**Doors will open at 6:30 p.m.** for photo opportunities, buffet dinner and seating.

**Churchill Downs**  
700 Central Avenue  
Louisville, Kentucky 40208  
Park (no charge) and enter near Gate 10

The banquet menu will consist of mixed green salad, roasted lemon garlic chicken and red roasted potatoes, pasta marinara, pasta primavera with cream sauce and vegetables, assorted fall bistro vegetables and dessert including brownies, lemon bars, and cookies. For those individuals with food allergies, please contact Ronee Baxter at ronee@gocards.com

#### Bracket Format

The championship provides for a 6-team, single elimination tournament. First-round competition will be conducted on the campus of one of the competing institutions at two sites. The four-advancing team will compete at a pre-determined final site.

The semifinal games will take place Friday, November 17, and the championship game will be Sunday, November 19.

#### Determination of Home/Away Teams

For all rounds of competition, teams will be designated as home or visitor by the sport committee. Each team must have two sets of shirts and socks; one light set and one dark set. The home team shall wear the dark uniform color and the visiting team shall wear a light uniform in contrast with that of the home team. The games committee and umpires will have final approval.

#### Emergency/Evacuation Plan

**Evacuation/Severe Weather Plan**

During any storm with lightning, stadium patrons will be instructed to leave the stadium and seek refuge in their personal vehicles. In the event of a Tornado Warning, occupants and athletes from both teams in an orderly manner should take refuge in areas located inside locker rooms. If there is not enough room, then the overflow will be directed by event staff to go Anniversary Hall.

Spectators will be advised through PA announcement of inclement weather or delays. If inclement or severe weather occurs, fans should exit the stadium and follow directions from event staff at that point.
If injuries or building damage occurs, call 911 for local emergency services.

Once the all clear is given, the Event management will give the word for employees and/or fans to return to the stadium.

**Severe Weather Policy for NCAA Field Hockey Championship at Trager Stadium**

For the safety of all spectators, student-athletes, officials and coaches the following will be used in case of severe weather (e.g., cold temperatures, heavy snow, lightning):

1. The tournament director and NCAA Field Hockey Committee will monitor the weather during the week and days of the championship games.

2. A central information Twitter account for information on delays and/or postponement has been established. The twitter handle is @ULFIELDHOCKEY. The host will leave a message at this Twitter handle alerting coaches of different start times or a delay in course inspection times due to inclement weather.

3. The NCAA Field Hockey Committee, in consultation with the host and head umpire, will determine whether the start of the game(s) should be delayed or if the game(s) should be postponed until the following day.

4. If necessary, competition may be postponed until the next day, per NCAA policy, with similar if not the same start times. This information must be communicated with all involved institutions.

**Hazardous Materials, Unattended Item or Suspicious Object Found**

Hazardous materials are not to be brought into the facility. If suspected hazardous materials are found notify event staff immediately. Unattended or Suspicious items are to be reported immediately to the event staff.

**Fire Safety**

Anyone that becomes aware of a fire shall immediately notify event staff or activate the building fire alarm system. Louisville Fire rescue will be notified.

Lineups
Game rosters will be submitted and exchanged with 30 minutes on the game clock prior to the start of play.

International Walk-Out
Teams are led onto the field in two lines by the three umpires. The umpires are first to be introduced. The captain of each team heads the line of players (both starters and non-starters). The umpires will stop midfield. At midfield, the teams, in single file, will turn 90 degrees and move toward their respective goals, ultimately forming a single file line at center field facing the direction as determined by the venue. The announcer then introduces the visiting team’s non-starters, followed by the starters, assistant coach(es) and head coach. The announcer then introduces the home team using the same format. After both teams have been introduced and the national anthem has been played, the players should return to their respective benches to prepare for the start of the game.

Practices
Teams will not be allowed to practice on the competition field earlier than the day before the competition. Arrangements may be made to practice at an alternate facility two days before the competition, but the host institution is not obligated to assist with these arrangements.

Each team is allotted one hour on Thursday and 75 minutes on Saturday. Practices will be closed and supervised by the games committee. The game clock will be used to time all practice sessions.

Pregame
All teams are guaranteed 52 minutes of warm-up on the game field for semi-final games, with all pregame warm-up activities confined to the half of the field that is assigned by the team’s game bench. Interaction with the umpires can only occur at the scorer’s table with an NCAA representative and both coaches present.
Hospitality
Light refreshments will be made available for participants and coaches in the locker rooms. There will also be refreshments available for media, SID’s and NCAA staff/committee in the designated area.

Participant Family Gathering Place: Each team will be given up to 48 wristbands to distribute to family members of the participants (24 in uniform). Located within a tented area inside the facility, the gathering place will offer snacks and drinks (Sunday only).

National Anthem
The national anthem will be played (CD)/sung before the first game on Friday and before the Division II championship game on Sunday.

