

Background Check Basic Info

Operators and participating coaches have to go to the Verified Volunteers (VV) website to apply for the background check. Background checks **MUST** be done EVERY year. You cannot operate an event/league, coach or sit on the bench without a valid approval.

Payment is required, which goes to VV for processing. Background checks submitted in a non-event month will have a base fee of \$50.00. Applications submitted during a month when NCAA-certified events occur will also be charged a **\$50 penalty/late fee resulting in the total base cost being \$100.00.**

Additionally, some states and/or counties charge a fee to access your records. You will be required to pay these pass-through fees when you complete your transaction with VV. These fees will be paid to the state/county and cannot be avoided.

- Applicable counties: Several counties in Arkansas, California, Florida, Louisiana, Michigan, Mississippi, New Hampshire, Nevada, New York, Ohio, Tennessee, West Virginia, and Wyoming.
- Applicable states: Colorado, Maine, Montana, New York, South Dakota, and Vermont.
- To view applicable fees: County and State pass-through fees. County fees are on pages 1-3. State fees are on page 4.

WARNING

If you are not granted an approval number prior to your team's participation, you will not be permitted to coach or sit on the bench. The team would then have to participate under the direction of another coach in your organization that has been approved, a coach from another team at the event that has been approved or someone on the event staff that has been approved. If none of these options are available, the team would have to play without a coach. NCAA staff **cannot and will not** waive the participant approval requirements.

AND – If you wait until you get to the event to apply for the background check, you will pay a \$50 late fee in addition to any other required fees and run the risk of still not getting approved in time to coach your team in the event.

NCAA Questions

Please respond to the following questionnaire. Your responses may impact your ability to operate an NCAA-certified event/league and/or engage in coaching activities at an NCAA-certified event.

If you fail to complete the required educational component within 10 days from the date you submit your background check application, your background check WILL BE WITHDRAWN and you will have to re-apply (with additional fees) in order to be re-instated. Have you already completed the educational session OR are you sure that you will be able to complete the required educational component in the next 10 days?

The provision of false and/or misleading information in obtaining certification or approval may result in the inability to obtain an NCAA Participant Approval required to operate or coach in an NCAA-certified event for a period of UP TO FIVE YEARS. Do you understand that if you say that you have already completed the required educational course when you really have not done so OR confirm that you will do so within 10 days of submitting your background check application and then fail to do so could result in a FIVE YEAR denial?
