

MOST FREQUENTLY VIOLATED RULES

DIVISION II INFRACTIONS PROCESS

Across Divisions I, II and III, there are more than 5,800 rules. Obviously, the enforcement staff encounters violations of certain rules more than others. To aid compliance efforts at Division II member colleges and universities, frequently violated rules are noted below. This information highlights areas in which schools have been most likely to encounter violations in recent years. The information may also be used as a resource for schools looking to audit areas of potential noncompliance.
