ‘Jackets, becoming the first All-American in school history on the women’s side. She was selected as the GNAC Newcomer of the Year in both indoor and outdoor seasons, and represented the Yellowjackets at the NCAA National Championships.

On the baseball diamond, the ‘Jackets claimed their second straight GNAC regular-season title, setting a program record with 30 victories including their first-ever postseason win in the conference tournament. Junior Cody Cooper shattered the school record with 106 strikeouts in 99 1/3 innings, and senior Luke Reinschmidt closed his historic career by earning first-team all-region honors for a second straight season.

MSUB’s men’s soccer team also had a highlight year, posting its first winning season since 2012. Sophomore Ricardo Palomino led the entire NCAA west region in goals with 16, and earned first-team all-region honors. In women’s soccer, the ‘Jackets advanced to their third GNAC Championship tournament in the last four seasons, after posting a second consecutive winning year.

MSUB hosted three conference championship events and an NCAA Division II West Region Championship for the first time ever during the 2014-15 year. The ‘Jackets welcomed more than 30 teams to Billings on Nov. 22, 2014 for the NCAA Division II West Region Championships at Amend Park, hosted the 2014-15 Men’s and Women’s GNAC Basketball Championships from March 4-7, 2015 at Alterowitz Gym, and capped off the year by hosting the 2015 GNAC Baseball Championships from May 7-8 at Dehler Park.
MSUB also serves as the host of the largest NCAA Division II softball tournament, the Desert Stinger Classic, which was played for the sixth year in a row from Feb. 12-14, 2015 at Majestic Park in Las Vegas.

The 2014-15 year also featured three All-American athletes from MSUB, including senior Kayleen Goggins (women’s basketball), junior Robert Peterson (men’s indoor track & field), and senior Brody Miller (baseball). Miller was also selected as the 2014-15 GNAC Male Athlete of the Year for all sports, just the second baseball player in the conference’s history to win the award, and the second student-athlete from MSUB to collect the honor as he joined women’s basketball star Bobbi Knudsen (2013-14).

Capturing GNAC crowns during the 2014-15 year were MSUB’s baseball and softball teams. The Yellowjackets won the 2015 GNAC Softball Championships and advanced all the way to the semifinals of the NCAA Division II West Region Championships in May.

MSUB’s women’s soccer team also competed for a GNAC Championship title, finishing in second place in the conference standings and earning the No. 2 seed into the conference tournament in the fall of 2014. In men’s golf, senior Jake Hedge also represented the ‘Jackets at the NCAA Regional level, competing as an individual in the championships in Monterey Bay, Calif., from May 6-8, 2015.

In 2013-14, the MSUB women’s basketball team made history by winning the 2013-14 Great Northwest Athletic Conference regular season title and advancing to the NCAA Division II west regional championship game. MSUB’s 2013-14 women’s basketball team joined the Yellowjackets’ 1998-99 squad as the only two in program history to advance to the NCAA regional title game. The latter continued on to the Elite Eight, marking the furthest-advancing MSUB team in the school’s history.

Formerly known as Eastern Montana College, MSUB athletics stem back to the 1927-28 season, the year in which the university was founded. The Yellowjackets have competed in a number of different conferences throughout the years, and prior to the 1980-81 season the athletic department transitioned from the NAIA to competing at the NCAA Division II level.

The MSUB Hall of Fame and Distinction inducted its inaugural class in 1990 and serves as a tribute towards influential figures on and off the court, in both current and retired sports.

**Julien Dragomir led the GNAC with 12 goals in his first season with the ’Jackets.**
Sam Zook won three GNAC titles in 2016-17.

Heather Tracy broke the single-season hits record with 82 in 2017.

Alterowitz Gymnasium, a 2,330-seat facility, is home to the Yellowjackets' men's basketball, women's basketball, and women's volleyball teams. The facility is part of the Physical Education building, which houses the athletic department offices, training room, team locker rooms, workout facilities, and classrooms. During the summer of 2011, the seating areas were given a face-lift with all-new stadium seating installed to give patrons a more comfortable way to watch home Yellowjacket athletic events.
Newly named Avitus Group Stadium following the 2014 season, the field sits on the main campus of MSU Billings and has been the home of the Yellowjacket softball team since 2002. The field is also used for intramural softball. Avitus Group Stadium is situated just north of the PE Building, which houses Alterowitz Gym and the locker room facilities. The installation of bullpens is currently underway, and is expected to be completed prior to the beginning of the 2015 season. The field underwent a small renovation during the summer of 2010, replacing the drainage system and the entire infield. The dirt used in the renovation came from the same spot that is used for the infield dirt at Coors Field, home of MLB’s Colorado Rockies.
Dehler Park is Billings' ballpark. The park features 2,571 individual stadium seats, 500 bleacher seats and grass berms at the end of each baseline. The park is home to not only the Yellowjacket baseball team, but is also the home to high school legion ball and the Billings Mustangs, a short season affiliate of the Cincinnati Reds.

The playing field is recessed eight feet below street level, allowing for a concourse above the seating bowl that completely circles the playing field. On the concourse, each baseline has modern amenities including concession stands and restrooms that are greatly expanded.

Additionally, the Dehler Park concourse includes a "Picnic Pavilion" for barbecues and large group outings, and a "Kid Zone" play area for children.

**Dehler Park Quick Facts**
Address: 2611 9th Avenue North Billings MT 59101

From Interstate 90, take the 27th Street Exit (Exit # 450) and head north on 27th Street. Travel about two miles to the intersection of North 27th Street and Ninth Avenue North and turn right. Dehler Park is located immediately to the left.
The MSU Billings soccer field, known as Yellowjacket Soccer Field, is located on the College of Technology campus and is home to both the men's and women's soccer teams. The field is located at the corner of Shiloh and Central Avenue in west Billings. The field underwent a renovation prior to the 2007 season as a new artificial turf playing surface was installed in place of the original natural grass. A new press box, scoreboard and fence were added to the complex in seasons after, with the new 600-seat bleachers being installed following the completion of the 2011 season.
