Prairie Star Athletics is on the rise. I invite you to join us in this exciting time as together we strive to build a competitive and respected model NCAA Division II program that will make you, our campus, community, and alumni proud.

You can be a valuable member of our team when you join The STARS Booster Club. The STARS Club raises support for program enhancements and scholarship opportunities for student-athletes through an annual fund drive. Last year, the STARS Club enrolled 177 charter members and raised over $50,000, making a positive impact on UIS Athletics and the lives of student-athletes. As we move forward, the continued growth of the STARS Club is critical to help carry out our vision.

As a STARS Club member, you will impact more than 175 student-athletes who represent our 11 varsity teams competing in the Great Lakes Valley Conference and NCAA DII. Your support will help provide a top notch student-athlete experience. You will also be preparing our student-athletes for success beyond college, so you will have a lasting impact on the communities in which they serve as graduates of UIS.

Help us build champions for the future, both in athletics and in life.

Join The STARS Club today!
“Receiving an athletic scholarship allowed me to focus on the two most important things in my life: school and volleyball. By receiving a scholarship, I also was able to be a part of a team/family while working for my degree. This made my college career much more enjoyable.”

Kellee Mahaffay
University of Illinois Springfield
Women’s Volleyball Student-Athlete

“Making school affordable is one of the most important factors when student-athletes are making a decision during their recruitment process.”

Jesse Miech
University of Illinois Springfield
Head Men’s Soccer Coach