Officials
Selection/Assignments. All umpires for all tournament games will be selected and assigned by the field hockey committee in coordination with the NCAA umpire manager.

Two umpires will be assigned to each game; in addition, a table umpire will be assigned to each game and shall have supervision over the timer’s and scorer’s table, and ball persons.

Post-championship Evaluations
The NCAA will send evaluations to head coaches and athletics directors via email after competition. It is important that we get your help in providing feedback. If you could also please share the survey link with your team, we would appreciate it. Your responses will be held in confidence and used only to enhance the championship in the future. The survey should take less than five minutes to complete.

Videotaping
Bellarmine will provide each team a copy of your games as well as a copy of the other game played on a jump drive (NCAA will provide). Space will be available in front of the press box for teams to film independently.

SECTION 9 – Participant Expectations and Guidelines

Ethical Behavior by Coaches

Members of the coaching profession have certain inherent obligations and responsibilities to the profession, to the student-athletes and to all those with whom they come into contact. Coaches are expected to be role models who conduct themselves with integrity and high ethical standards at all times.

The words and actions of a coach carry tremendous influence, particularly on the young people under his or her direction. It is, thus, imperative that he or she demonstrate and demand high principles of sportsmanship and ethical behavior.

Misconduct

Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law occurring incident to, en route to, from or at the locale of the competition or practice that discredits the event or intercollegiate athletics. Criticism of Officials. Members of the coaching staff or other representatives of participating institutions or conferences shall not make public statements critical of officiating in any NCAA championship event. Failure to comply with this policy may subject the individual, institution or conference to the misconduct provisions of Bylaw 31.1.8

Red Cards

A player, bench personnel or coach receiving a red card shall be ejected from the game, shall leave the premises of the field of play and shall sit out the next regularly scheduled game, including postseason games. Should a player, bench personnel or coach receive a red card in the last game of the season (including post season games) the suspension would carry-over to the first game of the following season (exhibitions and/or scrimmages do not satisfy the suspension). A coach serving a game suspension shall be restricted to the designated spectator area and is prohibited from any communication or contact, direct or indirect, with his or her team, assistant coaches and/or bench personnel from the start of the contest to its completion.
Sportsmanship

The primary goal of the rules is to maximize the safety and enjoyment of the student-athlete. Sportsmanship is a key part of that goal. Sportsmanship should be a core value in behavior of players and bench personnel, in crowd control by game management and in the officials' proper enforcement of the rules governing related actions.

Sports Wagering

The NCAA defines sports wagering as putting something at risk – such as an entry fee or a wager – with the opportunity to win something in return. The NCAA opposes all forms of legal and illegal sports wagering on college sports. Student-athletes and athletics administrators cannot place a sports wager for any NCAA-sanctioned sport. This includes wagering on the intercollegiate, amateur or professional level.

A student-athlete involved in sports wagering on the student-athlete’s institution permanently loses all remaining regular-season and postseason eligibility in all sports. A student-athlete who is involved in any sports wagering activity that involves college sports or professional athletics, through Internet gambling, a bookmaker, a parlay card or any other method employed by organized gambling, will be ineligible for all regular-season and postseason competition for at least one year.

In championships in which a bracket format is used, student-athletes, coaches and administrators may not participate in bracket competitions where there is both a required entry fee and an opportunity to win a prize. Student-athletes and administrators may participate under current NCAA rules, in bracket contests where there is no entry fee but a possibility of winning a prize. Some NCAA member schools, however, have chosen to ban student-athletes from participating in these types of bracket contests.

Tobacco Ban

The use of tobacco products is prohibited by all game personnel (e.g., coaches, trainers, managers and game officials) in all sports during practice and competition. Uniform penalties (as determined by the applicable rules-making committees and sports committees with rules-making responsibilities) shall be established for such use.

The use of tobacco products by a student-athlete is prohibited during practice and competition. A student-athlete who uses tobacco products during a practice or competition shall be disqualified for the remainder of that practice or competition.

SECTION 10 – Travel Party

Band/Spirit Squad/Mascots

Spirit squads, not to exceed 12 in number, plus the mascot shall be admitted, if in uniform, via the gate list. A maximum of 25 band members, who are in uniform and performing at the championship, will not be charged admission. Information as to whether or not spirit squad or band members will need admission to the competition should be provided at the coaches meeting.
**Bench Passes/Assignments**

NCAA-provided credentials will be distributed on Wednesday and event staff will monitor bench access.

The home team/higher seed will be assigned the bench to the right of the scorer’s table.

**Bench Size**

Bench areas will be set for 30 student-athletes (24 in uniform per team) in the championship.

