How to request a Gameday the DIII Way in-person training session for your campus or conference

Please note that each in-person training session lasts one and a half hours

1 – Preferred method to request training – Contact trained facilitator directly

Using the list of facilitators found on the Division III sportsmanship webpage, locate a facilitator in your area and contact him or her directly. The facilitators will work with you on securing a mutually agreed upon date and time for the training session. The facilitator will need to know the total number of training participants at least 30 days in advance of the training in order to secure the proper training materials for the session.

2 – Secondary method to request training – Email program administrator

Email Jay Jones, Associate Director of Division III, at jkjones@ncaa.org, and he will work to schedule a training session with a trained Gameday the DIII Way facilitator. Please provide the request at least 60 days in advance of the scheduled training. In your request please include the preferred date and time of training and the total number of training participants.
