REPORT OF THE
NCAA DIVISION II MEN’S AND WOMEN’S TENNIS COMMITTEE
FEBRUARY 1, 2016, TELECONFERENCE

ACTION ITEMS.

- None.

INFORMATIONAL ITEMS.

- **Discussion regarding nonchampionship segment legislation.** The liaison from the Coaches Connection program for tennis forwarded a recommendation to the men’s and women’s tennis committee that would permit countable athletically related activities to occur on 24 days within a 60-day window, similar to the current legislation in golf. Current legislation requires 24 days within the 45-day window. The committee expressed support for such a change.

  Karen Wolf, NCAA assistant director of academic and membership affairs, discussed a second concept of permitting 24 days of countable athletically related activity during a 45-day window and requiring two days off per week, which the committee also supported.
