Brief Synopsis of 2011-2012 Community Service Projects with Whataburger as the "Presenting Sponsor"

Fall, 2011 Event:

KKB-Keep Kingsville Beautiful: Student-athletes from the volleyball, golf, and softball team collected money for the KKB organization. Funds were raised in order to help with the beautifying Kingsville. The students raised over \$1,000.

Spring, 2012 Events:

Boys and Girls Club: 30 student-athletes helped the Club with putting up safety measures in the computer room and play room. They also painted a second play room and did some gardening around the outside of the building. Sports involved were the softball team, football team, volleyball team, and basketball teams.

Brookshire Pool: Student-athletes from the golf, men and women's basketball, and softball team helped paint the bathrooms, picnic area, and covered area of the pool. The recreation department wanted to make improvements in order to re-open the pool to the public. At least 30 athletes help to complete this project for the community.

Brief Synopsis of 2012-2013 Community Service Projects with Whataburger as the "Presenting Sponsor"

Fall, 2012 Event:

Trunk or Treat: 15 athletes from the football, track, softball, and men's basketball teams dressed up and decorated their car trunks for children in the community to come in their costumes and trick or treat for candy. About 100 children from the community participated in the trunk or treat event and later in the costume contest at the women's basketball game following the event.

Spring, 2013 Events:

Alice Habitat for Humanity:

25 student-athletes from the golf, baseball, volleyball, track, football and tennis teams helped to build a house for the habitat group in Alice. The students painted shelves, put up dry wall, painted walls, and did some landscaping for Ms. Ortiz and her two children's new 3 bedroom home.

Boys and Girls Club:

Student-athletes from the football, track, softball and baseball teams participated in the annual club basketball tournament. About 10 students acted as assistant coaches to the teams in the tournament. 30 children from the club played in the tournament that took place at our SPEC Gym on campus. Parents and student-athletes from all over the community came out and cheered on the kids.
