

**REPORT OF THE
NCAA PLAYING RULES OVERSIGHT PANEL
SEPTEMBER 12, 2018, TELECONFERENCE**

ACTION ITEMS.

- None.

INFORMATIONAL ITEMS.

1. **Welcome and announcements.** The chair welcomed those on the call and thanked everyone for their time.
2. **Duties and conflict of interest.** The panel reviewed the panel duties and the Conflict of Interest Policy from the Playing Rules Oversight Panel Policies and Procedures Manual.
3. **Review of the PROP August 15, 2018, teleconference report.** The panel approved the August 15 teleconference report.
4. **NCAA Men's Lacrosse Rules Committee annual meeting report, comment period report and September 7 teleconference report.** The panel reviewed the men's lacrosse committee's August 8-10 annual meeting report and September 7 teleconference report. It was noted that the committee adjusted one of its initial proposals regarding the shot clock period after the comment period and also rescinded a proposal based on the adjustment. The shot clock period will be 80 seconds once possession is established, making the process simpler to understand and adjudicate. Finally, the panel reviewed and approved separately the mandate to have, by the 2021 competition season, two shot clocks that are able to be reset to more than one number.
5. **NCAA Women's Beach Volleyball Committee annual meeting report and comment period report.** The panel reviewed the beach volleyball committee's July 30-31 annual meeting report and approved two rules modifications, which included mandating a referee stand beginning with the 2019-20 season and requiring the visiting team to ensure that its uniform top is of a contrasting color to that selected by the home team.
6. **Future meeting dates and times.** The committee was reminded of the annual meeting at the 2019 NCAA Convention (Wednesday, January 23, 2019, in Orlando).
7. **Other business.** The panel had no other business.
8. **Adjournment.** The teleconference was adjourned at 1:26 p.m. Eastern time.
