

**2017-18 Provisional and Reclassifying Institutions
Selection Criteria Policies**

Institutions Entering Division II.

Institutions in the Division II membership process (provisional or reclassifying) will be considered Division II institutions in all required and additional sport-specific selection criteria (as approved by the national sport committee).

NOTE: To be eligible for NCAA Division II championships, an institution must be an active member in good standing per NCAA Bylaw 18.4.2.1-(a).

Institutions Leaving Division II.

Once a Division II institution enters the process to reclassify to Division I or Division III, it is treated as a member of the division to which it is reclassifying (e.g., Division I or Division III). Contests against these institutions will not count in the selection criteria for active Division II member institutions. Division II institutions that are reclassifying to Division I or Division III are no longer eligible for Division II championships once they enter the reclassifying process.