**Squad Size**

Teams participating in the championship are limited to a maximum of 24 players in uniform for any one contest, including warm-up. Six additional student-athletes may be in the bench area but not in uniform. The travel party roster may change between rounds; however, the institution should submit copies of new travel party/line-up forms 30 minutes prior to the start of the game. Players must be designated before the game. After the game starts, no replacements will be permitted for any reason. An institution that is advised it is in violation of this regulation and does not promptly conform to it shall automatically forfeit the competition. There shall be no inordinate delay of the competition to allow the institution to conform to the rule. Only those 30 student-athletes (24 in uniform) and other authorized, credentialed personnel will be allowed on the field.

**Travel Party Size**

The official travel party is 30.

---

**SECTION 11 – Trophies and Awards**

**Additional Award Ordering**

Additional awards may be ordered after the championship. An institution may only order the award(s) that their team/individual received at the championship. You may submit the additional award(s) order at the following link: [http://www.mtmrecognition.com/ncaa/](http://www.mtmrecognition.com/ncaa/).

**All-Tournament**

The national committee will select an all-tournament team from among the participants at the site of the finals. Eleven players will be selected - 10 field players and a goalkeeper. The NCAA office will order all-tournament team plaques for each team member after the championship and will ship these to the appropriate institution. The all-tournament team will not be announced on site but will be sent to participating schools following the tournament.

**Elite 90 Award**

The Elite 90 award is presented to the student-athlete with the highest cumulative grade-point average competing at the finals site for each of the NCAA’s 90 championships. Each institution that has at least one student-athlete qualify for the finals round/site is eligible to nominate a student-athlete to win the award for that championship. All ties are broken by number of credits completed. All documents, including deadlines and nomination forms can be obtained at the following location – [http://www.ncaa.org/about/resources/events/awards/elite-89-academic-recognition-award-program](http://www.ncaa.org/about/resources/events/awards/elite-89-academic-recognition-award-program). You must be logged into the site to access the page.
The submission deadline for nomination for the NCAA Division II Field Hockey Championship is 5 p.m. Eastern, Monday, November 13.

**Participation Awards**

For 2017-2018, an online gift-suite will serve as the participation awards provided to members of the official travel party of institutions that advance to the championship final sites.

**Examples of Merchandise Selections:**

Sony Headphones  |  Roku Streaming Stick  |  Bluetooth Speaker & Powerbank

Coleman Chair  |  PhoneSoap  |  Jacket + Backpack Bundle

After the championship, MainGate will send the head coach an email providing ordering process details, along with a unique Certificate Code (valid for one participation award per member of your official travel party) that can be redeemed only at [www.NCAA-Awards.com](http://www.NCAA-Awards.com). In order to ensure that each participant receives his or her award, a member of your administration must place your team’s order, including size information, at NCAA-Awards.com using your Certificate Code.

Your institution may select different items per participant; men’s and women’s sizes are available for apparel items. If you would like to purchase additional awards, you will have the opportunity to do so online via personal credit card at the end of the checkout process.

Participation award items will be sent to your institution for distribution to your student-athletes within four to six weeks after your order is placed. If you do not receive information for ordering awards within two weeks of the conclusion of the championship, please contact Erin Hannoy (ehannoy@maingateinc.com), MainGate Customer Service (866-945-7267) or the NCAA championship manager.

**Team Awards**

Each team will receive a team trophy. Each member of the national championship team will receive a mini-trophy and watch. An awards ceremony will occur after the championship game on Sunday.
SECTION 12 – Uniforms

Logo Policy

[Reference: Bylaw 12.5.4 in the NCAA Division I and II Manuals, and Bylaw 12.5.3 in the NCAA Division III Manual.]

The provisions of Bylaw 12.5.4 (Divisions I and II) or Bylaw 12.5.3 (Division III) indicate that an institution’s official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer’s or distributor’s normal trademark, not to exceed 2 1/4-square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, parallelogram).

In addition, an institution’s official uniform cannot bear a design element similar to the manufacturer’s that is in addition to another logo or that is contrary to the size restrictions.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2 1/4-square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity, other than the student-athlete’s institution.

These restrictions apply to all apparel worn by student-athletes, and any and all credentialed personnel in the bench area during the conduct of competition, which includes any practices and pregame or postgame activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff. Non-compliance with this legislation could result in loss of eligibility, forfeiture of points earned by those ineligible student-athletes and adjustment of team standings.

Patches

At the championship site, each team will receive 24 NCAA blue disk patches for their student-athletes. Each student-athlete that is part of the official team roster should receive two patches. One patch should be placed on both the home and away jerseys. The preferred location for the patch is on the upper left corner of the jersey; however, the left sleeve is an acceptable alternative.

Video Referral

1. Power to refer decisions for video review:
   a. The match umpires and student-athletes on the field at the time of the incident are the only persons who can request a referral.

Umpire Referral

1. Referrals shall only relate to whether or not a goal has been scored legally.
2. The match umpires shall make decisions which include, but are not restricted to:
   a. whether the ball crossed the goal line (within the area bounded by the goal posts and crossbar);
   b. whether the ball was legally played or touched inside the circle by the stick of an attacker and did not travel outside the circle before passing completely over the goal-line and under the crossbar;
   c. whether the ball traveled outside the circle before it entered the goal either from a shot by an attacker during the taking of a penalty corner;
   d. whether a breach of the rules has been observed within the attacking 23 meter area in the play leading to the awarding or disallowing of a goal. It is then for the match umpires to take any breach into account in reaching their decision.
3. The match umpire requests a video referral by calling a timeout and drawing a square box in the air that represents a video monitor and then points to herself/himself indicating this is an umpire referral. The match umpire will then communicate with the technical table/announcer any pertinent information regarding the referral.

Team Referral

1. Each team is allowed one team referral request (which must be made from a student-athlete in the game to the match umpires) during any match (including any extra time periods but not during a shoot-out competition).
   a. Team referrals will be restricted to decisions within the 23 meter areas relating to the award (or non-award) of goals, penalty corners, and penalty strokes. The award of personal penalty cards may not be the subject of a team referral.
   b. Any student-athlete, on the field of play at the time of the incident, may request a video referral.
   c. This student-athlete must indicate to the match umpires that they wish to use their referral. They must do so immediately after the incident or decision which is to be indicated by using the square box signal as well as confirming this verbally to the match umpires.
d. The player requesting the team referral must inform the umpires of the exact nature of the decision (or non-decision) that their team wishes to be reviewed within a maximum of 20 seconds.

e. If no question is received within 20 seconds, the team referral will automatically default to a review of the last decision or non-decision relating to the award (or non-award) of a goal, penalty corner, or penalty stroke.

f. The match umpire then requests video referral assistance using a square box signal along with showing a whole arm “T” to denote a team referral. The match umpire will then communicate with the technical table/announcer any pertinent information regarding the referral.

g. In the event that the referral is upheld or the video is determined to be inconclusive (including through not having the correct replays available, the ball never being in the shot in the replays, the footage being of insufficient quality to permit a decision or technical problems with the referral equipment), the referring team retains its right of referral.

h. In the event of the call on the field being confirmed, the referring team loses its right of referral.

i. A team referral that has already been adjudicated upon may not be the subject of a subsequent referral or protest by the opposing team.

Referral Process

1. There will be a monitor located at the technical table between the team benches along with a headset connected to the broadcast truck or studio (when available). Coaches and student-athletes are restricted from entering or proceeding past the area defined as the substitution box during a review.

2. The match umpires may communicate with the truck or studio (when available) to view as many replays from every available camera angle as necessary to reach a decision. Any audio or communication from TV talent (i.e., announcer(s)) to umpires shall be prohibited.

3. All reviews shall be completed within a reasonable time. The final decision, including any matter of interpretation, remains with the match umpires.

4. The match umpires should communicate to each head coach the final decision before resuming play.

5. The technical table shall communicate to the PA announcer the match umpires decision. The PA announcer shall announce in the following manner:
a. When the referral upholds the original call:

i. “After reviewing the play, the umpires have determined the goal called on the field will stand. [Insert referring team] is now out of video referrals.”

ii. “After reviewing the play, the umpires have determined that the call on the field shall stand, no goal. [Insert referring team] is now out of video referrals.”

iii. “After reviewing the play, the umpires have determined the penalty corner called on the field will stand. [Insert referring team] is now out of video referrals.”

vi. “After reviewing the play, the umpires have determined the call on the field shall stand, no penalty shot will be awarded. [Insert referring team] is now out of video referrals.”

b. When the referral reverses the original call:

ii. “After reviewing the play, the umpires have determined that [insert reason for disallowing goal]. Therefore, there is no goal. [Insert referring team] is now out of video referrals.”

iii. “After reviewing the play, the umpires have determined that [insert reason for awarding penalty corner]. As a result, [insert team] is awarded a penalty stroke. [Insert team] retains their video referral.”

iv. “After reviewing the play, the umpires have determined that [insert reason for disallowing a penalty corner]. As a result, [insert team] will not be awarded a penalty corner. [Insert referring team] retains their video referral.”

v. “After reviewing the play, the umpires have determined that [insert reason for awarding a penalty stroke]. As a result, [insert team] is awarded a penalty stroke. [Insert referring team] retains their video referral.”

vi. “After reviewing the play, the umpires have determined that [insert reason for disallowing a penalty stroke]. As a result, [insert team] will not be awarded a penalty stroke. [Insert referring team] retains their video referral.”

c. When the referral is inconclusive:

i. “After reviewing the play, the umpires have determined that the video is inconclusive. The call on the field stands. [Insert team] retains their video referral.”
